WA LAIKUM SALAM, SHAZIA

A DOG IN A DREAM REPRESENTS AN ENEMY. SO IT SEEMS AS IF 2 PEOPLE WHO VISIT YOUR MUM HAVE AN ENMITY TOWARDS YOU.

A CAT IN A DREAM REPRESENTS A THIEF. IT SEEMS THAT SOMEONE IS AFTER YOUR MONEY, PROPERTY ETC. BUT IT DOESN'T SEEM AS IF THEY ARE CLOSE AS YOUR FAMILY MEMBERS DON'T SEEM TOO BOTHERED IN THE DREAM.

THESE ENEMIES AND WOULD-BE THIEVES COULD BE YOUR RELATIVES OR FAMILY FRIENDS BUT I DON'T KNOW ENOUGH ABOUT YOUR CIRCUMSTANCES TO BE ABLE TO SAY MORE. BOTH THE ABOVE INTERPRETATIONS ARE FROM IBN SIREEN'S [R.A.] 'DREAMS AND INTERPRETATIONS'.

Salaam Dr Umar Azam,

I wanted to ask you another question as I always see this dream, at fajar time, I wanted to ask you the meaning please. Thank you for your help.

The dream is of a black cat and I'm round my mums house again.... and this black cat is after me for some reason and I try to run away from it but It just won't leave me alone and it seem's like the cat wants to attack me.

My family members see me trying to run away from it and I ask them for help but they just laugh at me, watching me running into different room's closing doors trying to escape but the cat some how still manages to come into the rooms?

I have had a similar dream to this dream last year. In my mums garden there are black cats and Im in doors. The cats see me and they try to jump at me trying to attack me but they cant as they are outside and I am inside the house?

Where is my father ?

THE RUH OF PEOPLE WHO ARE REALLY CLOSE TO ALLAH [SHAHEED etc.] CAN LIVE IN THE THROATS OF THE BIRDS OF PARADISE. OTHERWISE, THEY CAN TRAVEL ABOUT IN THE UNIVERSE BUT THEY ARE IN THEIR GRAVES AT DAWN AND SUNSET, A TIME WHEN THEY CAN SEE THEIR DESTINATION OF JANNAT, INSHA'ALLAH [JAHANNAM FOR KAFIR].

If He had cancer and was sick and therer was know cure does that make him a shaheed?

NOT REALLY. TO BE SHAHEED, A PERSON MUST HAVE DIED IN THE WAY OF ALLAH MOST HIGH [IN A WAR AGAINST KAFIRS, FOR EXAMPLE] OR HAVE BEEN KILLED FOR BEING MUSLIM. OF COURSE, IF YOUR DAD MADE THE INTENTIAL [NIYA] TO BE SHAHEED, THEN ALLAH ALMIGHTY WILL, OUT OF

HIS MERCY, GIVE HIM THE REWARD FOR
ACTUALLY BEING SHAHEED.

Does he see us , does he miss us ,where is he.

IT IS WIDELY HELD THAT THOSE WHO HAVE
DEPARTED CAN SEE THE LIVING. HE CAN'T MISS
YOU BECAUSE THE TERM OF HIS LIFE EXPIRED, AS
ALLAH WILLED. BUT YOU MAY GET A MESSAGE
FROM YOUR FATHER IN A DREAM. IF THIS
HAPPENS, THE MESSAGE, COMMUNICATION ETC.
MUST BE TRUE, AS THERE IS NO FALSEHOOD IN
THE LIFE AFTER DEATH.

Did he know he was gonna pass away ? did Allah give him a
sign that this was his last days with us ... because baba fought so
hard and when past away that week he was so different it was
like he was a different person he was weak and rejected
everything . You knwo teh weird thing is that we were always in
teh room in the hospital with him and I was the last to leave the
room. when we all left the room his ruh went out .

HE MAY WELL HAVE KNOWN THAT IT WAS TIME
TO GO. BUT THOSE WHO DIE KNOW THAT
DEATH IS NATURAL, SO THEY AGREE TO IT IF
THEY TRULY BELIEVE. ALLAH IS MOST
MERCIFUL. WHATEVER HAPPENS, IT HAPPENS FOR

THE BEST, OR SOMETHING EVEN WORSE WOULD HAVE HAPPENED. [IMAM AL-GHAZZALI]. SO IF YOUR FATHER HAD LIVED MUCH LONGER, HE MAY HAVE HAD, FOR EXAMPLE, TO SUFFER MORE PAIN THAN HE COULD BEAR.

