ASSALAAM ALAYKUM,

Dear friends at the AAACKingdom group. We all know that this website was founded by Mr. Adil of Yemen so as to share our views freely and without any prejudice. Today, we see how DR. Umar Azzam is insulting the Arabs by claiming that "[their interpretation of authenticity is too narrow & inflexible.](#)"

Please find herebelow his letter sent to the so called abraar and to our brother Muhammad Baawazir.

I hope we shall have your comments to challenge this man's attitude towards others. He always writes nonsense and when people of knowledge correct him, he gets angry !!! Instead of repenting to Allah (Subhanahu wa Taala), he continues to be stubborn because he is, as I had previously said, a psychopath and an enemy to Islam.

Best regards

Abdallah Bin Eifan

Salam,

Well done, Abrar, that you gave AAACKingdom members proof of the MAQALID AS-SAMAWATI WAL ARD Dua from Kinzul Umaal and Maulana Barkat Ali's book. But I have heard that many Arabs are Wahabbis [although they claim to be Sunnis], so their interpretation of authenticity is too narrow & inflexible. Don't worry, though! We know what we are saying is right, and Allah Most High is the one who rewards!

May Allah Bless you!

As'salaamu alaikum,

The doctor is a Naqshbandi Tariqah follower? Well that explains the bidah he promotes with his so called "Islamic" emails and his complete failure to provide us any authentic Islamic source for such innovation.

For those who do not now, visit here to see what this sect stands for and how they differ from mainstream islam -[http://islamicweb.com/beliefs/cults/sufi\\_naqshabandi\\_unveiled.htm](http://islamicweb.com/beliefs/cults/sufi_naqshabandi_unveiled.htm)

I think we are done with this inquiry and discussion now that some things have become very clear.

May Allah guide us all, amen.  
Wa'salam

**Subject:** RE: [www.AAAKINGDOM.com] Re: MAQALID AS-SAMAWAT WAL ARD

Assalaamu 'Alaykum Ikhwaan,

Our brother Abraar send me his response privately, please find what he said, and look at what i've highlighted and judge if this brother is considering us as Muslims after ONLY asking him for evidence of what he claimed!?

I ask everyone to read my previous responses to brother Abraar and brother Dr. Umar (Dr. as he himself prefer to be known as), and judge by yourselves if this letter below from brother Abraar is suppose to be written by a Muslim?

Is this how Muslims should deal each other when they differ???

He failed to provide the virtues he mentioned from the athar (words/deeds from the Sahabas) from 'Uthmaan (Radhiya Allaahu 'anhu), as he failed to answer my simple questions, rather he came with those accusation on his 'private' letter and he ended his words with 'LAKUM DIYNUKUM WALIYA DIYN'!!!!

Is this supposed to be said to a Muslim? He might consider me as non Muslim (A'udhu biLlaah!!) but he ignored the words of our beloved Prophet (Swalla Allaahu 'alayhi wa aalihi wa sallam) which says,

Abu Dharr reported that the Prophet (Swalla Allaahu 'alayhi wa aalihi wa sallam) said:

"No man accuses another man of being a sinner, or of being a *kafir*, but it reflects back on him if the other is not as he called him." Al-Bukhaariy

When Muslims differ on any islamic issue, they should refer to the Qur-aan and Sunnah, and not accusing each other with false accusations and calling names!

Allaah (Subhaanahu wa Ta'ala) says:

O ye who believe! Obey Allah, and obey the Messenger, and those charged with authority among you. If ye differ in anything among yourselves, refer it to Allah and His Messenger, if ye do believe in Allah and the Last Day: That is best, and most suitable for final determination. An- Nisa a: 59

I'll advise those brothers to go and read and ponder the following Aayaat:

And Allah says, which means:

"And do not divide or you will fail and you will lose your strength" al-Anfaal: 46

And Allaah says, which means:

"...and be not of Al-Mushrikuun (the disbelievers in the Oneness of Allah, polytheists, idolaters, etc.)".

