Assalamu Alaikum

We are a Qur'anic Site under www.Koyapathodi.com since 2006 BUT due to some change at our web administrators Aspirant Labs –We decided to try out an alternative when we met Bro Umar Azam on the net. With his advice we created a weebly site BUT could not upload PDF , Videos etc .We have our own web address valid till 2012 August on godaddy servers BUT we do not know how to upload data on to that site.

We were given a control panel and 117 MB of files from our site by the previous web administrator BUT it doesn't seem to work (we don't know how it works !)

Can you please help us.

We are a non profit TRUST and will be happy to hear from you –and your advice-if you have the time..

CONFUSING ISTIKHARA DREAMS

- [samina hussain](#)

•

- 18 Oct 2011

To

- me

ASALAM ALAIKUM BROTHER,

I SINCERELY HOPE YOU CAN BE KIND ENOUGH TO SHED SOME LIGHT ON MY DREAMS, EVEN THOUGH, UNLIKE LIKE MOST THE PEOPLE CONTACTING YOU, UNFORTUNATELY I DO NOT HAVE AN EXACT DATE OR TIME TO GIVE YOU, BUT AS AN ESTIMATE I WOULD SAY I HAVE DONE A ISTIKHARA PRAYER MAYBE FOUR TIMES, OVER A PERIOD OF 2-3 YEARS FOR THIS ONE SPECIFIC GUY, WHOM IVE KNOWN FOR THE LAST TEN YEARS. MY FIRST TIME DOING ISTIKHARA WAS AT A TIME WHEN ME AND THIS GUY WERE NOT GETTING ON, AND ANOTHER MALE WHOM I HAD JUST GOT TO KNOW AND WAS DOING A WORK PLACEMENT WITH FOR A SHORT PERIOD (WHO HAD ALSO THROUGH HINTS MADE IT CLEAR HE WAS INTERESTED IN ME) SUGGESTED I DO A ISTIKHARA AND PROVIDED ME WITH THE DUA. SO MY FIRST TIME DOING THE ISTIKHARA PRAYER, ON THE FINAL NIGHT OF IT, I DREAMT I ATTEND THIS WORK PLACEMENT AND SEE THE GUY WHO GAVE ME THE DUA... NOT THE GUY I MENTIONED IN MY ISTIKHARA DUA.. HE IS DRESSED IN NECK TO TOE IN WHITE OVERALLS, AND HE IS WAITING FOR ME, SO ME AND HIM CAN REDECORATE THE WORKPLACE.

IN ANOTHER ATTEMPT OF DOING A ISTIKHARA, I SEE THAT ME AND THE GUY IVE KNOWN FOR TEN YEARS, GET MARRIED, WE LIVE IN MY PREVIOUS HOME, WHICH IS SUPPOSE TO BE HIS FAMILY HOME IN MY DREAM, IT IS OUR FIRST NIGHT TOGETHER, AND IN THE DREAM, I START MY PERIODS AND INFORM HIM THAT UNFORTUNATELY I CAN NOT HAVE INTERCOURSE WITH HIM, WE THEN ARE LYING IN BED TOGETHER, WITH MY BACK TOWARDS HIM, BUT HE HAS HIS ARM AROUND ME, AND WE ARE COVERED IN A WHITE DUVET, THERE IS A GAS HEATER NEARBY MY SIDE, AND SUDDENLY THE CORNER OF MY SIDE OF THE DUVET CATCHES FIRE, I MANAGE TO QUICKLY DISTINGUISH THE FIRE, BEFORE IT CAN CAUSE ANY REAL HARM.. I THEN MUST HAVE FALLEN ASLEEP IN THE DREAM, BECAUSE WHEN I AWAKE, MY "HUSBAND" THIS GUY IS NOT NEXT TO ME, I CAN REMEMBER FEELING SOMEWHAT DISSAPOINTED AND DISHEARTNED AT THE FACT THAT AS MY FIRST NIGHT IN HIS FAMILY HOME, HE SHOULD HAVE BEEN MORE CONSIDERATE THAN LEAVING ME ALONE, I THEN WONDER DOWNSTAIRS AND SEE HIS MUM IN THE LIVING ROOM. I ASK WHERE HE IS, AND SHE REPLIES, SLEEPING IN THE NEXT ROOM, I GO TO LOOK, AND SEE HIM SLEEPING, FACE COVERED IN A RED BLANKET.

CAN YOU PLEASE SHED SOME LIGHT ON THESE DREAMS OF MINE?...

