Oh really now! To me this was just a dream, however I can not quest power and recognition because here, I am very poor man living from pay check to pay check and my knowledge of Islam so small. So, my point here for you is that you may have misread what I wrote to you. Plus, I can not control what dreams come to me while sleeping and I would not want to be a Prophet for anyone because that would place my life on the line.

Thank you for your time.

Assalamu Alaykum Asif Sheikh,

My name is Moegamad Anwar, and I would be very interested in receiving your books, if that is possible minfadhlik?

I would like literature on the Deen to improve my knowledge on Islam so that I can defend the Deen effectively against the constant bombardment from my colleges at work. I, unfortunately, do not have internet, so I cannot download the information or the books from your website.

Would it be too forward from me to request that you send me these books in the mail, minfadhlik?

My address is as follows:

Assalamu Alaikum:

Of course every Dua/Prayer is beneficial for the Believers. There are plenty of Dua supplications in the Quran that are absolutely effective.

But am I right in saying that only this prayer Dua supplication will not take us to

Paradise but over all the practices of Islam and righteousness?

Salaam

Assalamoi-alaikum, Brother-in-Islam,

I acknowledge with thanks your email. I have downloaded the pages and have sent you also a message in the space provided. Unfortunately I could not complete the message but would like to say here that if you are interested to receive two of the books which my late husband and I wrote just before his passing last August, I would gladly send you these if you could please provide me with a postal address.

I did not receive any of the Attachments, although I clicked onto your two websites and copied out the pages. I am especially interested in the Dua. My husband was very devoted in his Worship of Allah and often spoke about earning sawaab for a house in Jannat and trees for shade etc.

Thank you again.

Wassalam,

Jean M. (Yasmin) Khan.