Even that day was different the whole quran was getting recited in my head and I don't know all the aya's by heart.

I know have many question to ask . One of my issues is that I don't really speak arabic alot so when everyone is trying to explain stuff its in arabic and i don't get the exact idea.

IT IS A FACT THAT THE LANGUAGE OF THE HEREAFTER IS ARABIC. A PERSON IN PAKISTAN WAS ABOUT TO DIE. DOCTORS ASKED HIM HOW HE WAS FEELING IN PUNJABI BUT HE DIDN'T UNDERSTAND HIS OWN LANGUAGE. THEN THEY ASKED HIM IN ARABIC & SUDDENLY HE WAS ABLE TO REPLY, EVEN THOUGH HE HAD NO KNOWLEDGE OF ARABIC!

I DO HOPE MY ANSWERS WILL BE A SOURCE OF COMFORT TO YOU, NISREEN. DON'T FORGET - DEATH IS ONLY NATURAL. WE ALL HAVE TO GO SOMETIMES AND THE REAL WORLD IS THE ETERNAL WORLD.

[Aqeedatus-Salaf] Interview with 82 yr old Grandmother who Memorized the Qur'an

To

- salafeemethod@yahoo.com

An Interview with Umm Saalih A Grandmother who Became Hafiz (Memorized the Entire Qur'an) at Eighty-Two Years Old

As Read by Dr. Saleh as Saleh

www.alihsaan.org

Al-Hamdulillaah (All-Praise is due to Allah), the One Who said (what means): "And in truth We have made the **Qur'an** easy to remember; but is there any that remembers?" **Surah 54: 32**

Many all over the world memorize the Qur'an, and it is not strange to see the youth memorizing the Noble Qur'an and an early age. *Al-Hamdulillaah*, the One who made the Qur'an easy for remembrance, had made it easy for **Umm Saalih age 82**. In an interview with Umm Saalih, she was asked the following questions:

Q1: "What was the reason that drove you to memorize the Qur'an after so many years?"

She said, "I always hoped to memorize the Qur'an from the time I was young. My father always used to invoke Allaah for me to become one of the memorizers of the Qur'an, like himself and like the elder brothers of my family who memorized it. So I memorized in the beginning about three parts and then after I completed the age of thirteen, I got married and became busy with the household and the children. After I had seven children, my husband died. They (the children) were all young so I took the time to raise them and educate them, and then after they grew up and got married, I had more time for myself. Therefore, the first thing I directed myself to focus upon was the Qur'an.

Q2: "Tell us about your journey with the Noble Qur'an."

She said, "My younger daughter was going to high school and she was the closest of my children to me and the most beloved, because she stayed with me after her older sisters got married and got busy with their lives, and because she was a quiet girl, upright, loving, and good. In addition, she was

¹This is the actual beautiful handwriting of the *basmallah* by our Shayekh Muhammad bin Saalih Al-Uthaimeen, *rahimahullaah*.

interested in learning the Noble Qur'an, and her teachers encouraged her. Furthermore, she was very enthusiastic and always told me of many women who

were driven by this great motivation to memorize the Qur'aan, and this is where I started."

Q3: "Tell me about your way of memorization. "

She said, "We assigned ten verses (meaning her and her daughter who was going to high school). So each day after Asr, we used to sit together. She reads and I repeat after her three times. Then she explains the meaning to me, and after a while, she repeats that three times. On the next morning, she repeats them to me before she goes to school. She recorded also the recitations of Ash Shaykh al Husary, Rahimuhullaah, repeating each verse three times and thus I continued to listen most of the time. Therefore, the next day we would go to the next ten verses if my memorization was good. Otherwise, we would postpone taking additional verses until the day after. Moreover, we assigned the day of Friday to review the memorizations of the entire week. And this was the journey from the beginning."

Then she said, "Over four years and a half, I memorized twelve juzâ€™™ according to the way I described to you. Then this young daughter got married. When her husband knew of our task concerning the memorization, he rented a house close to me, close to my house, so that he could allow the continuation of the memorization. In addition, he, May Allah reward him used to encourage us and sometimes sit with us listening, explaining and teaching. Then after three years of her marriage, my daughter got busy with the children and the household and our schedule was interrupted, but that did not make her give up. To the contrary, she sensed that my eagerness for the memorization was still established so she looked for a special good teacher to continue the journey under her supervision. So, I completed the memorization by the success of Allaah and my daughter is still working to finish the memorization of the Glorious Qurâ€™~aan. She has a little left, In Shaa Allaah Taâ€™~aala.