Of those who split up their religion (i.e. who left the true Islâmic Monotheism), and became sects, [i.e. they invented new things in the religion (Bid'ah), and followed their vain desires], each sect rejoicing in that which is with it." Ar-Ruum: 31-32

And He says:

"Verily, those who divide their religion and break up into sects (all kinds of religious sects), you (O Muhammad Swalla Allaahu `alayhi wa aalihi wa sallam) have no concern in them in the least. Their affair is only with Allaah, Who then will tell them what they used to do." Al-An'aam: 159

**Salaam (IS THIS HOW OUR BELOVED TAUGHT US WHE WE GREET EACH OTHER???)**

You have wasted your time and missed the point entirely. In defense of Dr. Azzam it appears from **your extreme condemnation** of him that what you are really attacking is **his connection to the Naqshbandi Tariqah**. The world is full of misguided pseudo wanna be scholars, so-called **salafis, najdis** who think they are the **POLICEMAN** of Islam. Again you have missed the point entirely. The references I mentioned should be the object of your attention since they contain the statement in question.

Finally, do you think we would accept **you condemnation** and refuse a statement attributed to Khalifa Uthman Nurayn? **Lakum Diynukum wa liyadiyn.**

Asalamu 'Alaykum,

I would like to make correction on the name of the author of hadith book of Kanzul Umaal, he is Alaud Diyn 'Aliy bin Abdul-Malik Husaam ad-Diyn al-Muttaqi al-Hindi and not Sulaym Ibn Qays.

Sorry for any inconvenience caused by mistake.

Assalaamu 'alaykum

No one commented that those are not verses of the Qur-aan and that they are not good words, but the issue is regarding the claimed virtues which we need to know the source obtained from.

We understand and accept only when the virtues of deeds or adkhaar are either from the Qur-aan or Sunnah, and no human can attribute any virtues to any act of worship except The Messenger of Allaah (Swalla Allaahu 'alayhi wa aalihi wa sallam).

You mentioned the book but you failed to quote whether the wordings are Hadiyth or not. And if you say they are from 'Uthmaan (Radhiya Allaahu 'anhu), we shall require that you bring us your proof that anyone else can claim virtues of deeds besides Allaah and His Messenger (Swalla Allaahu 'alayhi wa aalihi wa sallam). We know in Hadiyth of Al-'Irbaadh bin Saariyah, the Prophet asked us to follow the Sunnah of the Khulafaa ar-Raashiduun Al-Mahdiyyiin, but what they did and what we follow from them was according to the Prophet's (Swalla Allaahu 'alayhi wa aalihi wa sallam) way and they never mention any virtues except they heard or quote them from the Prophet (Swalla Allaahu 'alayhi wa aalihi wa sallam) himself.

Moreover, the book so called '**Kanzul-'Umaal' (The Treasure Of the Workers)** is full of **FABRICATED** Ahaadiyth and invented tales. It is not a book one should rely on at all. It is a book which SHIA rely on it most.

#### **READ THIS:**

**The Book of Sulaym ibn Qays** is a Hadith Collection, collected by **Sulaym ibn Qays** who entrusted it to Aban ibn Iyash.

According to the Shi'a, the book "has received endorsement from five Infallible Imams." The author researched and verified events before he penned them so that their authenticity is incontrovertible. The book was entrusted to only one person, Aban ibn abi Ayyash who was held to a solemn oath not to talk of the book during Sulaym's lifetime and that after his death he would give the book only to trustworthy Shi'a..."

#### **READ WHAT SHIAS SAY ON THE BOOK:**

The greatness and esteemed value of this book can be gauged by the hadith of Imam Ja'far Al-Sadiq a.s that whoever does not possess this book does not have anything from The Ahlul Bayt AS. This is a book that has received endorsement from five Infallible Imams. This is the first book of the Shi'a containing knowledge of Traditions, History, Theology and Commentary. The author was born in Kufa and came to Madinah but was not able to see The Prophet SAWW. However, he was a trustworthy companion to Five A'imma AS.

You also mentioned that the du'aa is from Sunni and Shi'a. We bring to your attention and awareness that we do not extract our knowledge of deen from Shi'as because they are not people whom we depend on as they are deviated from the right path, they have gone astray in their creed to the extent that they are insulting Sahabas and the Prophet (Swalla Allaahu 'alayhi wa aalihi wa sallam) 's wives and deny the Sunni books such as Al-Bukhaariy etc. etc. Thus, do not mention to us anything to do with Shi'as' because it's not related to our Islaam.

You have not brought to us any proof the authenticity of the du'aa you claimed to be of Sunnah, thus a Muslim is not suppose to depend on because the du'aa and its virtues remains to be a baatil (void).

We advise people to take their matters of deen from authentic and reliable sources.

Shukran.

Today, our religion is being targeted by many enemies. Some of them (like Dr. Umar Azam) pretend to be Muslims and are misguiding less knowledgeable Muslims by narrating nonsense.

