Salamun Aleykum,

I'm a Software Engineer/Entrepreneur and momentally bussy with setting up a business to solve the HALAL/HARAM FOODS for Muslims over the world.

I believe that muslims have to right to eat HALAL, actually they must eat HALAL but from the point of Not Muslim P of FOODS I would say if muslims are paying for a FOOD they want to eat then they have the right to say Okay I will p this FOOD but then I want to be sure it is HALAL.

But the case is : We know all that we don't know if a FOOD what we are consuming is HALAL or NOT, and because v no choise, we are buying this products and expecting it is hopefully HALAL.

Sometimes we are trying to read the ingredients of food products but we don't understand the descriptions.

To solve this problem, I want to introduce a APP for IPHONEs and ANDROID mobiles. I Expect within 3 monts the A be on the market. I,m working on a solution which will work in almost all cases!!

I know I can only be successfull if ALLAH (cc) wants it and if I will get support from Muslim Brothers and sisters. If v come together to solve this, then I hope ALLAH (cc) will help us to solve this issue.

But if we will ask our self "Why he is doing this and why I'm not doing it", and we are trying to come with our own sol then the not muslim producer will say you are to weak: why sould I take you in account I'm big and I have the money : you?, what do you have?

So please let us help each other and solve this issue. If we are the (muslim)consumer (almost 2 billion over the world) t producers of FOODS need to take this in account.

I believe I have a solution for this problem and want your support, let solve this issue together.

Essalamu alaykum ve rahmatullah.

As salamu Alaykum DR UMAR AZAM,

Hey, I know you probably won't be able to attend, but just wanted to inform you about what I'm doing this weekend In sha Allah.

I'm heading off to London, England, to teach a new personal development seminar on "how to make life's most strategic decisions". Here are the details..

~~~~~

What:

RED PILL ~ How to Solve Life's Most Difficult Decisions

A DiscoverU professional training seminar, taught by Muhammad Alshareef

Where ~ LIVE in London, England

When ~ Sat/Sun January 19-20, 2013; 10am-7pm

Register:

[www.RedPillLeadership.com](http://www.RedPillLeadership.com)

~~~~~

The reason I chose to teach this topic is because for the last 7+ years, I've developed (and suffered through) 100's of decision making techniques that have brought me to where I am and what I've accomplished by Allah's permission.

So before someone asks me, "ShMuhammad, can you give me some advice on (career, family, Muslim business etc.).."

I say: let me train you EXACTLY how to make these MAJOR decisions.

Now, and for the rest of your life.

In sha Allah

There's only two more days to register because class starts this weekend.

## {video} What MEN Need to Know about WOMEN

- Yasir Qadhi

To

Asalaam Alaikum DR UMAR AZAM

Alhamdulillah the first LikeAGarment Video ("What WOMEN need to know about MEN") went viral. And our LAG Finale e-book was downloaded thousands of times within just a few days. All of this shows the need for our brothers and sisters to be educated, in a halal and professional manner, about a topic that affects each and every one of us.

I'm happy to announce that we have just released LAG Video 2, which is complementary to our previous topic, and is entitled: "What Men Need to understand about Women".

You can find it here:

>>> [www.LikeAGarment.com](http://www.LikeAGarment.com)

In this lecture, I answer questions such as: How do men think? What should a Man do if an argument arises? What should a Man not do?

Why is giving women reassurance of love important? How is a Women's thought process different? Does simply providing for the wife count as loving her? Why is companionship essential?

Many brothers simply do not understand the need that women have: to feel loved and appreciated. The biggest problem here is that most of us men take a woman's love for granted.

Question for men is: are you showing it? If yes then, HOW? When she is emotional don't just walk away, rather listen to her. She wants to handle her feelings in your company. She wants to connect with you. Do yourself a favour and listen to this lecture to better your relationship with your spouse.

As salaam wa Alaikum wa rahmatullahi wa barakatu. I recently had a dream which woke me up at 3 in the morning,I felt very restless.I am seeing myself with in a bus like with people around me and I'm sitting next to a man who is crying,and I am pacifying him,I see a whole lot of men standing in the aisle like they got picked for a team to play a sport and the man next to me was not selected. I then see myself holding a baby boy wearing white, I wake up and take the baby with me I go to sit on a bed and it feels like its in an open grass area and I lay him on the bed. When I look up I see a man who I know,we have not been in contact for a while. This man comes to me and touches me inappropriately. I am troubled by this. I am afraid I am committing a grave sin. Please advise. I am very worried. I am married and my marriage isn't very stable my husband is involved in a court case and there is a lot of stress and problems.I have bad thoughts also.I have a 4yr old son.Please HeLP me !!

**Assalamu alaikum Dr umar**

my name is Mohammed Adam and I wanted to know if you could help me understand one dream that I had just before fajr prayer. the dream is me starring into a mirror for a long time and I'm applying oil to the top of my head. I applied a lot on to my head till oil is dripping off my head. my face has no emotion and I'm neutral just starring into my reflection on the mirror. the mirror is a meter and a half long. what do you think it could possibly mean.

