## ALQURANIC Mail [The Ultimate Guide ALQURAN]

Assalam-u-Alaikum Wa Rahmatullahi Wa Barakatuhu,  
Forward this message to as many people you can.

### [3. Surah Al-e-Imran : Ayah 104]

﴿وَلْتَكُنْ مِنْكُمْ أُمَّةٌ يَدْعُونَ إِلَى الْخَيْرِ وَيَأْمُرُونَ بِالْمَعْرُوفِ وَيَنْهَوْنَ عَنِ الْمُنْكَرِ  
وَأُولَٰئِكَ هُمُ الْمُفْلِحُونَ﴾

And from among you there should be a party who invite to good and enjoin what is right and forbid the wrong, and these it is that shall be successful.

اور تم میں ایک جماعت ایسی ہونی چاہیے جو لوگوں کو نیکی کی طرف بلائے اور اچھے کام کرنے کا حکم دے اور برے کاموں سے منع کرے۔ یہی لوگ ہیں جو کامیاب ہیں۔

## دعا

﴿رَبَّنَا إِنَّا سَمِعْنَا مُنَادِيًا يُنَادِي لِلْإِيمَانِ أَنْ آمِنُوا بِرَبِّكُمْ فَآمَنَّا ۗ وَإِنَّا لَنَدْعُو رَبَّنَا فَاعْفُرْ لَنَا ذُنُوبَنَا وَكَفِّرْ عَنَّا سَيِّئَاتِنَا وَتَوَفَّنَا مَعَ الْأَبْرَارِ﴾

Our Lord! surely we have heard a preacher calling to the faith, saying: Believe in your Lord, so we did believe; Our Lord! forgive us therefore our faults, and cover our evil deeds and make us die with the righteous.

اے پروردگار! ہم نے ایک پکارنے والے کو سنا کہ ایمان کے لئے پکار رہا تھا کہ اپنے پروردگار پر ایمان لاؤ تو ہم ایمان لے آئے۔ سوائے پروردگار ہمارے گناہ معاف فرما اور ہماری برائیوں کو ہم سے دور کر دے اور ہم کو دنیا سے نیک بندوں کے ساتھ اٹھائیو۔

Salaams Dr Umar

This has been perturbing me as I am trying to understand why the meanings contradict.

Maybe if I explain a bit more, you can help me understand clearly.

I come from a very close family and the proposal means I will move away from my home town, but not in another country.

Could the teeth falling out symbolise my parents' and siblings longing for me as I will not see them too often if I marry this man? Or is it something else like illness or death?

Does the baby girl symbolise marital happiness with this man even though I will be far from home?

## dream interpretation

- MR R.R.

- 

- 1 Aug 2012

To

- me

Salam Alaykum! Will you please interpret my dream for me? Do you use only ibn-sirin's book for dream interpretation...I ask because some people question its authenticity...you must have used it more than me so I am asking whether it is reliable or not? Also, Happy Ramadan, sir!

Here is the dream:

-----  
-----

I was in high school again. I was joking and teasing my friends lovingly. Then the principal(I know her in reality and she has died in reality) came to me and she saw my work. She didn't like it that much and was shaking her head at me. Then she asked me when I wanted the mock exams before the final O'Level exams to be held(she was asking me specifically because I had the best grades in class in the dream and in reality) and I said as early as possible because if you can't get good grades in the mocks you can't get good grades in the finals as well. My friends protested so I said to the principal you can ask them and then decide.

A new teacher was smiling and teaching. He didn't know much and was repeating things I already knew. He was an unknown white man or a Pathan. So I got bored/impatient and thought why am I repeating high school when in reality I have got 8As ( I really got 8 As in my real life and I was alluding to that in the dream- I suddenly remembered). Then I told my friend named Hafsa (thats her name in reality so delete this if you want to publish this on any of your websites, please) the "reality of the world"(antichrist, how the world will end, how we are being tested, gog magog etc) and told her not to tell the other classmates because they will be worried for no reason. Then a white man came and he was injecting my friend to make her forget what I had told her and was asking me to assist him. I was scared and ran.

The scene changed...there was darkness around me and I thought: even if I end up in a mental institution I will have people who are like me around me (I have a huge fear of insanity in real life).

The scene changed again and I was climbing a building. An african-american man attacked me from a lower level in the building with a sword but I fought him. I proceeded at a higher level where a pretty young woman(who knew the reality of the world) was in chains and was being tortured by evil people. And I thought this is what happens: the ones who know the reality of the world are in chains and the others are torturing them. The pretty lady was wearing a dark green/blackish ball gown.