Q4: "This motivation of yours, did it have an effect on other women around you?"

She said, "It really had a good strong effect. My daughters and stepdaughters were all encouraged and worked on learning and teaching the Qur'an to their children and learning it themselves.

Q5: "After finishing the Noble Qur'an, don't you think about working on memorizing hadith?"

She said, "Now I have memorized ninety hadith and In Shaa Allaah I will continue the journey. I depend, in my memorization, upon the tapes and upon the Qur'n radio station. At the end of each week, my daughter comes and checks for me the memorization of three hadith, and I am trying now to memorize more.

Q6: "Over this period of memorization of the Qur'an, did your life change? Was it affected in one way or another?"

She said, "Yes, I went through a major change and I tried always, all praise is due to Allaah, to obey Allaah before I started the memorization. However, after I started the task of memorization, I began to feel a self-comfort, a great self-comfort and all worries began to move away from me. I even reached the stage of freeing myself from all these excessive worries concerning fearing for the children and their affairs, and my morale was boosted. I had a noble objective to work for and this is a great Ni'âmah (Favor) from Allaah ð upon me, since we know that some women, when they get old and they do not have a husband, and their children got married, may be destroyed by the empty time, thoughts, worries, and so forth. But, *Al Hamdulillaah*, I didn't go through this and I made myself busy with a great task and a great objective.

Q7: "Didn't you think at one point, to join one of the circles focusing on teaching the Noble Qur'an?"

The answer was, "Yes, some of the women suggested this to me, but I am a woman who got used to staying at home, and I don't like to go out everyday, and *Al Hamdulillaah*, my daughter sufficed me from all difficulty and I was so happy while I was learning from her. My daughter had set an example in goodness and righteousness which we rarely find in our days. She started this task and journey with me while she was an adolescent and this is a critical age many people complain of. She used to pressure herself so that she could have spare time to teach me, and she used to teach me with kindness and wisdom. Her husband was a good help to her and he exerted a lot of effort. I ask Allaah to give them success and to bring their children up on uprightness. "

Q8: "What do you say to a woman of your age who wishes to learn and memorize the Qur'an yet she is worried about it and feeling unable to?"

She said, "I say to her there shall be no despair with the firm, sincere and truthful determination. Begin with sincerity, firm determination and dependence on Allaah at each time. And remember that at this age you should have the time for yourself. However, do not use your time to only go out or to sleep and so forth. Rather, busy yourself with righteous work.

Q9: "Now what would you say to a woman who is still young? What would you advise her?"

She, may Allaah preserve her, said: "Preserve Allaah and He will preserve you. Make use of the favor of Allaah bestowed upon you from health and ways and means of comfort. Use that to memorize the Book of Allaah. This is the light which enlivens your heart, your life and your grave after you die. And if you have

a mother then exert the effort to teach her, and there is no better favor upon a mother than one of her righteous children aiding her to be close to Allaah."

Presented on the 1st of Muharram 1426, Feb 10th 2005.

And whoever contradicts and opposes the Messenger (Muhammad, Peace Be Upon Him) after the right path has been shown clearly to him, and follows other than the believers' (Ummah/Sahaba) ways. We shall keep him in the path he has chosen, and burn him in Hell - what an evil destination. (Surah An-Nisaa 4:115)

A man came to Imaam Maalik Ibn Anas (radiyallaahu 'anhu) and said: From where should I put on the ihraam? So he said: From the place where the Messenger of Allaah (Sallallaahu 'Alayhi Wa Sallam) stopped and put on ihraam. So the man said: So what if I put on ihraam from farther than that? So Maalik said: I do not advise that. So he said: What do you dislike about that? He said: I dislike the Fitnah upon you. He said: And what is the Fitnah in increasing the good?! So he said: Verily Allaah the Exalted says, "So let those who oppose his (Sallallaahu Alayhi Wa Sallam) command beware that a Fitnah may strike them, or a painful punishment." And which Fitnah is greater than you specifying an action with virtue which was not specified by the Messenger of Allaah (Sallallaahu 'Alayhi Wa Sallam)? Imaam al-Asbahaanee (d.535H) - raheemahullaah - said: "The sign of Ahlus-Sunnah is that they follow the Salafus-Saalih and abandon all that is innovated and newly introduced into the Deen." [Al-Hujjah fee Bayaanil Mahajjah 1/364]

Shaykh-ul-Islaam Ibn Taymeeyah raheemahullaah Said: ❖t is not for anyone to place for the ummah a person calling to his path showing loyalty or enmity because of that path other than The Messenger of Allaah (Sallallaahu ❖laihi Was-Sallam).

