IN THE NAME OF ALLAH THE MOST GRACIOSE THE MOST MERCIFUL

CONVERSION FOR NON MUSLIMS ISLAMIC SCHOOL.

P.O.BOX(AH) 9442 - AHENSAN - KUMASI - GHANA

Dear Brothers in Islam

SEEKING YOU TO SEND US QURANS

I am very contended for this Godlyhour of prililage given to me by our almighty Allah,by given me wisdom to narrate you this information.By the way,This Organization was established by the year 2001 it had by then a

maximum conversion on 50 peoples and as at now. The Organization has a maximum of (860) muslims brothers and sisters consisting of (560) christians and (300) traditional lists.

Futhermore, This Organization was financed by sheikh (ABUBAKAR BUN UMMAR) Who recently kick the bucket A couples of years ago resulting in cut of the financial assistance. MAY THE BLESSING AND PEACE OF ALLAH BE UPON HIM, for all the troubles he went through over seeing the financial structure of the Organization.

Please i, the headmaster of this Organization,

Sheikh Mahfouz Abdul Gafar, are pleading you to assist this organization, because we don't know any address or any institution who can help our islamic school with this islamic materials. We are even lucky to hear the name of your institution on internet. We have heard that, your institution are the most great institution of those whom are assisting in the work of almighty Allah.

So please the main rational why you have seen our letter today is that, We are pleading you to assist us with your valuable islamic materials such as, Holy Qurans, islamic literatures and cassetts to be distributed them among our

student, infact please we need more of the graciose Holy Qurans more than those materials we mentioned

below. Because a student can never acquired islam knowledge without the Holy Quran and you know that each of the student of the school must have his/her own Quran, so please thats the reason we need more of the Qurans, so please if there are available please send us more of them by posting. And we are going to be proud of you and your institution, because almighty Allah has given you some great knowledge, and you have use that knowledge to help in his work, by helping muslims brothers and sisters all over the world to converse people and bring more souls in islamic religion. We are praying that almighty Allah Wata`alla will blessed you , give you knowledge,

strength and grant you to continued helping in the work of Allah by continued helping muslims brothers and sisters all over the world.

Again,we would be very greatfull if you would be sending us some of your Holy Qurans ,islamic books and cassetts in every blessing month or whenever you produce new one`s in your institution,so please try and put our address in your magazine so that you will not forgot about us,please we need your help.I also believe strongly that,when we got enough of this islamic materials mention,it will encourag the students to learn harder and also for them to understand more fully the worth of islam,Which will be the great benefit for our religion Islam,and also for all muslims brother`s and sister`s because this student are going to be the great future leaders and help islam.so please we need much help from you. we will like to end our letter hear by saying Wassalamu Allaykom warahmatullahi

Dear Sir,

Requesting For Free Dawah Materials.

As-Salam-Alaykum,

We all bear witness that there is only one GOD (swt) deserve to be worshiped.and that Prophet Muhammed (saw) isthe true messenger of GOD.

It,s our hope and prayers that this letter meets you in the best of health and high islamic spirit.

It,s the wish of the above organisation to assist the muslim family home islamically.A research just carried out has shown that the christians have targetted the homes of muslim presonalities in order to convert their children to christianity or make them redundant muslims.The secondary schools and higher Institutions are used as convinient platforms to achieve this objective.

As muslim youth we take this as challenge since our religion possess superior arguments that can be exploited to convince our children not to go astray,that is why we have developed a progamme whereby our young elites mainly graduates and undergraduate from the universities,and the polytechnics(male&female)would from time to time visit muslim homes and sermonise to the families using in most cases Audio Visual materials like video and audio cassetes to get the message across.

we also use the opportunity to invite the childrens to join elitist muslim groups like muslim student of nigeria,e t c.

We would also like to use this opportunity to request for some (Free Dawah Materials) from your organisation.such as books on islamic teaching and some books on the interpretation of the GLORIOUS QURAN including some video and audio cassetes.etc.i ask ALLAH to help you in your JIHAD for HIS sake Ameen.....

Assalam alaykum

I found your details while I was searching for interpretation of dreams and found your interpretations very interesting.

I was wondering if you could interpret a dream for me please.

It goes as follows:

I was with a this guy I used to work with (dnt really speak to him, odd txd here and there) Anyway, in dream we had been out chilling n we end up in trafford centre (I'm not a shopper and rarely go to the trafford centre) then all of a sudden while we're walkin were in mecca, the place becomes the entrance to haram shareef. Exactly they entrance I used to use when I went their in May this year and May last year. I see the arab guides and realise its haram shareef. I can see the white pillars in front of me where I know in my dream once I get there I will be able to see the kabba.

I cnt see the kabba but I can tell its mecca

Hes walkin ahead and I tell him to stop because that way to go if your going to do umrah n if he goes there he'll be doing it wrong (because I know in my dream that he's not done intention, ihram etc and it will be done wrong)

He turns back and walks towards me, on the way out I see my friend, her daughter and husband they're walking towards mecca and I assume theyr doin umrah

She turns back and shouts me, her husband n daughter continue on to mecca

I ask her if her husband and daughter are they doin umrah n she says yes

She is going another way so I ask to her do u want to come n do umrah tomorrow because its the end of rozay n I wana do it b4 rozay end n she says no because of somethin, dnt remember her reason

Me n tht guy are walkin out n outside is a toy version of the kabba n mecca, looks exactly like it and I excitedly say to the guy this is what I looks like inside

Hes walkin ahead n we get to the staircase that leads to the kabba and I can see ppl doing umrah just like it was in reality. However the people are in clear water. I only realise when I get closer. It doesn't seem to affect them and the continue doing tawaaf etc (the water is up to the top of their heads. I can see the top of their heads)

That guy falls in n I pull him bak out sayin what u doing u going to drown n this is the wrong place its not real mecca its toy version, this is where the shia are, lets go back

As Were walking out I see shia people walking towards the water (and they scare me) and me n him walk out. THE END

Please could you tell me the interpretation. I do try and pray 5 times daily and I hope I'm not praying wrong or something. I know when I'm praying namaz things pop into my head and I shake them off, I did hear some bad news while I was in Medina this May and kinda went in shock. When I got the email while I was in the hotel I was so shocked I walked towards the mosque in a state of shock and asked God to help me. I was grateful I was there for Umrah at the time of hearing it and I begged

God while in mecca to help take my pain and make it easy for me and he knows best and there is a reason it happened but just make it easy for me to accept. I did say to God I think it is a test Im not going to pass but then I after speaking to a friend I knew I was there for umrah n there to worship God and that was my priority and I can deal with it when I get back home. Life has a tendency of going on just when you need it to stop for a second.

I was ill at the time of my dream. I hadn't slept all night. I was tossing and turning all night.

I am going through a difficult time and I do ask God to help me and I'm grateful for what I have.

My mums worries about rishtay etc but I'm not ready. I lived a life thinking muslims were muslims and a good muslim was the most important thing to look for in marriage but I didn't realise other people have cultural issues. Pakistanis, indians were all muslims to me. What's done is done.

Apologies for the long winded essay.

Your interpretation would be much appreciated.

Many thanks

AA
