Thankyou for the interest in our award programs, and thanks also for the chance to visit your excellent website.

We have made quite a lot of changes since you last applied for our award. We have tightened up our criteria considerably, and our awards are actually very hard to win. While the bronze award might seem like a drop in level, it is actually quite a significant upgrade, and one well deserved.

If you check our assessment sheet [enclosed] you will see where you lost points. I have made many constructive comments on this sheet, that I hope you find useful.

Once again, congratulations for doing such an excellent job. I look forward to the possibility of upgrading you in the future. You will also see that I have sent awards from both of my sites. They each have their own URL and award rating as seen below.

Dr Azam.....I am so thrilled with having had the honor of evaluating your site yet again, and I so enjoyed it. You have an interesting site with a whole lot of valuable information and I am always amazed by it.

I am proud to announce that you have won the **Silver Award** at Becky K's Awards Program.

Here are the results of your evaluation. These are just listed here as total points for each category you have earned. In the attachment you will notice the evaluation form is attached. The form will show the specifics of the evaluation.

After you have reviewed the evaluation and decide you may want to upgrade it, you can do so 90 days from the date of this email. That is entirely up to you. You have a great site and it is great just the way it is and not winning a higher award does not change that..

I have placed your link on my winners page. <http://www.tlth.org/bksawardwinners.htm>

It is required that you respond to this email with the page url which you have placed the award on your site.

A link back to the awards program page would be greatly appreciated, but it is not required. <http://www.tlth.org/beckyksawards.htm> (Do not link back to main site) This will allow others the opportunity of applying for this award.

Since you received an award under the old program, you need not replace the old awards with the new one. These are brand new awards and can be included however you choose to include them.

Thank you for your participation in the new upgraded Becky K's Awards Program

Have a wonderful day!!!
