The reasons that encouraged people to embraced Islam

You may have read many stories about people who embraced Islam. These stories are available on many sites on the internet and books that deal with this kind of stories.

What attracts you at the beginning is to know the background of these people: their nationalities, former religions, languages, families and careers. However the thing that attracts one most is the reason that encouraged these people to leave their previous religion or their atheistic beliefs because some of them did not believe in any deity before.

Answering unanswered questions

Many of those who embraced Islam indicated that Islam answered all the questions that have been annoying them all through their lives. For example, a Japanese woman who embraced Islam said that *"I found answers to the philosophical questions that had been haunting me for so many years in this beautiful religion."*

Presenting a comprehensive view of life

Some of the people who embraced Islam also pointed out that what attracted them to Islam is the overall view of the life Islam is presenting to its followers.

For example, Fred, an American who recently embraced Islam, said *"a faith which would encompass the whole of life, a faith which would provide for me a sense of community and a support group for the trials of life, I found that I was still adrift in a sea of conflicting religions - each claiming that the others were false."*

Islam's respect for other religions and prophets

One of the things that attracted other people to embrace Islam is that Islam shows deep respect for other faiths and prophets, in spite of the differences in vision. This is why Fred says, *"As for Jesus, non-Muslims are always surprised to find that the Qur'an speaks of Jesus and Mary respectfully, treating Jesus as a prophet and a worker of God's miracles of healing. However, Islam does not view Jesus as God."*

There are other factors that attracted another set of people to enter the fold of Islam. However, there is an American woman who became a Muslim who could give us a very precise and concise statement that sums up a lot of things: *"Islam is beautiful and all-compassing and lovely in every way.*

God is sensible and understandable; women are respected and honored; men are honored and respectable! Children are protected; Islam offers everything other faiths claim to and more but the difference is, Islam delivers.

Islam is not some weak religion because there is nothing more powerful than actually connecting with God and that is what Islam does."

Salaam,

Thankyou for your advise and help. The dream was seen the girl and till now i havent even touched her we only talk over internet.and we dont talk about any bad things..It was the Girl whom i love who saw the dream. She prays regularly and i also pray regularly and i am not involved in fornication or any bad things Alhamdulillah. She asked me to send the dream to you for translation. She is a divorcee.i want to know is it the enimity of my relatives or her brother wife's relative? And do you think that the girl might be involved in fornitcation? The boy whom she loves is me and she has seen me in the dream and.. i am sending you the dream again :this is what she has sent to me she said "it was like it was me and the boy i love and we are like really really deeply in love and we are just sitting somewhere really nice and green and beautiful and I dont know what we are doing but we are very busy doing something, I think we are reading something or i dont know but we were doing something with paper reading writing stuff. So then I dont know wut happens suddenly I find myself at the same place but totally changed the boy i love is not there anymore and im missing him so much and all the greenery has gone to gray and brown and drought, and there are some really scary animals like tiger and loins but all the dangerous animal are kinda dried like the lion is standing there the tiger and stuff but they cant' move they are all dried and there are dry leaves everywhere and a slope down and kinda scary dark environment so suddenly I see in front of me something like a cat a big really big black cat with looooooong looong black long shiny nails and its looking at me laughing so i suddenly start running away i climb up and the cat is running after me and I get through a door I pass that door but cant close it there is no lock then i pass another door i cant close it there is no lock again then i get to the third door and I can lock it and I feel all safe... then i saw random stuff like my elder brother and his wife and then i woke up for fajr but that dream again had this emotional effect on me." Please tell me clearly what is the meaniing of the dream she has seen..as i want to marry her..Please advise me what should i do. I would be very greatful to you.

SALAM, MIR

THANK YOU FOR YOUR E-MAIL. SOMETIMES, IT'S BETTER IF A PERSON TALKS THE TRUTH EVEN IF IT HURTS. IF YOU ARE COMMITTING FORNICATION [DOING THE MARITAL ACT BEFORE MARRIAGE], YOU ARE COMMITTING ONE OF THE MAJOR SINS, SO YOUR DREAMS ARE HARDLY LIKELY TO BE PLEASANT.

I BELIEVE THE STUFFED BIG CATS SYMBOLIZE *ENMITY* OF SOMEONE TOWARDS YOU – PERHAPS THE RELATIVES OF THE PERSON YOU ARE ILLICITLY INVOLVED WITH. CATS WITH LONG CLAWS SYMBOLIZE AGGRESSIVE *THIEVES* WHO ARE AFTER WHATEVER THEY CAN GET FROM YOU – MONEY, PROPERTY ETC., AGAIN POSSIBLY FROM AMONGST THE SAME PEOPLE.

MY ADVICE – REPENT TO ALLAH MOST HIGH AND GET MARRIED LAWFULLY.

Dear Sir,

Hope you are well. I am very interested in your website, and check it regularly for dream interpretations. I believe allot of my dreams have deep meanings behind them. I hope you can help interpret the below dreams for me. It will be highly appreciated:

Dream 1

I dreamt I was in a foreign country. I am not sure, but I think it was Switzerland or Italy. In the dream I had gone there for vacation, but was considering living there for good. I also saw a few of my good friends there by chance, and was telling them that if they settled in that country, I will also settle there and we would all have a lot of fun there.

Dream 2

I dreamt I was lying down next to my ex-fiance. He was trying to touch me, but I did not want him to, and I kept reading from the Quran out loud. I don't remember what sura I was reading, but I kept turning the pages of the Quran and reading it fast.

Dream 3

I dreamt my friend was very fat (in real life she is slim and tall).

Many thanks

Hanan

Please Read this before translating the dream again..

Dear Sir,

By saying in the dream that she saw me and her deeply in love means that we were sitting together and were happy and reading something..she does not mean that we were having sex.. and the animals are not stuffed but they dry means they were skinny or thin..we have not till now even seen each other..we met over the internet and chat..but we have never till now talked about sex or any thing related to it.. and the boy she saw is me in the dream..please translate it again..i have kept the dream in inverted commas that means i am actually quoting her what she said to me..Thanks a lot for kind help..really i appreciate it.. may Allah bless you ameen.. the dream is in the second mail..
