**WA LAIKUM SALAM, SAMEIRA
THANK YOU FOR ASKING ME TO INTERPRET YOUR SISTER'S DREAMS.**

first dream 2 brides nicely and fully dressed. sthe dress was red but she can not remember if both the brides outfits where red. the faces are unknown/unclear to visualise.

ANY DREAM OF A WEDDING SYMBOLISES FORTHCOMING HAPPINESS. IF THERE WERE 2 BRIDES, THAT WOULD SUGGEST BENEFITTING FROM TWO KINDS OF HAPPINESS, OR HAPPINESS LASTING FOR 2 YEARS ETC.

second dream Myself sat on the staircase and my father looking up at me are arguing with my mother watching in distress. then my sister comes from upstairs to break the argument - and she claims that she told dad to go away clearly! which he does. (this dream was similar to what happened in reality years ago when i was living with my parents before marriage)

DREAM SOUNDS AS IF IT IS A "SUGGESTION OF ONE'S OWN MIND" AND THEREFORE LITERAL & YOU YOURSELF SAY THAT IT DID HAPPEN. THEREFORE IT DOES NOT REQUIRE INTERPRETATION.

third dream my sister can see a lady who she recalls the potential husband sisters. she is walking up and down the kitchen and the kitchen is very big and luxurious" there are other dreams which she can not recall memory of

THIS DREAM IS SUGGESTING THAT YOUR SISTER WILL MARRY A WEALTHY HUSBAND OR A HUSBAND FROM A WEALTHY FAMILY.

KEEP IN TOUCH! HAVE I SENT YOU THE HOLY QURAN ATTACHMENT?

Thank you for filling in my Survey Form for PRACTICAL ISLAMIC ADVICE on www.dr-umar-azam.com though why you used this particular form to discuss dreams I don't know. There is a 'Contact' section on my Site. If you feel that you do not wish me to interpret your sister's dream, I don't mind! People who ask me for interpretation generally feel pleased at the *accuracy* of my answers; for example, see

What you can do then is:

Here are the meanings of symbols in your dreams; they are taken from *Dreams and Interpretations* from Ibn Sireen [R.A.]:

Surah Yasin [36]: To recite it signifies religious orthodoxy. P. 117

Milk from an unknown source represents the FITRA conveyed by Islam and the Sunnah of the Messenger of Allah [Pbuh]. To offer milk or to drink it is a sign of religious piet and progress in the spiritual domain. P.43

Seeing the Quran in a dream means that you are rightly-guided in Islam.

Water; Drinking pure, sweet water of an unknown amount without being on a journey, nor having done WUDU, nor being in an unknown place is a promise of a life which is pleasant and without problems. P. 30

To dream of rice means the earning of livelihood after difficulties.

To dream of the Kaba means to be rightly guided in matters of Islam.

I should think that dreaming of Ayatal Kursi means relying on Allah for refuge against evil.

So, in general, it seems to me that you are a very religious person but it is challenging for you to remain that way. Seeing Shaytan, the frightening sea, people disunited etc. are all warning to you not to deviate from the path of Salvation that you are currently following. If you remain steadfast your whole life, other parts of your dreams confirm that Allah will place you in Jannah! InshaAllah you will have the resolve to do so.

May Allah Bless you! Ameen.

Salam valecum,

thank you very much for the interpretation of my dreams.

Recently I went to Omrah and while coming back i went to bathroom alone, nobody was their in the surroundings. i was scared also, after that i comeback to the bus and i dreamt in the earlymorning some dead body's and grave yards i was too much afraid then we reach home, and i read "sura Bakara" for three days still. but still i am dreaming graveyards. can you please tell me what does it means and do any thing i have to do.

To

Dear Dr Azam

The next lecture in the 'Your Manchester Insights' series will be held on **Thursday 25 September 2008** and will be presented by world-renowned researcher Professor Colin Sibley. Professor Sibley's lecture is entitled '**Finding Solutions to Problem Pregnancies**'.