I heard if one goes to a dream interpreter and gets an interpretation then it would come true. is this information correct or just rumors.

many thanks

Hello. My name is Karmel, currently living in Palestine. I have heard that you help people interpret their dreams and have been suggested you.

There are two dreams.. first dream is of my granddad (who has passed away 2 years ago) he was smiling and looked younger than he usually did and looked bright.. he was smiling and tried to tell me something but I forgot what he told me or I didnt hear. Im not sure.

My second dream is.. before I tell u im not married I am only 17 years old. My second dream was of me holding my hair and cutting it. Then I think a hairdresser saw it and told me it isnt professionally cut let me sort it out for you.. so I let her cut my hair for me.. I looked in the mirror and I showed no emotion. Then I began to like my hair shorter. She suggested to dye it black for me and said it would look nicer so I let her dye it black for me and I really liked it.

Sorry if I've taken much of your time but I would really appreciate it if u interpret them for me. Thankyou so much for your time :)

**SALAM, KARMEL**

I'M GLAD A KITTEN IS EMAILING ME. YOU'RE ONLY 17 AND I'M GOING TO BE 52 NEXT MONTH, SO YOU ARE LIKE A KITTEN TO ME! I HAVE BEEN TEACHING FOR MANY YEARS AND TAUGHT LOTS OF KITTENS IN THAT TIME! I HAVE EMAILED YOU PLENTY OF VALUABLE ISLAMIC RESOURCES, INCLUDING THE ENTIRE HOLY QURAN, VIA A SEPARATE EMAIL ADDRESS OF MINE. PLEASE USE THEM AS MUCH AS YOU CAN AND GET YOUR FRIENDS, NEIGHBOURS, RELATIVES ETC. TO REQUEST THESE RESOURCES FROM ME.

YOUR FIRST DREAM ABOUT YOUR DECEASED GRANDDAD [MAY ALLAH BLESS HIM]LOOKING YOUNGER AND BRIGHT AND SMILING AT YOU SUGGESTS THAT HE WAS A GOOD MAN WHILE ALIVE ON THIS EARTH AND IS THEREFORE IN A FAVOURABLE SITUATION IN AL-BARZAKH. INSHA'ALLAH SOMETHING GOOD WILL HAPPEN IN YOUR LIFE BECAUSE HE WAS GOING TO GIVE YOU WHAT APPEARED TO BE GOOD NEWS.

YOUR SECOND DREAM ABOUT GETTING YOUR HAIR CUT SHORT AND GETTING IT DYED BLACK AND LIKING IT SUGGESTS THAT YOU ARE TRYING TO CHANGE YOUR LIFE IN SOME WAY, TO MAKE YOUR LIFE BETTER. YOU HAVE, INSHALLAH, A GREAT FUTUREIN FRONT OF YOU. MAY ALLAH BLESS YOU AND GIVE YOU THE BEST IN BOTH THE WORLDS. AMEEN.

## **Hair**

To see hair in your dream signifies sexual virility, seduction, sensuality, vanity, and

health. It is indicative of your attitudes. If your hair is knotted or tangled, then it is symbolic of uncertainty and confusion in your life. You may be unable to think straight. If you dream that you make a drastic change to your hairstyle, then it means that you are making a drastic, new approach to some issue in your waking life. If the wind is blowing through your hair, then it signifies freedom to express uninhibited feelings. You are "letting your hair down".

To dream that you are cutting your hair suggests that you are experiencing a loss in strength. You may feel that someone is trying to censor you. Alternatively, you may be reshaping your thinking or ambitions and eliminating unwanted thoughts/habits. To dream that you are combing or styling your hair suggests that you are taking on and evaluating a new idea, concept, outlook, or way of thinking. You may be putting your thoughts in order and getting your facts straight. A more literal interpretation suggests your concerns about your self-image and appearance.

To dream that there are endless amount of bugs coming out of your hair suggests that something is weighing on your mind that you are confused about. Perhaps you are making a big deal out of a minor matter. Alternatively, the dream refers to concerns over your public image.

To dream that someone is smelling your hair indicates sexual curiosity and your need for some sensual stimulation. You have a lot to learn about a relationship. The way yours or someone else's hair smell may remind your of a particular person. If you are reaching for someone else's hair, then it suggests that you are trying to connect with that person on a spiritual or intellectual level. It also refers to sympathy, protectiveness, and fraternal love.

<http://dreammoods.com/cgi-bin/dreamdictionarysearch.pl?method=exact&header=dreamsymbol&search=HAIR>

To dream that you are dyeing your hair indicates that you are trying to project a new persona. If you are dyeing your hair to a darker color, then it suggests that you want to be more serious. If you are dyeing your hair to a lighter color, then you are looking to be more livelier.

Thankyou.. I believe my parents split up because of withcraft. I know this because she went to many sheikhs and they told her but she wouldnt believe them and thought it was nonsense. One sheikh told her that the spell was something she had to drink and that it was made in Palestine. What do you think I should do?