How can you write as a doctor the “\*\*heard\*\*” when you wrote your thesis if you have done one did you state I heard or you have quoted and referenced](#)

everything. How come when it comes to insulting Muslims of the Qurran and Sunnah you say I have heard?

You did not even take the time to research it. By the way these wahabbies as you said do not worship the graves they worship Allah almighty and they rely on Allah and they go by the book the Holy Quran and the Sunnah of the prophet Mohammed peace and blessing be upon him and if you were not sure do not write publicly ask. You have said what you say is right even you say I have heard.

Dr Umar you should be a tool of righteousness and you should be calling non-muslims to Islam and not doubting the people who are performing the religion of Islam to some extent in accordance to the Holy Quran and Sunnah.

It is not a matter of win win , it is matter of performing as per Allah's instruction and his prophet Mohammed may peace and blessing be upon him

## Reality of Sufism

Assalam Alaykum Warahamatullahi Wabarakatu,

Regarding Sufism, ya ikhwan Sufism is Sufism. Has always and will always remain the same and the ruling on them will remain the same. Just like Christianity is Christianity the ruling on them will always remain the same. The only difference is the extremes. See with both Sufism and Christianity, it may be argued the Sufis or Christians of the past are not like the Sufis and Christians of the present. This could and may be true but this does not justify or give the Sufis any credit. Even if it is said the Sufis of the past were not extreme nor did they worship graves or fall into Shirk, this may be true but there are not free from Bidaah (Innovation), Supersition and weird practices and/or beleifs. We do not say all Sufis practice Shirk but if it is not shirk then they would have other serious issues.

We all know about Sufism and all the Shirk, Innovations and misguidance that they are upon, just incase it is not really clear i have attached a document titled "**Reality of Sufism**" which contains most of the practices of the Sufis. There is no Sufi tariqah that does not have one or more of the issues mentioned in the attached document. Insha'Allah this document would shed some light.

**Further info on Sufism:**

### **What is a Sufi and What is Sufism?**

**Sufi: a follower of Sufism**

**Sufism: a sect that has introduced many innovated practices and beliefs into the religion of Islam while claiming to be mystical**

Sufism was not known in the time of the Prophet (may [Allah](#) raise his rank and grant him peace) or his Companions, nor was it well known in the first three generations after them. It first appeared in Basrah in Iraq, where some people went to extremes in worship and in avoiding the worldly life, something which is admonished in the Quran:

"The Monasticism which they invented for themselves; We did not prescribe it for them."

Sufis belong to the Illumist school of philosophy which holds that knowledge and awareness is brought about in the soul by spiritual exercises. Orthodox Islam holds that one can achieve true knowledge and awareness through the acts of worship that exist in the Quran and Sunnah. Sufis believe that their teachers are also a source for legislation in worship, as they will order them to carry out acts of worship that have no basis in either the Quran or the Sunnah. The extremists from amongst them often claim that [Allah](#) dwells within His creation (i.e. in people's hearts, internal organs etc.). Consequently, they ascribe to their Sufi teachers attributes and powers which only belong to [Allah](#), such as the knowledge of the unseen.

They often claim that the texts of the Quran and the Sunnah have an outer, apparent meaning, and as well, an inner, hidden meaning. They hold that the outer, apparent meaning is known to those who practice orthodox Islam, while the inner and hidden meanings of the Quran and Sunnah are known only to their teacher and order. These teachers will often claim that since they have advanced to the inner and hidden meaning of Islam, they no longer need to pray or fast, something that not even the Prophets were excused from.

Quran 57:27

- from a footnote in the book: *The 'Wahhabi' Myth*

This so called Dr. Azzam has proven to be upon innovation and the Sufi Tariqah he is upon is as brother Abdallah bin Eifan explained in his email titled "[DR. UMAR AZZAM IS MISGUIDING MUSLIMS. CARE !!!](#)".

Assalam Alaykum Warahmatullahi Wabarakatu,

It seems that Mr. Abraar and Mr. Umar Azzam dont even know the basics of their Deen. They are asked to provide Daleel (proof/evidence) but they go around circles and end up accusing people (by saying we are attacking, condemning people etc). If they were Truthful they would easily provide solid authentic evidence but they know what they say or claim is false and not authentic not does it have a chain of narrators.