The 'Your Manchester Insights' lectures are designed to showcase the excellent research being undertaken at The University of Manchester and offer the chance to hear from the key academics involved in this research.

Despite many improvements in obstetric practice and care and advances in knowledge through research, it is estimated that more than half a million women die each year as a result of pregnancy and childbirth and millions more become ill or disabled around the world. In his lecture, Professor Sibley will describe two of the most common diseases in pregnancy - pre-eclampsia and intrauterine growth restriction (IUGR). Babies affected by these diseases can suffer poor

health in adult life and an increased risk of heart disease, diabetes and hypertension. It is clear that the origin of many causes of pre-eclampsia and IUGR is in an abnormally functioning placenta. Professor Sibley will describe some of the work he and his colleagues are doing to better understand the placenta and what goes wrong with this organ in pregnancy diseases.

Professor Sibley is Director of Tommy's the Baby Charity Maternal and Fetal Health Research Centre at The University of Manchester, which is the largest pregnancy research group in Europe.

The lecture will be held on The University of Manchester campus (venue tba) at 6.15pm. Refreshments will be available from 5.30pm and also after the lecture until 8pm, so there will be plenty of time to meet fellow alumni and discuss the issues raised in the lecture.

Tickets are priced at £5 per person and can be booked online at [Your Manchester Online](#) (YMO). Friends, partners and colleagues are all welcome to attend.

In order to use YMO you will need to [register first](#) if you have not already done so, but this will only take a minute. You will be asked to give your Alumni Membership Number, which is below:

Alternatively, please email alex.j.murray@manchester.ac.uk to request a ticket.

We do hope that you will be able to join us in September,

I'm really too ill to keep fasts this Ramadan, so this holy month isn't going too well for me.

Interpreting your dreams psychologically, this is what I believe they're trying to tell you:

Your first dream is telling you that you are sad to lose Shahzad [black clothes] but you are still thinking of him [going to his house]. {I did advise you before to move on in your life & this you haven't done!}

The second dream is warning you that if you don't change your character [become more reserved regarding men – not finding every man attractive] you could jeopardise your marriage!

Salamalaikum wa Rahmatullah!

Happy Ramadhan, may Allah SWT make this ramadhan a true blessing for us that it will be the cause of our way to Jannah.

Brother, I want to ask you about dreams I see. My father passed away over 7 months ago & I always dream him but some of those dreams really have such an emotional effect on me as if it happened for real. This morning I dreamed that my father was in this box but it was made of transparent plastic he is laying down in there, I cannot see him but I can see that the cover of the plastic is kinda moistened cuz he sweating in that plastic cascade or box. Then I remember seeing him on his and my mom's bed where im laying down This time the box is like a carton box and it has now started smelling cuz its been long time since he passed away and we havn't burried him. . Then again I see him on the floor in the room he himself is again in the plastic box or covering but his bones are in 3 cartons and the cartons are on top of the plastic covering so I remove the box to see his face and all of a sudden he starts moving as if he is in pain so I quickly try to put the cartons back on top so that he is in peace but I can see his face and he tries to turn to his left side. He comes back to life, then I see him

sitting with his face really red and bigger than it was, and he was coming back to life. Me and All my family members are surrounding him. He comes back to life then he starts laughing I can see his teeth all perfect. But im thinking to myself that thanks God we did not burry him till now and im also thinking to myself that sometimes it happens that people come to life but die again after a while, so it might happen to him too. This and other dreams are bugging me please interpret this for me. May Allah SWT give u rewards for it.

Also my other big concern is that I have a cusin my cusins daughters are almost the same age as me. I always always dream them. Like they are all alive and live in the same city where I live but I don't see them in like months and months. Anyways all the time like always always I dream them, or at least one of their family members. Its different dreams all the time . Do u see a reason why Allah SWT is showing me them in my dream all the time like all the time literally. It has been years I dream them and constantly and frequently and always and wondering why.

Thanks a lot for ur help I appreciate it in advance.
