Dr. Azam's website caught our attention for a very special reason. In its contents he has a link to view pdfs of Quranic translations in several languages including hard to find Spanish, Korean, Chinese, Tamil, German, French and languages we did not even know existed. His link connects to www.alketab.com, where all these translations are available. We hope some of you might find this helpful in your outreach work.

We thank Dr. Azam for sharing this.

[Aqeedatus-Salaf] Shaykh Muhammad al-Maliki: "The jinn are a creation that fears the Believers most."

People

- **ABU ZUBAYDAH YUSUF AL EMREEKEE**

-

- 31 Jul 2008

To

- MAKTABAH-ALFAWAAID@yahoogroups.com

Shaykh Muhammad al-Maliki:

"The jinn are a creation that fears the Believers most."

Question:

Yaa Shaykh may Allaah Preserve you. Is it true that the jinn/shayateen are repulsed by frankincense (bakhoor) and the angels are attracted to it? Do angels accompany cats and do jinns occupy vacant places and if a person moves into a house that has been vacant for a period of time are there any procedures that the Muslims should take to free the house of jinns/shayateen?

Answer:

The Shaykh praised Allaah and sent salaah and salaam upon the Prophet ﷺ and then said: First of all let me give you this information and glad tidings: “The jinn are a creation that fears the Believers most.”

الذي غير و شدة با طريقاً شيطان سد لك إلا شدة با دخلتجاً و لا طريقاً سد لكت ما ال خطاب ب ن عمر ي ا: [1] و سد لم ع ليه الله ص لى The Prophet said to ‘Umar ibn al-Khattaab [1]: So the shayateen – the jinn, they are scared of the Believers, but they have a sense, they can feel the fear and fright of mankind. So if you become scared of jinns, they become brave and they start scaring you. So what you need to do is what Allaah ع لى says – I am not bringing this from my mind but from what Allaah ع لى says and from my experience

– Allaah ع لى says: ذَلِكُمْ: الشَّيْطَانُ يُخَوِّفُ أَوْلِيَاءَهُ فَلَا تَخَافُوهُمْ فَلَآ أَوْلِيَاءَهُ يُخَوِّفُ الشَّيْطَانُ ذَلِكُمْ: ع لى – It is only Shaitân

(Satan) that suggests to you the fear of his Auliya’ [supporters and friends (polytheists, disbelievers in the Oneness of Allâh and in His Messenger, Muhammad)]; so fear them not, but fear Me, if you are (true) believers. } [Aal-‘Imraan 3:175]

So if you are a real Believer do not get scared of the Shayateen.

Regarding incense this is not true – this is commonly known by the Sufis. The Sufis say that the shayateen run away from the bukhoor, the incense, but it’s not true. The angels like any good smell whereas the shayateen doesn’t like good smells, rather they like bad smells. That’s why they whisper for one not to take a shower and they whisper for one not to clean up and that’s why when the kuffar go to the toilet – when they urinate or pass stool, they clean with paper only and they don’t clean well –

that's why the shayateen control them.

Allaah ﷻ says to the Prophet ﷺ: وَأَرَأَيْتُمْ أَنزَلْنَا عَلَى الشَّيَاطِينِ أَرْسَلْنَا أَنَا نَزَّلْنَا لَهُمُ الْقُرْآنَ يَنزِيلًا عَرَبِيًّا لَعَلَّ هُمْ يَرْجِعُونَ [Maryam 19:83] {See you not that We have sent the Shayâtîn (devils) against the disbelievers to push them to do evil.} [Maryam 19:83]

And that's why Yaa Ikhwaan we need to always be clean and that's why the Prophet ﷺ encouraged us always have wudū' and to use perfume. The Prophet ﷺ said: مَا بَدَأَ اللَّهُ خَلْقَ الْبَشَرِ إِلَّا طَيِّبًا يَكْمَلُ مِنْ لَدُنِّي حَبِيبًا. It was made more beloved to me from your life the woman (the wife) and perfume. [2]

So it is good use perfume and incense, but don't think that the shayateen will run away and the angels will come.