### **Sources of Sharia**

**Sources of Islamic Sharia/Rulings:** There is no doubt among any believer or Scholar that there are 2 main sources where Islamic Rulings are taken from: The Quran & authentic Sunnah. Followed by, Thirdly Ijmaa (Scholarly Consensus), and Fourthly, Qiyas (Analogy) or Ijtihad.

So as Muslims when we talk or discuss any issue regarding our Deen and its rulings etc it MUST not go outside these 4 sources, specifically the first 3.

Any muslim specifically those who claim to be Doctors should know and understand this basic info. Do they expect us to blindly take, believe and follow everything they say without evidences ?? No human has or will have this status except Allah's Messenger (sallallahu alayhi wassalam).

Allah orders in the Quran: *“And if you have disagreed in anything, refer it to Allah and His Messenger if you believe in Allah and the Last day.”* [an-Nisaa 4:59]

Allah says in the Quran: *“Say (O Muhammad to mankind): ‘If you (really) love Allaah, then follow me (i.e. accept Islamic Monotheism, follow the Qur’aan and the Sunnah), Allaah will love you and forgive you your sins’”* [Aal ‘Imraan 3:31]

The Quran has showed us what true love is, what it means and how to show our love and that is by following the Prophet’s guidance (following The Quran and Sunnah).

Here we are refering things to Allah and His Messenger (by asking these people to provide solid evidence), these people dont and unfortunately we get rebuked and accused. Who is the one following the commands of Allah us or them (Abraar & Umar Azaam) ??

### **DU'AA IS WORSHIP (IBADAH)**

The Prophet (sallallahu alayhi wassalam) said: *"The best form of worship is du'a."* [reported by al-Hakim (1/491), who considered it authentic; see al-sahihah #1579 ]

The Prophet (sallallahu alayhi wassalam) said: *"Dua is the very essence of worship."* [Tirmidhee]

He (sallalalhu alayhi wassalam) also said: *"The dua is worship"* [AbuDawud]

Allah says: *“And your Lord says: “Call on Me; I will answer your (Prayer)!”* [Surah 40 Verse 60 ]

All these prove that Du'aa is Ibadah (worship) and it also proves that calling upon anyone other than Allah in one's Dua is Shirk.

### **CONDITIONS OF WORSHIP TO BE ACCEPTED.**

There are two conditions which must be met:

The **First** condition: it should be devoted to Allaah Alone. Allaah says (interpretation of the meaning):

*“And they were commanded not, but that they should worship Allaah, and worship none but Him Alone (abstaining from ascribing partners to Him)” [al-Bayyinah 98:5]*

The meaning of worshipping Allaah alone is that the person should intend in all his words and deeds, both inward and outward, to seek the Face of Allaah (i.e., His pleasure).

It was narrated that ‘Umar ibn al-Khattaab (may Allaah be pleased with him) said: “I heard the Messenger of Allaah (peace and blessings of Allaah be upon him) say: ‘The reward of deeds depends upon the intentions and every person will get the reward according to what he has intended. So whoever emigrated for worldly benefits or for a woman to marry, his emigration was for what he emigrated for.’”

The **Second** condition is that the action should be in accordance with the only way which Allaah has prescribed for worship, which is by following the Prophet (peace and blessings of Allaah be upon him) in the laws that he has brought. It was narrated that the Prophet (peace and blessings of Allaah be upon him) said: “Whoever does any action that is not in accordance with this matter of ours (i.e., Islam), will have it rejected.” (Narrated by Muslim, *al-Aqdiyyah*, 3243).

Ibn Rajab (may Allaah have mercy on him) said: “This hadeeth forms one of the most important principles of Islam. It is like a scale for weighing up deeds according to their outward appearance, just as the hadeeth ‘The reward of deeds depends upon the intentions’ is the means of weighing up the inner nature of deeds. Just as every action which is not intended for the sake of Allaah brings no reward to the one who does it, so too every deed which is not in accordance with the command of Allaah and His Messenger will also be rejected and thrown back at the one who does it.

#### **IN THE LIGHT WE SHOULD KNOW AND UNDERSTAND THAT:-**

It is not permissible for a Muslim to innovate any dhikr/du'aa to recite regularly or to tell others to do so – such as awraad/wird, ma'thooraat or du'aas. The adhkaar that were reported in the saheeh Sunnah are sufficient for this, otherwise a person who is not sufficed by the Sunnah is an innovator or one who calls others to bid'ah. The Prophet (peace and blessings of Allaah be upon him) said: “Whoever innovates something in this matter of ours [i.e., Islam] that is not a part of it, will have it rejected.” (Narrated by Al-Bukhaari, 2550; Muslim, 1718). According to a report narrated by Muslim: “Whoever does any action that is not in accordance with this matter of ours (i.e., Islam) will have it rejected.”

