### **Photo Gallery**

To display, share and store your images on the Internet has never been easier.

After spending a year and a half on developing, we today present a solution that enables you to show your photos in high quality on the Internet, share

your photos with others and at the same time benefit from a user friendly, flexible and safe backup of your image files.

The gallery is ready for use on your webspace. No registration is required, and Photo Gallery is free to use for all our customers.

Photo Gallery gives you the opportunity to create your own personal gallery on the Internet. It is up to you to decide, whether an image should be visible to everybody, or you prefer it to be private.

Gallery example:

[www.webman.biz](http://www.webman.biz)

We have produced some guides to make it easy for you to get started with your new gallery. You'll find them at the following links:

[Creating a Gallery](#)

[Using the Photo Gallery](#)

### **Larger webspace - more storage space at the same price**

It's a pleasure to announce that your webspace has grown:

Before 1.000 MB - Now 3.000 MB

Before 2.000 MB - Now 10.000 MB

Before 4.000 MB - Now 25.000 MB

We have increased the size of your webspace at no extra cost, to provide you a lot of room for upload of images to the new Photo Gallery on your webspace.

**500.000 customers have chosen One.com**

One.com has now passed 500.000 customers. The big increase in customers enables us to focus even more on product development. Thus we will also in the future be able to offer the simplest, most flexible and user friendly product on the market, for both the beginner and the professional user -

without compromising quality.

### **Islamic manuscript sells for record price at London auction**

**Koran dating to middle of seventh century sold for nearly 2.5 million pounds.**

LONDON - A Koran dated to the middle of the seventh century was sold for nearly 2.5 million pounds (3.1 million euros, 4.9 million dollars) on Tuesday, a world record price for an Islamic manuscript at auction.

The palimpsest (parchment page), which likely originated from the Saudi city of Medina, had been estimated to sell for between 100,000 and 150,000 pounds, London auction house Christie's said.

Christie's added that a carved marble capital (the decorative upper end of a column), which was probably originally from Cordoba, Spain, set a separate record for the highest price at auction for any Islamic stone carving, selling for 1.3 million pounds.

It had been estimated to sell for between 50,000 and 70,000 pounds.

The auction house did not say who bought either of the two items.

I do not know if you could call this an Islamic dream, but if you give me your opinion I'll tell you what happened to me the next night. What I experienced has an Islamic base. In my dream I was getting outside at night, as sometimes I do to take out the garbage plastic bag in the place next to the door. So I was doing this when I saw a lady trying to escape from a "man" who was wearing a kind of mask and something wire on the head, like a panache in different colours. This man saw me getting outside and decided to go behind me. I tried to be calm and get inside closing the door carefully. In my dream I knew this man was dangerous and "hunting" people, mainly ladies. I reached the first floor but felt me unsecure, there is an open corridor in the first floor, and in my dream I was afraid this man was able to reach me while getting inside my bedroom. I awoke at this moment. If you want to edit or delete Forum entries you can do so by logging in to the [Bravenet Members Area](#).

Thanks for presenting your dream, Niebla This dreams is telling you of a certain insecurity - enmity of some kind from someone. As I don't know the specific circumstances of your life, I'm unable to specify. But this dream does seem to have negaive connotations - fear, anxiety etc. If you want to edit or delete Forum entries you can do so by logging in to the [Bravenet Members Area](#).