SALAM, KARMEI

YOUR DREAMS OF HORRIBLE JIN EXPERIENCE COULD BE THE EFFECTS OF WITCHCRAFT OR A NIGHTMARE RESULTING FROM SEVERE STRESS.

MY ADVICE TO YOU IS TO THROW THE BEWITCHED RING IN THE GARBAGE HEAP.

ALTHOUGH I AM SYMPATHETIC TO YOUR PROBLEMS, MARRIED COUPLES THE WORLD OVER SPLIT UP AND GET DIVORCED EVEN WHEN NO WITCHCRAFT IS INVOLVED, SO IF YOUR PARENTS WERE DESTINED TO SEPARATE, IT HAPPENED.

YOU NEED TO STAY POSITIVE. IN THE HOLY QURAN, ALLAH HAS SAID THAT: 'NEVER DOES ALLAH PLACE ON A SOUL A BURDEN GREATER THAN IT CAN BEAR.' SO YOU CAN FIGHT BACK AGAINST THE PROBLEMS!

YOU ARE STILL YOUNG. YOU NEED TO FORGE AHEAD WITH YOUR OWN LIFE: STUDY, GET MARRIED, GET A JOB, WHATEVER. IF YOU ARE AMBITIOUS, YOUR LIFE WILL GET BETTER, INSHA'ALLAH.

I HOPE YOU WILL FIND MY PRACTICAL ISLAMIC ADVICE ON MY SITE: [WWW.DR-UMAR-AZAM.COM](http://WWW.DR-UMAR-AZAM.COM) USEFUL AND INSPIRING. IT WAS WRITTEN A LONG TIME AGO BUT IT IS NOT OUT OF DATE [BECAUSE IT IS NOT NEWS] AND IT IS PROVING USEFUL TO READERS EVEN TODAY!

MAY ALLAH BLESS YOU AND GIVE YOU THE BEST IN BOTH THE WORLDS! AMEEN.

## **Wedding**

**To see or attend a wedding in your dream symbolizes a new beginning or transition in your current life.** ♦ A wedding reflects your issues about commitment and independence. ♦ Alternatively, your wedding dream refers to feelings of bitterness, sorrow, or death. Such dreams are often negative and highlight some anxiety or fear. If you dream that the wedding goes wrong or ends in disaster, then it suggests that you need to address some negativity immediately. If you are getting married and have dreams of your pending wedding, then it highlights the stress of organizing a wedding. Conflicts over wedding details, tension with family and in-laws, fear of commitment, and loss of independence may all cause wedding anxiety dreams. Research has shown that up to 40% of brides and grooms have dreams about their ceremony and things going perfectly.

If you dream that you are attending a wedding, consider how you feel at the wedding. If you are upset or sad, then it means that you are unhappy about the current status of your life. If you are happy, then you are embracing a new change in your life.

To dream that you are getting married to your current spouse again represents your wedded bliss and happiness. It highlights your strong commitment to each other. It may also signify a new phase (such as parenthood, new home, etc) that you are entering in your life. ♦

To dream that you are planning a wedding to someone you never met is a metaphor symbolizing the union of your masculine and feminine side. It represents a transitional phase where you are seeking some sort of balance between your aggressive side and emotional side. The dream may also indicate that two previously conflicting aspects are merging together as one. \* See The Meaning In Action: "Black Wedding"

## Evening Gown

To see or wear an evening gown in your dream represents enjoyment, social pleasures, grace and culture. It also represents the image that you are projecting to others. Consider the color and design of the gown for additional significance. If the gown is very fancy or ornate, then it signifies an elaborate and luxurious lifestyle. If the gown is plain or simple, then it suggests a simplified lifestyle. Alternatively, to dream you are wearing an evening gown indicates that you are looking for happiness. ♦

## Dream interpretation

Al salamu aleikum wa rahmatullah wa barakathu Dr.

I have just had a dream whic has made me uncertain about its purpose and meaning. Therefore I hope you can interprete it for me.

I was walking towards a black shining expensive and almost new-like car while searching for my keys in my purse. (I don't have a car in reality) When suddenly a man appears and offers me help to open my car with a device he has. I say no its okay and find my keys while i notice his eyes. They are as blue as they can be and they are almost shining while his eyebrows are beautifully shaped. He looks at me and smiles while I get this weird feeling (of not trusting him, as I in reality don't trust people at first). Then he says that I should follow him while I am thinking that the device he uses is the same as those in the mail-dilevery service. He then opens a door in a big warehouse like building and then I see a huge room with a lot of cardboard boxes. I see a couple of people i have worked with before in their working attire and then I see the blue eyed man going into the next room and starts working himself. He keeps smiling at be and I just stand there looking at him. I then get a different feeling about him, I begin to trust him and then I can feel that I start having feelings towards him, that I begin to love him. I can feel that he is talking to me because he wants a relationship with me, though he does not say it out loud.

I dont know if it means anything, but I want to get married in reality. I havent had a dream like this before and I am therefore not sure that these matters has any relation to eachother.

May Allah reward you for you help in shaa Allah