## **BENEFIT:**

The basic principle in this case is that dhikr and du'aa's are of two types:

1 – Adhkaar which were narrated in the Qur'aan and Sunnah, to be recited at a certain time, in a certain place or in certain circumstances. This type should be recited as prescribed, at the appropriate time, or in the appropriate circumstances or place, with the correct words or posture, without adding anything or taking anything away.

2 – All dhikr or du'aa' in general that is not connected to certain times or places. These fall into two categories:

(i) Those which were narrated from the Prophet (peace and blessings of Allaah be upon him), so they should be recited in the wording that he used. They should not be connected to any particular time or place, and they should not be connected to a specific number of times to be recited.

(ii) Those which were not narrated from the Prophet (peace and blessings of Allaah be upon him), rather the person makes them up himself, or they were narrated from the salaf. It is permissible to say such words so long as five conditions are met:

- 1- He should choose the best and clearest words, for he is conversing with his Lord and God.
- 2- The words should be of an appropriate style.
- 3- The du'aa' should be free of anything that is forbidden in Islam, e.g. it should involve any element of seeking help from anything other than Allaah, and so on.
- 4- It should be of the general kind of dhikr and du'aa', not connected to a particular time, place or circumstances.
- 5- It should not be taken as a regular practice.

Adapted from *Tasheeh al-Du'aa'* by Shaykh Bakr Abu Zayd (p. 42)

## **WHAT IS BID'AAH (INNOVATION) ??**

Many people do not know or understand the meaning of Bida'ah (Innovation), they just refute it without knowing its meaning.

What is Bid'ah according to Islamic teachings ??

**It is or can be defined as:** any invented way in religion that is aimed at worshipping

or drawing closer to Allaah. This means anything that is not referred to specifically in Sharee'ah, and for which there is no evidence (daleel) in the Qur'aan or Sunnah, and which was not known at the time of the Prophet (peace and blessings of Allaah be upon him) and his Companions. At the same time, it is quite obvious that this definition of religious inventions or innovations, which are condemned, does not include worldly inventions [such as cars and washing machines, etc].

And as stated in the authentic ahadith, we were prohibited to innovated and that innovation will be rejected.

## THE DEEN IS COMPLETE

Allah says: **“Today I have perfected for you your religion and completed my favour upon you and am pleased with Islam for you as a religion.” [al-Maidah 5:3]**

This verse decisively indicates that the Almighty Allah has completed the Deen for this Ummah, and has showered His blessings on them. His Prophet passed away only after he had imparted the complete Message of Allah to the Ummah as well as his legislations concerning sayings and deeds. Since Allah has perfected the religion, it cannot be claimed by any man that further additions to it are beneficial or even allowable, for that would be an outright contradiction of the Qur'anic ayah, the authentic hadith below (by Muslim) and a statement of disbelief (May Allah protect us from falling into such error.) In the words of Imam Malik (rahimahullah) to his student Imam ashafi'i, **“Everything which was not religion at the time of the Prophet and his companions cannot be religion today”** And he said, **“Whoever innovated an innovation in Islam and considers it good has claimed that Muhammad has betrayed the Message”,** because Allah said, **“Today I have perfected for you your Religion...”** Similarly, Ibn Taymiyyah declared, **“One who goes beyond what the Prophet has made legitimate as religion and worships through an innovation has not, in fact, born witness that Muhammad is the messenger of Allah”** [Fatawa vol. 11, pg. 618].

On the authority of Abdullah bin Amr bin Al-Aas, Allah's Messenger (salallahu alayhi wassalam) said: **“Allah did not send a Prophet but obliged him to lead his people to the best way which is known to him, and warn them against the worst which is known to him” [Muslim]**

So please brothers and sisters, dont be deceived by these people. Our predecessors (Salaf) have extremely warned about innovation and innovators which will insha'Allah be shared with you all later on.

As you all can see everything we say, claim and beleive in has solid and authetnic evidences from the Quran and authetnic Sunnah with the understanding of the

Sahabah. Unlike these people who make up things from themselves and their Shaykhs then attribute it to the Deen.