ON A FEW OTHER OCCASSION'S, 3TIMES TO BE SPECIFIC, SOME WHILST DOING ISTHIKARA PRAYER, SOME JUST GENERALLY, I TEND TO DREAM OF THIS OTHER "WORK PLACEMENET GUY", HE ALWAYS SEEMS TO BE OUTSIDE MY HOUSE, WEARING A MOSQUE HAT AND WANTING TO TALK TO ME, I BE PANICKING, THINKING IF MY FAMILY SEE HIM, HE WILL GET ME INTO TROUBLE AND I WOULD SHOUT AT HIM TO GO AWAY, I SENSE A BIT OF ANGER AND TENSION FROM HIM... THIS MAYBE DUE TO THE FACT THAT IN REALITY, HE HAS TRIED CONTACTING ME MANY TIMES, TO WHICH I HAVE JUST IGNORED HIM, AND FELT GUILTY FOR DOING SO. IN MY FINAL DREAM OF HIM, AGAIN, NOT SURE IF WHILST DOIND ISTIKHARA, I SEE HIM AMONGST MY FATHER AND BROTHERS, HELPING

THEM CLOSE UP THE FAMILY STORE THEY OWN, AND THEN I SEE HIM IN MY KITCHEN, AND I ASK HIM, SO WHAT DOES THIS MEAN, THAT YOU AND I SHOULD GET MARRIED?... TO WHICH I CANT BE HUNDRED PERCENT POSITIVE, BUT HE NODS HIS HEAD OR MIGHT HAVE SAID YES.

BROTHER, I HAVE REACHED THE AGE OF 26 NOW, AND ONLY RECENTLY STARTED TO PRAY MY NAMAZ, I FEEL IT IS IMPERATIVE FOR ME TO TAKE THE NEXT STAGE IN LIFE AND COMPLETE HALF MY DEEN, BY GETTING MARRIED, I WOULD BE EXTREMELY GRATEFUL TO YOU IF YOU CAN ADVISE ME, AND MAY ALLAH SBWT BLESS YOU AND YOUR FAMILY ABUNDANTLY FOR IT.. AMEEN

To

Hi again,

I dropped you an email on Wednesday regarding a reduced online banner ad on Guardian .co.uk (if it doesn't ring a bell I've copied it below). If you were just taking your time to think it over, you're in luck! Where I was offering 10,000 impressions for £425, I can DOUBLE it for the same rate: You can now have 20,000 impressions for £425.

There isn't any small print or any crazy terms – I'll get you started on Guardian .co.uk as soon as copy is approved and you'll have all of your impressions delivered by 20th Feb. It's a run of site booking, so that means your ad will feature throughout the site and it will be in a guaranteed leaderboard position (that's the horizontal one across the top of the page).

Is this tempting enough to have a chat about?

James
www.webwindows.co.uk

Hello Dr-Umar-Azam,

Advertising doesn't generally come with guarantees, but promote Dr-Umar-Azam on [Guardian .co.uk](http://Guardian.co.uk) this January and I'll guarantee that your ad will be shown 10,000 times over the course of 28 days. It's on a run of site basis, which means that it can appear anywhere throughout the site but you can be reassured that although you may not see your ad, 10,000 well educated, high income earning men and women who regularly shop online will be seeing it.

Book in today and you'll get FREE animated ad copy, 10,000 guaranteed shows of your ad (called 'impressions') an approx. 28 day campaign period starting Monday and the chance to reach a whole new market.

The best part: it only costs **£425**

Whether you're a seasoned online advertiser or this is your [first campaign](#), give me a call today and I'll get your campaign sorted now!

With regards,

James Hart

Salaam , i had two short dreams today the first one was that i saw karbala with the muslims fighting ,but including them i seen prophet hamza fighting with kafur...I dont if you have seen the message film but it was those people...(which i havent seen the film in four or five years.)After this i was soo happy telling my mother that i seen karbala in my dreams...

the second dream i had i was crying in it soo much ,because my mum had past away in madina pak shraif...and i was telling my grandad and sisters..

Subject: re: YOUR DREAM OF RIVER/TASBIH

YOUR TEXT MESSAGE:

ME AND SOME GIRLS WERE IN THE RIVER AND I START TO SWIM BUT AS SOON AS I STOPPED, MY MATE THREW A CLICKING TASBIH, SO I CAUGHT IT. AS SOON AS I CAME OUT OF THE RIVER, I LOST IT, AND WENT INTO THIS ROOM WHERE MY AUNTIE WAS LOOKING FOR THE TASBIH. ON THE TABLE WAS SO MUCH ISLAMIC STUFF. SHE LOOKED INTO A BOX WHERE THE TASBIH WAS MEANT TO BE BUT IT WASN'T THERE.

