I am an Orphan

The Prophet said, "It is an obligation for all true Muslims to take care of the children of family and friends in the event those children are orphaned."

I don't have father to hold my hand.

**I don't have mother
to care.**

I have to struggle for Food

**The Prophet Muhammad (peace be upon him) said:
"Feed the hungry, visit the sick and set free the
captives."**

**I want to live in a home, not
on roads...**

**The Prophet Muhammad (peace be upon him) recommended saying:
"Praise is due to God Who fed us, provided us drink...and provided us
with shelter, (because) for many people there is...no one to provide
shelter." Sahih Muslim, Hadith 1255**

I want to study.... No Money

The person who goes forth in search of knowledge, is striving hard in the way of ALLAH; until he returns. Jame Tirmidhi

Problems faced by Orphans

There are thousands of orphans in India, striving hard for a better life....

This is the time we need to support these children who are humiliated and badly targeted to do sinful deeds.....

Few of them we recently came to know.....

1. They are used to drug and involved in sex.
2. They are used as a servant at the age of 5 years.
3. They are asked to beg and earn for a private agent.
4. They are tortured to do all those which are very harmful to society.

There are many more reasons, due to which lives of these children have become miserable.

We can do everything what ALLAH Subhanutallah wishes...

This is a bigger cause where every Muslim has to support for the betterment of the society.

We can support them in providing.....

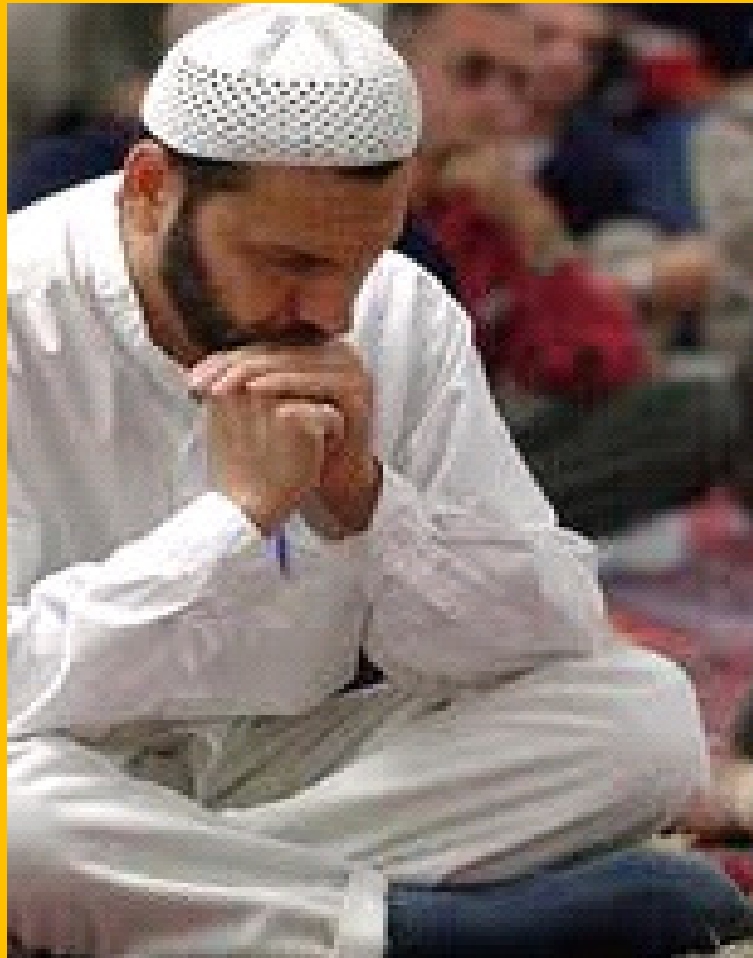

Education Islamic Values and Ethics

Food Care Sunnath-e-Rasool saws

Shelter School Shelter Education Stipends

Care Mental Strength Islamic Values and Ethics

Love Education Moral Strength

Don't think till the DAY has come.

The right people are those who finish their work before time.