Allahul Mustaan

**Subject:** RE: [www.AAAKINGDOM.com] Re: MAQALID AS-SAMAWAT WAL ARD

Assalaamu 'Alaykum Ikhwaan,

Our brother Abraar send me his response privately, please find what he said, and look at what i've highlighted and judge if this brother is considering us as Muslims after ONLY asking him for evidence of what he claimed!?

I ask everyone to read my previous responses to brother Abraar and brother Dr. Umar (Dr. as he himself prefer to be known as), and judge by yourselves if this letter below from brother Abraar is suppose to be written by a Muslim?

Is this how Muslims should deal each other when they differ???

He failed to provide the virtues he mentioned from the athar (words/deeds from the Sahabas) from 'Uthmaan (Radhiya Allaahu 'anhu), as he failed to answer my simple questions, rather he came with those accusation on his 'private' letter and he ended his words with 'LAKUM DIYNUKUM WALIYA DIYN'!!!!

Is this supposed to be said to a Muslim? He might consider me as non Muslim (A'udhu biLaah!!) but he ignored the words of our beloved Prophet (Swalla Allaahu 'alayhi wa aalihi wa sallam) which says,

Abu Dharr reported that the Prophet (Swalla Allaahu 'alayhi wa aalihi wa sallam) said:

"No man accuses another man of being a sinner, or of being a *kafir*, but it reflects back on him if the other is not as he called him." Al-Bukhaariy

When Muslims differ on any islamic issue, they should refer to the Qur-aan and Sunnah, and not accusing each other with false accusations and calling names!

Allaah (Subhaanahu wa Ta'ala) says:

O ye who believe! Obey Allah, and obey the Messenger, and those charged with authority among you. If ye differ in anything among yourselves, refer it to Allah and His Messenger, if ye do believe in Allah and the Last Day: That is best, and most suitable for final determination. An-Nisaa: 59

I'll advise those brothers to go and read and ponder the following Aayaat:

And Allah says, which means:

"And do not divide or you will fail and you will lose your strength" al-Anfaal: 46

And Allaah says, which means:

"...and be not of Al-Mushrikuun (the disbelievers in the Oneness of Allah, polytheists, idolaters, etc.)".

Of those who split up their religion (i.e. who left the true Islâmic Monotheism), and became sects, [i.e. they invented new things in the religion (Bid'ah), and followed their vain desires], each sect rejoicing in that which is with it." Ar-

Ruum: 31-32

And He says:

"Verily, those who divide their religion and break up into sects (all kinds of religious sects), you (O Muhammad Swalla Allaahu 'alayhi wa aalihi wa sallam) have no concern in them in the least. Their affair is only with Allaah, Who then will tell them what they used to do." Al-An'aam: 159

You have wasted your time and missed the point entirely. Dear Brothers

I would like to intervene here, we all had read the misunderstanding between Dr Umar Azzam and others and would like this to have an end.

Dr Umar Azzam is a muslim and have every right to interpret things the way he wants but has no right to impose such on others and vice-versa.

He may hold whatever he claims, but still, it gives him no such right. The same is on others.

Therefore, I would urge you all to stop such argument and start working towards friendship not the opposite.

I do not claim here that Dr Umar Azzam or anyone else is right and the other is not. But this has taking too much of everyone's time.

This message to Dr Umar Azzam, Arabs are not what you think they are, they are a lot higher than any other nation, otherwise, Allah Almighty would not have honoured them

with such an honour. Let's not forget that Mohammad (PBUH) is an Arab.

Thank you for your time and for considering my message.

Yours truly

## THE THIRD WORLD WAR AND ITS AFTERMATH

(Excerpts from the Lectures of Sheik Nazim)

**Very soon there is going to be a Great War that will destroy three out of four parts; three-fourths is going to be destroyed and out of seven people, six are going to be destroyed. The most terrible and the greatest war is coming now, and that is the bridge or mediator between the small signs and big signs; when that war breaks out, the little signs are going to draw near to the big signs. The people of this world are waiting; everyone is awaiting that war, morning or evening. There is a fear on the whole world.**

**When that begins, finished. The big signs will follow the war, and during the war the Mahdi (alai) will say Takbir, ?Allahu akbar! Allahu akbar! Allahu akbar! and will appear for**

