Asslam o Alaikum

Dear Brother Umar

Please tell the interpretation of dreams

I have a dream that I and my younger brother were eating rice and fish. I was catching the fishes from water the fishes were very beautiful. My brother was cooking these fishes in the rice. I taste the rice and take a piece of fish. The fish was not cooked properly so I did not eat more. Suddenly my uncle came and we hide the dish.

I saw the dream again that we are eating the rice. There were some small yellow flowers with me. I was mixing the flowers with rice and eating the rice.

One Question please! What if a person succeeds in securing a beautiful mansion in Paradise if his prayers are favourably answered BUT after that due to bad luck he goes to Hell, since he commits unpardonable sin, after that? What would then happen? Would the allotment be cancelled? Or the house be demolished? Or allotted to somebody else? In such case the second allottee would receive a "second hand" house. Or would it remain in the possession of the original owner, who is now in hell, and be permitted to rent it out to any of his friends or relatives in Paradise in lieu of a bottle of fresh sealed wine and a bottle of camphor/ginger/ musk flavored wine, a litre of milk, some roasted quails, a kg of dry-fruits etc. everyday or whenever required.

My (silly) question is to all the people who believe in such (silly) stories. But I would certainly expect a reasonable reply because as per them, I have little (no) chances of entering the paradise but still hope to secure one house through such prayers. Please help me.

SHARIQ.

Welcome

Hello Dr Azam,

Welcome to Your Manchester E-News - designed to keep you in touch with what's new at your University.

As you know our E-news is connected to our secure website, [Your Manchester Online](#), and you will benefit most from reading this E-news by logging into YMO first in order to gain full access rights. To login you will need your **User ID** (the name you selected when you registered on the site, not your alumni ID) and your **password**. If you have forgotten either of these, or if you are having problems logging in, please contact alumni@manchester.ac.uk.

Your Manchester Online is going from strength to strength since its launch in May 2007 and we now have almost 19,000 registrants. Please do spread the news about the alumni community - the more registrants we have, the better the website will become!

There are some new features on Your Manchester Online for you to view. There is a [distinguished alumni library](#) showcasing some of our alumni who are eminent in their field. This is still being developed and there are further sections to add such as Education, Medicine, Architecture and Sport. We also have a new section, after popular demand, for [recently published alumni](#) and a [message board](#) where you can submit an image of yourself and a message for other alumni to see if you are requiring their help. If you would like to include a message on the message board please email [Donna Prince](mailto:Donna.Prince@manchester.ac.uk). Don't forget the [condolence book](#) too, in our In Memoriam section, where you can submit your own message to share with fellow alumni.

We do hope that you enjoy this March edition of Your Manchester E-News.

Kaaba Holy key sets sale record

A 12th Century key to Islam's holiest shrine has sold at auction in London for \pounds 9.2m (\$18.1m).

The key to the Kaaba - the ancient cube-shaped shrine in Mecca - went to an anonymous bidder at Sotheby's.

The auction house said the price set a record for the sale of an Islamic work of art.

Made of iron and measuring 37cm (15in) in length, the key is engraved with the words "This was made for the Holy House of God".

The key was sold for a record sum

The key was the centrepiece of Sotheby's Islamic art sale, which realised more than \pounds 21.5m (\$40m) in total.

'Important symbol'

Head of Sotheby's Islamic art department Edward Gibbs said: "Remarkably, the sale realised more than the Islamic department's annual total for 2007, demonstrating beyond doubt the burgeoning and international demand for Islamic art."

The key is the only known example to be in private hands. All of the other 58 Kaaba keys are in museums.

Sotheby's said the key was "arguably one of the most important symbols of Islam".

The auction house said the keys were dedicated to caliphs, starting with the Abbasid caliphs in Baghdad.

"As a physical object, the key to the holiest building of an entire religion, it demonstrates the authority of the caliph and is the ultimate emblem of power," said Sotheby's.

Dear Sir,

Please come forward with authenticated hadeeth as your evidence to support your DUA. I never came across such a dua in the religious books. If you are not sure of what you are writing, please abstain from misguiding people.

Assalamu Alaikum,

Thanks v. much for your reply and I have pleasure in attaching the DUA FOR A HOUSE IN JANNAH. The size of the DUA may be expanded by clicking the 'zoom in' (+) icon at the bottom of the attachment - one of the magnifying glasses.

As a matter of fact, Ajooba has very kindly provided *other* beneficial DUAS for similar rewards along with her request and I'll be forwarding her very precious mail separately.

May Allah Most High give you all an awesome abode[s] in Paradise, to dwell in for Eternity. Ameen. PS If you haven't received the Entire Holy Quran in one e-mail attachment, or the Dua Booklet/Ramadan Booklets from me, please do tell me & I will send them to you.