Then the scene changed yet again and I was in a room which was a bit messy. It had a bed in it and a mattress on the floor. I sat down on the mattress. It was as if my friends who had been in the room before with me were not in the room any more. I was alone and felt safe temporarily. Room was on one of the top stories of the building. The room had two windows adjacent at a 90 degrees angle, at a corner, and in one on the right side...I saw sky scrapers and night time. It looked like NY's Times Square but I knew it was paradise. It looked peaceful. Then in the left window was hell.

Suddenly, I knew Allah was showing me this scene and that I was privileged to see hell before the day of judgement. I was separated by the thick glass of the window and felt no heat and was safe from hell. There were stacks of roasted meat in hell. Next to that was a river of fire/lava. Whole scene was orange. Orange mountains. It was day time...but all was a fire-like orange...then a natural fountain of lava shot into the air, from the river...I had a horrible sinking feeling and thought I will have to avoid ending up in hell. The dream ended, however, before I could gaze at paradise properly.

I am sorry if I am taking too much of your time. Also, is it better to interpret dreams yourself with ibn sirin's book or to ask a skilled dream expert?

Dear Friend!

**Assalam o Alikum**

I hope this e-mail will find you in the best of health.

I want to convey you the message of BASERA.

**BASERA is a residential programme** to make the lives of deprived, orphans, working & needy children better by providing them shelter, education, health facilities, and food.

As you are aware that in this age of poverty, millions of children are unable to attempt their education due to financial constraints. These poor children have no option other than to start collecting the garbage or working at different awkward places in order to feed themselves and other family members. It is a known fact that to attain a stable & peaceful society the youngsters have to play an important role, and if they are being kept away from their right of proper education the society will be harmed.

The causes of such issues must be handled in their initial stages to lead to a more successful society.

In current era approx 30 million children (in Pakistan Only) are still off-school due to poverty, their future is being destroyed, and the society is giving them no attention. If we will ignore these children today the anti people will give weapons in their hands tomorrow. For this noble cause **Basera Trust** took the initiative to make the lives of these orphans, deprived & needy children, by providing them with shelter, education, health facilities, and food .

I hope you would definitely like to play your role for this great service to the society. Your joining us in this mission with your precious time, ideas and financial support will help Basera Trust in many ways leading to giving more and more children lives and hopes.

Before helping us, you are requested to kindly visit Basera Shelter Home to see how well these children are being managed. You can also visit our website [www.baseratrust.org](http://www.baseratrust.org), or can email us at: [baseratrust@gmail.com](mailto:baseratrust@gmail.com) or can call us at:0092-345-9743349.

It is a sacred mission I hope you will take keen interest in this critical issue of our society.

We are looking forward to hearing from you soon.

I have relied many times on my dreams as a guide especially after Istekhara.

I am not sure whether to accept this proposal or not?

May I request your mobile number so that we can discuss in further detail?

I am from Africa.

Salaams Dr Umar

This has been perturbing me as I am trying to understand why the meanings contradict.

Maybe if I explain a bit more, you can help me understand clearly.

I come from a very close family and the proposal means I will move away from my home town, but not in another country.

Could the teeth falling out symbolise my parents' and siblings longing for me as I will not see them too often if I marry this man? Or is it something else like illness or death?

Does the baby girl symbolise marital happiness with this man even though I will be far from home?

I hope Ramadaan is going well.

I have been having recurring dreams of a tooth falling out.

The previous times, it was an upper tooth that fell into my hands and this time around, it was a lower tooth.

In the last dream, I remember feeling another tooth in place of the lower one, which had fallen out.

In the dreams, I either end up rinsing my mouth and wondering whether it is a baby or permanent tooth or thinking to myself that I need to see a dentist.

What does this mean?

Salaams Dr Umar Azam

The major change is that I am getting married in December this year and I will be moving to a new place.

My mother and her sister have never had good relations, despite my mother's continuous efforts to be cordial with my aunt.

As soon as the news of my marriage reached my aunt, a huge fight took place between my mum and aunt for various other reasons.

My aunt has said she will not attend the wedding and that saddens me.

The timing of this was just after my parents accepted the proposal.

So family relations are tense at present.

So the different teeth in my dreams represent different family members such as parents, brothers and sisters etc and the fact that my relationships with them will change once I am married.

I was a little worried because the dreams were frequent. Is it evident that by me uprooting , it will be a cause of misery?