**Muslims, and then the great sign, the Dajjal, will come. After the second great sign, ?Isa (alai) (Jesus) will come. Then three parts of this dunya will sink into the earth; then Yajuj and Majuj, then Dabbat ul-Ard. Then dukhan; this whole world is going to be covered by thick smoke; then fire; then the sun rising from the place of its setting, the West. When it is all complete Qiyamah will come.**

**As believers of the Traditions, we believe in a Savior who will come first before Jesus. Yes. He must come before Jesus. We have this in our Traditions. His name is Muhammad al Mahdi (alai). He is coming, but his arrival will be after a Great War (Armagaddon) . Our Traditions tell us that the Great War will be the last war. It will be fought by the big powers with each other. Don?t say that Switzerland is a neutral country or Austria or Luxembourg or Sweden. No! When the storm comes, it will come from the East to the West, totally and wholly. Also from the West to the East. From the continents to the oceans and from the oceans to the continents. That must be so.**

**And in that huge war, the Mahdi (alai) will come like a Divine Hand from heaven to earth and stop the war because when small countries are fighting now, the big ones come and say, ?Stop!? but what about when the big dragons come to fight? No one can stop them except Divine Power which will say to them, ?God is Greater!? (Allahu akbar!). Then they must stop. That will be the first Savior whose name has been given through Traditions as Muhammad al-Mahdi (alai).**

**A short time After this, a tyrant will appear, well known through Traditions as Anti-Christ. He is the most dangerous tyrant for the children of Adam. The whole world will get into never ending troubles and sufferings during his time.**

**Then the second Savior, Jesust will come from heavens to earth. He will meet Mahdi (alai) in Damascus at the tomb of John the Baptist, the son of Jesus Christ?s aunt Elizabeth, the wife of Zacharias. He is buried in Damascus under a beautiful dome. Jesus Christ will come to a minaret of that dome which lies in the East. When the people go to the dawn prescribed prayer and two angels will protect Him with their wings. They will bring him down. He will be wearing a green turban and he will be shining. He has the most beautiful face, rosy and white. His beard is red and he is sweating.**

**He has a sword. When he was on earth, he never touched a sword, but now he is coming a Savior. In his time, all technology will be finished. His sword can reach any point to where he sends it. It is a miraculous sword, a heavenly sword. His Lord gave it to him. He will save the people from the hands of the Anti-Christ. He will come to the dawn prescribed prayer. It will be full of people in the mosque and they will all be performing the prescribed prayer because prayer is always for all prophets and their nations. Even if people have lost it now, it does not matter. Jesus Christ was, in any case, praying to his Lord. He was not praying to himself or to the cross. No! He was kneeling in front of his Lord. He is the Savior who will save the people and will not leave one of the followers of Anti-Christ on earth.**

**When he saves the people from the hands of the Anti-Christ, there will come forty years of absolute peace on earth. In these times we will not need planes or ships or cars. Nothing! Every person will be given miraculous powers through Jesus Christ. If I, for example, then look at the second hill of that mountain and say, 'In the Name of God,' This means, 'By your Divine Permission, oh my Lord! You have honored me to be your deputy. I ask of You!' And if He gives permission, then you may put your step from here to the second hill of the mountain.**

## **HOW TO SURVIVE THE THIRD WORLD WAR**

**Shaykh Nazim: Grand Shaykh is giving me a guarantee for people during Armageddon. He is saying that there are three points. If they are kept, the person cannot be hurt in the wars. Zahara! This is not something to cry or ask about. No.**

**It is impossible for those who deny the Creator to survive. Never. If it is your father or mother or daughter, sister or brother! It is impossible!**

**It is impossible to survive if you deny the Creator. There people must be killed. They will kill each other. If anyone of his relatives was denying the Prophet, they would fight them, kill them.**

**Cruel people cannot survive. Cruel people will not survive.**

**Envious people: Envious people are the enemy of humanity. They will be killed and hurt and harmed according to the envy in their hearts.**

**It is impossible for believers to be killed during Armageddon and for people with good actions and good intentions. That is impossible but for those who harm humanity and have enemies and are denying the Creator, they must be killed. That is their punishment.**

### **Protection Prayers**

**Sheikh Nazim has given the zikr to be started at the beginning of the war, and then to be done daily:**

**100 times      Hasbun Allahu wa niyamal wakil**

**100 times      La illaha illa anta subhanaka inni kuntu minal laalimin**

**40 times      Salatan Tunjina**

**Hasbun Allahu wa niyamal wakil-Allah is enough of a Defender (Protector) for us.**

**La illaha illa anta subhanaka inni kuntu minal laalimin-There is no God but You Oh Glorified One, I verily am from amongst the transgressors. (Zikr in the belly of the whale, recited by Prophet Yunus (alai))**