SALAM, SAFAH

THIS IS MY INTERPRETATION OF YOUR DREAM. YOUR BEING IN THE RIVER SYMBOLISES THAT YOU ARE IN SOME KIND OF TROUBLE IN LIFE. BEING THROWN THE TASBIH REPRESENTS BEING HELPED. YOUR LOSING THE TASBIH MEANS GETTING INTO DIFFICULTIES AGAIN. YOUR AUNTIE HAVING THE TASBIH MEANS HER TRYING TO HELP YOU IN SOME WAY. YOUR AUNTIE NOT BEING ABLE TO FIND THE TASBIH MEANS THAT SHE COULDN'T HELP YOU [BUT MAYBE SOMEONE ELSE WOULD/DID].

River

To see a clear and calm river in your dream indicates that you are just going with the flow. You are allowing your life to float away. It is time to take a more decisive role in directing your life. Alternatively, a river symbolizes joyful pleasures, peace, prosperity and fertility. If you are crossing a river in your dream, then it represents an obstacle or issue that you need to deal with in order to move closer toward your goal. It is also reflective of a new stage in your life. ♦ If the river is muddy, then it indicates that you are in turmoil.

To see a raging or an overflowing river in your dream signifies that your life is feeling out of control. You are feeling emotionally unsettled. Alternatively, this dream means you are ready to confront life's challenges and life's twists and turns.

To dream that a river is comprised of flowing red chili refers to the raw emotion, and intense passion or anger that is flowing through you and yearning to be expressed. ♦

To dream that you are bathing in a river represents purification and cleansing.

To

Salam

Hope you are well.

I had a dream, which if possible I would like interpreted. I will be ever so grateful. My dream goes as follows, I'm walk in my room and I see my little sister-in-law in my room and she's wearing my dress, its a sky blue dress and I've never seen it before but in my dream its mine. I ask her why is she wearing it and to take it off. She comes near me and tries to choke me, and naturally I'm shocked but she also looks scary and keeps repeating some words, over and over, its like she's placing a cure on me. Her face looks scary to me. In my mind I feel like she's placing a curse on me because of what she's repeating over and over. I don't understand what she's saying.

I then walk off and go downstairs where all my sisters are sitting in a room so I tell them what happened. I'm not frightened I just think she's weird and she's doing black magic or something. My sister asks what was he saying and I say I don't know.

I then say to my sister either she leaves or I leave and my sister says mum won't through her out you know what asian people are like. Its all about saving face. And then I woke up.

Generally I'm not the kind of person who thinks people are doing back magic on me but I know it does exist. I know some people blame a lot of the problems in their life on black magic but I'm not like that. I won't deny it exists.

I don't think she's done black magic on me. Never thought it.

I don't really have a problem with my sister-in-law she lives with my parents as do I as I'm not married yet. I get along with my sister-in-law but I know she gets cocky at times. We don't fight or anything.

Maybe the dream is subconscious or maybe it means something.

I do try and pray salat daily and give sadqa/yaramee monthly when I get paid.

Plus one more thing please. I know its farz to get married and as a girl it should be sooner than later but in life does everyone get married and does Allah have a partner for everyone because I know single girls who are 38 etc and maybe they stay single.

I know my parents want me to get married soon but don't know anyone and have left it to me. I'm in no rush to get married but I know asians society and my parents have never pressured me and now its too late. I never pursued possibilities when I was younger due to differences and now I'm not in a position to meet someone. Insha Allah life will fall into place.

I once read "Unanswered duas will bear so much reward on the Day of Qiyamah, that a person will wish that none of his duas were accepted in this world." And I have faith Allah has his plans and Allah knows best.

Maybe I'm praying wrong or not with a good heart I don't know but I'm trying.

If you can interpret my dream I will be grateful.

Thank you

SALAM, SHAIKH

YOUR DREAM, IF TRUE, COULD MEAN THAT YOU NEED TO BE MORE UNDERSTANDING OF YOUR COUSIN SISTER OR YOU ARE HOLDING ON SOME WISH TO BE CLOSE TO HER FOR TOO LONG. YOU UNDERSTAND THAT I CAN'T SAY MORE DUE TO LACK OF KNOWLEDGE OF YOUR PERSONAL MATTERS.

Elephant

To see an elephant in your dream indicates that you need to be more patient or more understanding of others. Or perhaps there is a memory that you are holding on to for too long. You need to let go of the past. The elephant is also a symbol of power, strength, faithfulness and intellect. Alternatively, the elephant's introverted personality may be a reflection of your own personality. In particular, if you see a white elephant, then it symbolizes royalty.

To dream that you are riding an elephant indicates that you are in control of your unconscious and aspects that you were once afraid of.