It's true that the shayateen do not like good smells and the angels like the good smells; but at the same time don't let this idea captivate your mind.

I say this because some people will be captivated by this idea, then one day they will forget to perfume and then they will then thinking “O Shaytaan is here, Shaytaan is there, jinn is here and jinn is there” and if anyone whistles or anyone says something, (they say) “O that’s Shaytaan” – this is bad. But what can turn Shayateen away? Akhi, remembrance of Allaah, remembrance of Allaah can turn Shaytaan away.

Allaah ﷻ says: إِيمَانًا زَادَتْهُمْ آيَاتُهُ عَلَيْهِمْ تَلَيَّتْ وَإِذَا قُلُوبُهُمْ وَجِلَتْ اللَّهُ ذُكِرَ إِذَا الَّذِينَ { ... when Allâh is mentioned, feel a fear in their hearts and when His Verses (this Qur’ân) are recited unto them, they (i.e.the Verses) increase their Faith; and they put their trust in their Lord (Alone) ... } [Al-Anfal 8:2]

And the other ayah: الْقُلُوبُ تَطْمَئِنُّ اللَّهُ بِذِكْرٍ أَلَا { Verily, in the remembrance of Allâh do hearts find rest. } [Ar-Ra’d 13:28]

So do a lot of remembrance (adhkaar), the remembrance of the morning and evening, for entering the house, exiting the house, entering the toilet, exiting the toilet, entering the mosque, exiting the mosque, going into your car etc. You take all the remembrances that the Prophet ﷺ taught us.

So Inshaa Allaah you will be protected.

في بطش التي ويده به في بصر الذي وبصره به في سمع الذي سمعه كنت أحد به به ته أده فإذا ح تى بال نوافل إلهي في تقرب ع بدني ي زال ولا [3] And in the hadeeth Qudsi: Here Allaah ﷻ is telling you that as much remembrance, worship and optional worship you do for Him, He will protect your eyes, your ears, your hands and your legs.

That means you are surrounded by protection from Allaah ﷻ and Allaah ﷻ will send the angels around you.

But when you go to a house whether it is an abandoned house or it is your house or it is someone's house – even if it is your house whether empty or occupied, what you should do is say as-Salaam: {أهلها على وتسلموا احتسبوا بيوتكم غير بيوتنا تدخلوا لا} [An-Nur 24:27] [O you who believe! Enter not houses other than your own, until you have asked permission and greeted those in them.]

And in the other ayah: {الله عند من أنفسكم تحية على فسلموا بيوتنا دخلتم فإدا:} [An-Nur 24:61] (ع ل يكم) As-Salâmu ‘Alaikum - peace be on you)

So even if it is unoccupied you say Assalaamu ‘Alaikum yourself as Allaah ﷻ guides you.

By doing that, there will be no shayateen because as in the hadith the shayateen will stand by the door, when the person comes they listen, if he says Assalaamu 'Alaikum – if he remembers Allaah the head Shaytaan will say 'go back, go back you have no place here.' But when you come into the house silent or saying any words other than the remembrance, He says 'Ok come here you have a place to sleep you have food come, come' and they come into your house. [4] This is the way you protect yourself from the shayateen, it is not related to the bukhoor or this or that – that is from Sufism. Wallaahu A'lam.

I agree with you, but one fails to understand why authorities in Saudi Arabia who are the custodians of most precious sites in Islam follow the scientific knowledge in terms of moon citings. In fact they fixed in advance all the dates like Eid-ul-Fitr, Hajj including Eid-ul-Adha, Ashura etc. When they take full responsibilities why our Moulanas do not follow them. When astronomy can tell you when the next sun or moon eclipse going to be which happens to be accurate by the second then does it make sense these islamic clergy do not agree with the basic knowledge?

