to me

Salam Dr.Umar Azam,

I will be highly appreciated if you kindly answer the questions below :

1. There are many Islamic websites in the internet . How will we understand that it is real Islamic website or not . Because there some websites that are like Islamic websites but they are not actually real because there are many wrong description of the Quran .

You have sent me AbuDawud Hadith . But all the hadith of Abu dawud are not there.

Can you give me a website from where I can download Tafseer of the Quran and please also give me a website where I can find all the Hadith with Arabic and English and also give some websites from where I can download Islamic lectures , books in English and also in Bengali . And any website from where I can download audios of Dr.Zakir Naik in English or Bengali.

And please don not mind , please tell me in which country do you live in.

Please visit this authentic  
Islamic Website  
[:http://www.islamhouse.com](http://www.islamhouse.com)

This website has many  
languages.

And please give me a comment  
about this website.

Please send me the websites from which you  
downloaded the softcopy of the Quran.

And please send me the softcopy of the following books:

1.A guide to prayer by M.A Sakib

2.The prayer of the prophet by Sheikh Mohammad  
Nasiruddin Albani.

I think these books are wriitten in Arabic , so I think you  
have to send the English Translation of the books. Also,  
pleaseinform me that in which languages these two  
books are available.

And also please give me some Islamic lecture in English  
language.Also,please gave me a software for writing

verses of the Quran for Windows Xp. Please also give me some books about the Quran and hadith.