And it is not permissible to place for them speech, show loyalty or enmity because of it other than the speech of Allaah and His messenger (Sallallaahu ❖laihi Was-Sallam) and that which The Ummah has united upon.

Rather, this is what the people of innovation do who place for themselves a person or some speech and they divide with it the ummah, showing loyalty or enmity upon that person or that kalaam or that attribute. [Majmoo❖alF-Fataawa vol20/p124]

Message Forum Registration

Welcome to your new Message Forum Service!
Thank you for choosing Bravenet.com

Tips on using your service

By default and for your protection, new posts require image verification. You can disable image verification under 'General Settings' within your Forum manager.

You can allow your forum visitors to view your forum in a threaded view or board view. You can lock down which view you would like them to see under 'user selected templates' on your 'general settings' page.

When you click on edit messages in your forum manager you are taken to a special view of your forum posts. From here, you can delete messages from this main page or click on the thread link and scroll to the bottom of the new page for more options.

'Lock threads' under 'edit posts' prevents users from posting new replies to this thread. 'Sticky this thread' will cause the thread to always be shown at the top of your forum - great for important announcements.

*A personal note from the desk of:
Howard Ely, Managing Editor*

Dear Umar,

Not long ago, our Editors reviewed the thousands of submissions entered in our International Open Amateur Poetry Contest, and they awarded your poem the prestigious Editor's Choice Award. This is an honor awarded to only 12% of the submissions we receive. Now that the first round of the judging process is complete, your poem will enter the next level of judging, becoming eligible for the 2007 Annual Grand Prize of \$10,000 that will be awarded in February 2008. We wish you the best of luck with this next phase of the contest. Since we announced the names of the winners, many recipients have contacted me and requested a way to display their achievement; therefore, I put our artists and designers to work. We were able to create our most exquisite and distinguished wall plaque ever. [This year, we are offering this limited edition wall plaque commemorating your achievement as an Editor's Choice Award recipient.](#) Each certificate is numbered, signed, and mounted on a solid maple plaque. This beautiful display piece truly honors your accomplishment! As an Editor's Choice Award winner, we're sure you'll want to improve your craft and further your involvement in poetry. There's no better way to do that than by [joining the International Society of Poets \(ISP\)](#), the largest poetry organization in the world. As a member of the ISP, you'll receive a quarterly magazine filled with articles, contests, and lots of poetry. In addition, you will be part of an organization that promotes PEACE—Poetry, Education, Accomplishment, Charity, and Equality. Please join the thousands of members who have submitted poetry, including Archbishop Desmond Tutu, former U.S. President Bill Clinton, and the late "Man in Black," Johnny Cash.

[Go here for membership details.](#)

The plaque and membership are individually valued at \$135.00, but today you can order them together for \$75.00 (plus \$14.00 shipping & handling), which is a \$60.00 discount off the regular retail price. Please take the time to [review the benefits of becoming a member of the International Society of Poets and join today.](#) We'll send your Editor's Choice Award plaque and membership package immediately upon your acceptance of this offer.
Sincerely,

Howard Ely

Salaam Dr Umar

Just a quick update on the website comments, I've just spent the last three hours trying to replicate them into a webpage but its proving very unsuccessful. The total number of hours required to do the all of them would be absolutely immense.

Walaikum salam, Emran

Yes, the Guest Book copmments are the .co.uk Site. If you can do them within a few weeks, I'd be grateful because there's no highlights or colour to complicate things. Then we'll talk about the paid work I mentioned. Thanks.

Dr Umar

I'm just in the process of uploading the rest of the pictures.

What do you want me to do with the guestbook comments, are they for the .com or .co.uk site?
Unfortunately I can't give a deadline as to when this will be placed on to the website purely because they are so many and not really just a quick update.

Regards, Emran

p.s was not agreed for me to update the .com site, only the .co.uk as we only did the hosting for .com

Salam, Emran

Hope you had a happy vacation in India.

Thanks for deleting Anjum Faqir's details and for putting on part of Aspects of Islam (2). You do know that there are more photos to put on in this section that I have already sent you, don't you? Then there's the many other sections of Guestbook Comments and Comments on PRACTICAL ISLAMIC ADVICE which I've also sent. Till when can you do these?

I want to give you a piece of work for which you will be paid seperately after you have done these updates.

Regards,

Dr Umar
