To

Dear Dr. Umar,

Assalamualikum,

I had a dream two days ago. In my dream my grandmother (who passed away last november) was lieing down on the bed. I went and told her " nany jan I have booked your tickets for pakistan" and then she said " you are lieing go call someone else" and then I went and called my mother, she said to my grandmother that she had booked the tickets. Then my mamu(who my grandmother was living with) came and said " ami I have booked your tickets" then she was satisfied. After all this when noone was watching she took something out that looked like her glassess case and gave it to me and said " sana, this is just yours, its all the money I have, its only yours" I opened to see it and she scolded me and said " close it and hide it, its only yours"

I am very confused please tell me what this means.

I had a second dream last night, that really scared me. I was sitting with my grandmother and was wearing a ruby ring that my mom had given me on one hand and a saphire ring on the other hand. I took the saphire ring and gave it to my grandmother and she put it on but didn't like it.. she then took it off and said " give me your ruby ring it will fit me better" she took it from me and wore it on her finger with her other rings. Please tell me what this means.

Fee aman and thankyou.

Sana :)

Hi Umar

In what name are they being paid? they are not being paid as Dr Umar Azam  
I think they are being paid to someone else perhaps they are being paid to your old hosting company  
they are defiantly not being paid to me if you find out the account number they are being paid to I can  
tell you if it's me.

This needs to be sorted out I would not like to have to shut down the sites over a mistake at the bank.

Regards

Frank

4 weeks at £20 then one at £11 is ok

Do you want me to close the parent tutor now or are you going to advertise it?

**Frank,**

I've contacted my bank and, apparently, the problem was on your side; the account number has been changed. Your new a/c number and sort code that you supplied to me on the phone has now been noted by my bank, so hopefully there won't be any further problems. My bank told me that 5 payments for [www.parent-tutor.com](http://www.parent-tutor.com) and two payments for [www.dr-umar-azam.com](http://www.dr-umar-azam.com) have not been made to you;  $7 \times \text{£}12.95 = \text{£}90.65$ . I'm now burdened by a bulk payment. I intend to pay 4 weeks at £20 each and £11 in the fifth week to you. Is that OK?

Also, if [www.parent-tutor.com](http://www.parent-tutor.com) remains a liability [I've not earned a penny from it yet], then I shall have to ask you to close it down.

**Dr Azam**

Asssalam o Alikum

i have seen a dream last night that i am in a holly Party ( Naat khuwaani) and there are many good noble Muslims. suddenly they asked me to perform "Slaat o Salaam", i was not Eligible because of dirtiness (na-pak) so i cant say salat o salaam but the old people insisted so much that i think i could not refuse them and i started with out Ghusal ( i think i remember that i started) please interpret this dream according to shariaa.

i am 24 years old male Sunnih and i like to listen the salat or salam very much and i m not married

Kind Regards,

Syed Waqar Zadi