Keep up good work at least there are people around who can appreciate the advanced work for the benefit of fellow muslims.

Mr. Azam for how long your family is in UK? I have some families known to me who are there in UK for over 30 to 35 years. In fact I was planning to visit them these months but due to my doctor's appointment I had to postpone my visit until next year when I will go to Pakistan for few months. I love to visit in summer because summer here in Canada is very short.

Salam, Br. Amin Khokhar,

Thanks v. much for signing my Guest Book on www.freewebs.com/drumarazam with your precious comments.

You suggest a group project involving people such as myself creating "a uniform Site solely providing year-round calendar of Hijri origin." This is a commendable suggestion but I think group work has its problems in practice because so many of our fellow Muslims are stricken by the spiritual cancers of jealousy, enmity and discord - traits which go against the very fundamental teachings of our Great Religion. I

hate to be negative, but this is a major problem one encounters when dealing with certain fellow Muslims nowadays. That is why I always try to work without 'help' or hindrance - I find that, Masha'Allah, I can get more done and do it honestly too! I'll be in touch in the near future after following up your suggestion.

May Allah Ta'ala Bless you!

On going through your biographical timeline I am convinced you can draft our letter for donation of funds for building masjid in the area we live in. Although we live in about 25 to 30 km away from the Canadian famous city of Toronto. Toronto is mashallah rapidly booming with muslim population in lacs and Alhamdolillah there are plenty of masjids in the city. However,

this is a new area where we reside and we are hoping to establish the house of Allah as well solely to have islamic services for local muslims. The current economical fiasco gripping the whole world is preventing the local muslim population to donate generously but still we are hopeful if the oil rich islamic countries are approached with some special diplomacy then can come to our financial aid through of course their embassys in Ottawa a Canadian capital.

I am glad you intend to visit this side of the world. When you come to Canada please do stay here with us. Our Town is also closer to Niagra Falls a place every visitor eager to visit. I know you were in LA before but not sure if you happened to be in Toronto during your American's stay.

Please stay in touch.

Dear Dr. Umar,

AA.

Thank you for considering to draft a letter for fund raising events for constructing a masjid for local muslim community. Inshallah I will discuss the points you have outlined with other members of committee who think if we start planning now then by Ramadhan community might open their hearts and come up with what we are looking for. The points as you have mentioned can be incorporated only when are in final stage of construction. Actually the idea behind securing your expertise was to approach heads of states of oil rich Islamic countries to channel some funds from their oil revenue which they are piling up due to rise in crude prices. Actually what I heard is they indeed help foreign projects through their embassies. Meanwhile I still insist that please do prepare the draft considering from scratch. You can mention in the memo we only accept the offer after producing solid evidence of the proposed project.

Salam, Br Khokhar,

Many thanks for your generosity for offering to host my stay in Canada some time in the future; Insha'Allah, I will be happy to accept your kind offer if I venture into Canada in the near future.

And it is a laudable aim of ours that you intend to arrange the construction of a Mosque in your locality close to Toronto , Canada . It will be my pleasure to draft a letter which appeals for funds on behalf of your organization – and *having* an organization is the key to being given funds by Governments, institutions and wealthy individuals! So, in my experience, for you to be taken seriously, and your organization would then be able to benefit from even *millions* of dollars, you need to include certain information in your letter of appeal:

1. The exact location of the Site [so first a site needs to be specifically identified]
2. Details of the firm of Architects which will be consulted and then given the job of planning the Mosque building.
3. Details of firms of solicitors and accountants who will manage the legal and financial matters that

are bound to crop up.

4. An estimated figure of the cost of the *total* sum for which the appeal is being made.

5. Any other information that your Committee may identify as necessary to be made public.

Br. Khokhar, please see the following Website which is at the moment doing in Manchester , UK what you yourself intend to do in Canada ;

www.alfurqancentre.org

An appeal has been made for this Mosque and some of the strategies involve donors buying 'space' etc.

