Salaam Dr Umar

As discussed the following amendments have been made to the .com site.

- The Parables of the Holy Quran in the left navigation has been changed to lower case
- As still awaiting the award logo from yourself to place in the "Laudations" page
- An additional link has been added in the left navigation to point to the proposed .co.uk website
- The guest book link has been amended to point to the green form, I was not able to point this form to your gmail account as I don't have access to the form. When you initially signed up with the guest book service you would have been allocated a username and password where you can log in and administer the email where the results of the form should be sent to

I will post out the two receipts tomorrow (one for the hosting and the other for the deposit plus amendments made) as well as the CD. Can you please sign the invoices and send them back to me please, if you wish you can photocopy and keep a copy for your records.

Inshallah speak soon.

Subject: Survey Form for PRACTICAL ISLAMIC ADVICE

Salam, Imran

Thanks for telling me that the Survey Form for PRACTICAL ISLAMIC ADVICE doesn't work because of some strange programming by a former company. As I asked you on the phone, please replace the form with a similar one of your own which will work!

Also, if you click on page 41 of the PRACTICAL ISLAMIC ADVICE link, at the very bottom will be a link called 'Next' which leads to the current Survey Form! This is a rather obscure link, again created by a former company! Please add hyper-link in the main page numbers, to go after Page 41, that states 'Survey Form' and which will link to the new Survey Form that you put on - the comments to reach my dr.umarazam@gmail.com address.

Will you get rid of the writing [my Signature, Yahoo notices] at the bottom of the ART SPACE AWARD which you put on in the 'laudations' link.

Please replace the 'Contact' page with this new page as follows [new details included e.g. .co.uk site]:

dr_umar_azam@yahoo.co.uk

dr.umarazam@gmail.com

Via Guest Books on:

www.dr-umar-azam.com

www.dr-umar-azam.co.uk

Because these changes were not discussed previously, except the 'Survey Form', so I propose to add a further £10 to your payment, making a deposit of £100, plus £20 [not £10] for the amendments.

Dr Umar

My apologies for not replying with my opinions. Have read them and found them to be true. Have even asked my frens in Nestle Malaysia about some of the ingredients. i used to work in the Quality Assurance/Control Department in one of Nestle's factories. Interesting how much effort you put in to find out these facts. Syabas!! We need more dedicated Muslims like you. I have to learn to be at least 10% like you.

Thank you once again.

I was quite pleased with you listing of halaal ingredients, however, I live in the US so many of the items I have never heard of. Also, because you are asking my honest input, I would like to graciously tell you it could be more organized. It was hard to read with all the different fonts and colors. I really appreciated your efforts of sending me the list. Jazakum Allah Khair.

I had got Halal Ingredients Report by that date and even saved it on hard disk for studying. That is 'A MUST' for me and for all those muslims in India and outside, who are unknowingly consuming such products.

I am really really thankful to you for your concern and remind me for the matter.

Hope to get more such things from your side which will be helpful, in future also.

Dear Dr.Umar, Assalamu Alaikum,

Dear Dr. Umar, Assalamu Alaikum,

Yesterday, I forwarded your **RESEARCH PAPER 'PARABLES IN THE Quran** to some of erudite Sri Lankan Muslim scholars and humbly requested them to go through and send their comments directly to you. Hope they will accede to my call in true Islamic spirit and zeal.

On my part, I meticulously went through your contents and indeed, MashaAllah, you have single-handedly done a painstaking research and your comments are praiseworthy, concise and clarity.

However, having said the above, it seems that, you have completed **38 headings** and covered up to **68 Surah** in the Quran. In other words, out of **114 chapters** in the Quran, you need another **46 chapters** to fully complete most of the major parables, which mentioned in the Quran.I would prefer, if you can complete **50 headings** by narrating your comments, it will be more fruitful in your endeavour.

In sum, you need another **12 headings (to make it 50)** and you can choose and select the remaining balance of **46 chapters** in the QURAN. Hope you got the point. Then, you will be covering the entire QURAN. I know, it is not that easy to do, but since, you have taken the effort, it is worthwhile and may Almighty Allah bestow patience, perseverance and energize to achieve your noble task. Alhamdulillah.

If you need any assistance, please feel free to contact me anytime. I am at your disposal, anytime.
Salaam. Muzammil Majeed

Dr Umar bhai,

Grovelling apologies for the delay in getting back to you.

I found the information very easy to understand and it will be highly effective when used as a quick reference guide, especially with the popular lines of products that we consume in the UK. May Allah continue to shower you with the ability to share knowledge with us all.

I just wanted you to note the taweez that I have printed are blurred can you do anything for me? - and I wish to know what I need to write anything before wearing them - If you could please expand on the rules about this.

please remember me in your prayers

many thanks
jezakallah khayran
