Dear Brother in Islam Dr. Umar Azam,

Assalamoualaikum warahmatullah wa barakaatuh

Thanks for your heart-warming thanks but really I've been honest throughout and pray that Incha-Allah you do write about this subject. Indeed in Surah Ash-Shura, Allah clearly states that He talks to whomever He wants through a veil or through an angel... (and in other verses also)

Thanks for the copy of the Quran. I've got it.

I hope that you got an enriching Ramadhan and wish you a very happy EID-UL-FITR MUBARAK...

What iam trying to imply here is that, could there be any more suggestions you could profer to, besides, what you told me in your last letter to me had realy helped me alot.

Dear Doctor Umar

I have a serious talk with you and am asking you to consider this case with the big attention. I am from Kazakhstan and the Kazakhs are considered to be Muslims but only few follow Sharyah. Now we face the hardships we are not able to overcome without Allah's help and world community. We say we are Muslims but even nowadays we do not possess right Tafsir in Kazakh of holy Qu'ran and Hadiths. We have a lack of materials, good books CDs DVDs and others. then Kazakh Muslims do not have connection with world Muslim community.

Please For Allah's Sake help us to solve problems I am asking you
Our government does not pay attention to us so do the rich people

Dear may Allah be satisfied with you (radiAllahu) and let me express my gratefulness to you. Also let me have a serious talk with you. We, the Kazakh Muslims face now the hardships we are not capable to overcome without Allah's help. In Kazakhstan the Kazakhs are considered to be Muslims but few per cent of them pray bfive times a day. Moreover the most horrible thing is those Kazakhs who pray are Wahhabists (astagfirullah) and those who do not are Muslims. We do not have contaqct with world Muslim community as well, also our own web islamic site even good tafsir in Kazakh. The government does not wish to pay attention to us as they think developing Islam will create good conditions for extremism and the major adults do not accept for their Soviet atheistic prejudice. But now it is time to change all this. But we need help. We need to corporate with world Muslims.

Please contact with me to discuss these matters further