### **Salatan Tunjina**

**Allahumma salli ala Sayyidina Muhammadin salatan tunjina  
biha min jami al ahwali wal afat  
wa taqdi lana biha jami?a al hajjat  
wa tutahiruna biha min jami?a as-sayyat  
wa tarfauna biha ?indaka ala darajat  
wa tubalighuna biha aqsa al ghayat min jami?a al khayrat fil  
hayati wa bad al mamat  
wa ala alihi wa sahabihi wa sallim tasliman kathira**

**O Allah pray on our Master Muhammad a prayer by means of which we will be saved from every awe-inspiring harmful thing, and that will take care of all of our needs, and purify us by means of it from all of our ugly qualities and characteristics and raise us and purify us by means of it from all of our ugly qualities and characteristics**

**and raise us up by means of it in Your Presence to the highest of degrees,  
and cause us to reach by means of it the extremes of all goodness in our life and after our death  
and this prayer be upon his family and his companions  
and may he be given safety and much salaam.**

I agree to much nonsense ... and Dr. Umar Azzam you have a PHD ... one would think you are wise enough to not through such remarks around ... For me this is BS and childish ... especially coming from such person who obtained a "PHD" ... in what subject ?? and in all reality it has me thinking how in the world you managed to do that with such a narrow mind... If you have anything to say that tends to honestly and truely not really b relevent and speaks "TRUTH" then you should think twice b4 posting or saying anything .. You are not being a good role model to any of the youth ... May allah forgive you for your actions..

Dear Dr Umar Azam

I would appreciate it if you and the others stop sending such emails. You are not helping to stop the accusations but fueling it further.

Our religion does not approve such methods, particularly from people such as your self.

I am urging you and the others to stop this nonsense immediately, otherwise we shall take dramatic actions towards those who ignore our requests to stop.

Adel, this matter took more than it should and became a personal matter. Both parties are wrong and should stop this through our mail-list.

I really am becoming bombarded with these nonsense emails and now they moved to call each other a liar, see subject.

I really am not sure anymore if both parties understands what they are leading us to?

Best regards and hoping that you'll all understand what I am pointing.

Subject: Your lies are not working!

Assalamu Alaikum,

I'm very pleased to say that the very nasty accusations of certain AAKingdom members towards me and my work have not been effective; the result so far is that I have received so many requests for the DUA for a HOUSE IN PARADISE and the MAQALID AS-SAMAWATI WAL ARD Dua over the last few months that I have been overloaded and feeling overworked, and I am behind schedule! So although people may wish to defame me, its actually having the opposite effect and making me more popular!

Dear Dr Azam,

We met many years ago at a radio station in Manchester, where I was working on a local show where you were invited to discuss dreams.

I was wondering if you could help me, being an expert I would like to you to interpret a profound dream that I had a couple of years ago.

The dream took place in an area where I used to live as a child. It was in the suburbs, down a street on a bright, sunny warm day, where my old school friend and I sat in an ice cream van drinking coffee. I decided to get some items and asked my friend to hold my coffee, and went to a small corner shop, which had a prison located just around it. Prisoners hand cuffed, could purchase items with a guard watching over them. The shop itself was a brilliant white inside. I purchased my items, came back to the van, by that time my friend had finished drinking my coffee. So, I went to get another coffee at the shop. There I saw an African or Afro caribbean man cuffed, in an orange suit, stood by the magazine stall, with a guard. I walked over to the counter ready to purchase my items, when a poster, located on a wall, next to the exit door, caught my eye. It was an advertisement for a film; a woman (a jewish actress) in a 19th century peasant attire was stood on a rock, protesting about rights, or something to that effect. I thought 'yet another propaganda film', but to my surprise I saw a list of critics that praised the film, especially a man called Abdullah, who stated 'the film was great', to that affect anyway. As I walked out I found myself transforming into this woman, I then looked up to the sky and a brown open book emerged from the light blue sky, it was written in Olde English, stating that 'God has ordained 3 sons to be born to me and that each one would have great power , power that would be used in a good way . Although I could see the text written in gold, I didn't read those words, I felt those words, as if God was speaking to me directly.

As an expert, how would you interpret this dream, as I am fully aware, some dreams can have opposite meanings.

Yours Sincerely,

Iman