If you wish to just send a basic letter without any evidence of relevant groundwork, I will Insha'Allah be able to draft that for you, but the appeal may well fall on deaf ears!

Br., tell me how you wish to proceed further and I am willing to offer my help to you, whichever strategy you choose.

May Allah bless you!

Re: HALAL INGREDIENTS REPORT

asalamualaikum.

thank you for your notes on halal product's since i lived here in indonesia,there's many of those company product's especially coca cola,that have rumors on pig's blood.
anyway your study is very usefull for muslims in knowing the right stuff

according to Allah.

anyway there is this theory, from my brother muslim, he's from physics background, about the creation of the Earth and the Universe according to Al-Quran that Contradict with The Big Bang Theory, one of it is the Arsy (Allah Throne) is could mean in universe Ages ago Is WATER. whilst now it's existence is across the universe. now Allah Arsy is Above that.

there is Another Theory about The Horn Of Sangkakala (Qiyamah), is Black Hole, you see a Death Star Could Shrink it's matter after a Huge Explosion. whilst in physics theory a Matter is can be shrink but only for a 0:.....0 Second after that it will explode to a normal shape. But a Black Hole is a Shrinking Death Star that can have a Diameter smaller than 1/2 cm (0.5cm). and it can last so for long. until now....!?

the Question is What Sort of Energy (state of matter) that can hold it's shrink in a time that last for so long (Centuries). and it have huge gravity that can even absorb a Light...

Question 1: what happen if a black hole Release it's energy (explode)

Question 2: a Big Qiyamah (Qubra) in Qur-an is said that the Star's will Fly. thus the Mountain's in earth are too.. the resemblance with this ayat is that a Big Qiyamah is happen in All Universe... While Black Hole Existence is Spread in the Universe...

SubhanAllah AllahuAkbar,

MAy Allah Forgive me if i have said something wrong.

that's for now .

anyway please comment your opinion.

Wassalam,

Wa laikum salam, Rehmana

This dream is telling you that when you do get a rishta, your financial situation will change for the better [symbolised by hairstyle, clothes etc. even insect parasites symbolise wealth!]. I pray Allah gets you out of the difficulty of finding a decent husband soon. Ameen.

Re: Interpretation of your dreams, further advice please

thank you ever so much for the dream interpretations, i am very grateful and it was a great help, i was wondering if i could ask you for further advice:

i have just had an operation few weeks ago and i was diagnosed with endometriosis on my uterus, as well as polycystic ovarian syndrome (pcos) subhanallah, i have been in pain for years and severe pain for about 9 months, which makes it difficult for me to walk, symptoms of this disease are usually, (painful menses), irregular menses, fertility, fatigue, painful bowel movements, and pelvic pain, there are more but these are the most common and the ones i remember right now, i have most of these symptoms, i have a son, but from the life before islam, am newly married to someone who i love very deeply and would like to give him children by the will of Allah, but it is very difficult for me to conceive, but we are trying anyway because Allah gives,,,,,,,,, so my questions are:

1:) is it haram to get a hysterectomy, (removing organs such as ovaries, uterus.....) as it will stop this pain as well as other symptoms, i want to give it time because i do want to try to have a child first with medical help, or maybe you know about islamic medicine i can take to help me get pregnant,.....

2:) my husband and i have an agreement as well as a contract that if he marries again i have the right to leave, he actually gave this right up for himself he said walahi i will never marry while i am with you,,,,, but now with this problem i feel very bad because i have a child, but if he got married i would not be able to stay because am in love with him, he is actually my first love, and i have had a very hard life and cannot bear anymore pain, i am hoping that i will be able to get pregnant for him, but if i don't what do i do, can i also mention that he is the only man in my son's life, he is raising him as his own, and although my son knows he is not his father he looks up to him as he was,

.....i hope i haven't confused you very much, sorry for my spelling mistakes i am spanish and my english is not perfect,

thank you one again in advance ,

yours truly, your sister in islam

um AbduRahman
