Don't be optimistic. If one could get a house in
Jannat
by Dua the all humanity will be there.
You get there only by your good deeds.

I wrote before too. If it was possible to get
a house with uttering
a few words one can do it without any effort. What
is required is
actions in life. And these should not be limited to
what Islam
teaches. Any type of actions for the welfare of
HUMANITY and

by ANYONE should count.

to Ghulam

Well, Ghulam, the concept of Dua is very important in Islam. We do not know what Allah might accept! That's why the Prophet S.A.W. used to ask from Allah and it is in Hadith that we should pray duas from the sunnah. Duas have been left for us to ask from Allah as ibadat. It's best to do both - good actions AND read duas. It's not necessarily just one or the other. Dr Umar