To dream that you are afraid of the elephant suggests that there is an enormous problem that you are afraid to confront.

Since many days I saw a dream.

I saw I am sitting on the back of a elephant. The elephant was moving inside a forest road or a village road with many trees. I saw a person also sitting on a elephant coming opposite toward me. I also saw a beautiful girl cutting a top branch of a tree with a small axe. I have forgotten whether that girl was the same person who was sitting on a elephant and coming opposite towards me. I moved on the moving elephant & saw something I don't remember (may be a person male or female or a very small village). Then I moved on the elephant & saw a woman laying outside a house & showing me her private part (sexual part). All of a sudden I found myself standing on a platform (wooden platform made by hunters to stay on night on the top of a tree to escape from the attack of wild animals) on top of a tree. I can look down and can see many people. I found my cousin sister with very beautiful face wearing western dresses standing with me on the platform. I got excited and kept my hand on her waist. She smiled lovingly looking towards me. I got delighted.

After I woke up I seek forgiveness from Allah Taala for the removal of problems of the dream.

SALAM, SHAIKH

NOT ALL DREAMS ARE TRUE OR HAVE DEFINITE MEANINGS. HOWEVER, I WILL TRY TO GIVE YOU AN INTERPRETATION. YOUR DREAM APPEARS TO BE TELLING YOU THAT YOU HAVE COMMUNICATION PROBLEMS WITH YOUR ENEMY-RELATIVE. IT COULD BE THAT YOU ARE THINKING OF MOVING ABROAD [SYMBOLISED BY FOREIGNERS] OR HE IS. THAT WILL RESULT IN BEING BUSY AND SUCCESSFUL [BEES]. YOU WILL NOT ACCEPT DEFEAT [GOLD].

Bees

To see bees in your dream symbolize wealth, good luck, harmony, creativity and bliss. ♦ Bees are also symbolic of hard work and industry as represented by the common phrase "busy as a bee." ♦ Your hard work will pay off in the end with sweet results. Alternatively, the dream represents the things that are happening in your life or something that is buzzing with activity. Is there a lot going on in your life?

Statue

To see people you know as statues in your dream symbolize a lack of communication with that person You feel that the relationship is inflexible, unyielding or going nowhere. Alternatively, it may represent someone you idealize and admire.

You are putting someone on a pedestal. Perhaps the dream is analogous to their statuesque and nice figure.

To dream that you are a statue signifies that your true self is out of touch with reality.

Gold

The golden color reflects a spiritual reward, richness, refinement and enhancement of your surroundings. ♦ It also signifies your determination and unyielding nature.

Since last many day I saw a dream.

I have got many **golden bees**. A man whom I know (who is my relative & enemy) is behind those golden bees. I am trying to level best to hide it here & there. I also saw **costly museum statues**. I also saw that man was very close to the golden bees.

I don't remember the whole dream but when my dream broke that man was very close to the golden bees & I have forgotten where I have hidden those bees, but any one of the two i.e. inside a house wall or inside a large parcel that are used to carry the costly museum statues. In my dreams I

realised that those statues are sold to the foreigners.

After I wake up I seek forgiveness from Allah for the removal of problems of the dreams.

It is usual practice that on almost after waking up from every dream I seek forgiveness from Allah for the removal of problems of the dreams.

Signs and Wonders of Allah

Signs of Allah in Solar System:

The earth rotates on its axis at one thousand miles an hour; if it turned at one hundred miles an hour, our days and nights would be ten times as long as now, and the hot sun would then burn up our vegetation during each long day, while in the long night any surviving sprout would freeze.

Again, the sun, source of our life, has a surface temperature of 12,000 degrees Fahrenheit, and our earth is, just far enough away so that this 'eternal fire" warms us just enough and not too much! If the sun gave off only one-half its present radiation, we would freeze, and if it gave half as much more, we would roast.

The slant of the earth, tilted at an angle of 23 degrees, gives us our seasons; if it had not been so tilted, vapours from the ocean would move north and south, piling up for us continents of ice. If our moon was, say, only 50 thousand miles away instead of its actual distance, our tides would be so enormous that twice a day all continents would be submerged; even the mountains would soon be eroded away.

If the crust of the earth had been only ten feet thicker, there would be no oxygen without which animal life must die. Had the ocean been a few feet deeper, carbon dioxide and oxygen would have been absorbed and no vegetable life could exist. Or if our atmosphere had been thinner, some of the meteors, now burned in space by the million every day would be striking all parts of the earth, starting fires everywhere.

Because of these, and host of other examples, there is not one chance in millions that life on our planet is an accident.
