Salamalaikum again, Thank you so much for the interpretations. My father was a very pious God fearing person, prayed 5 times and fulfilled his duties as a Muslim everyone remembers him with his good deeds. He always was trying to guide us and encourage us to practice our religion islam. Is there a possibility that the dream can mean something else? before when i used to dream like this i used to think its Satan, now im thinking in this month of ramadhan there are no satans so why am i dreaming like this.

Secondly do you know any dua or anything at all that I will know what part my cusins will play at least I be a little bit prepared. I am so scared :(May Allah SWT have mercy on me and save me from all evils ameen.
Thanks again.

Wa laikum salam, Jeena,

I'm afraid the first dream is telling you that your father is burdened with sins in the after-life [sweating, left-side, pain] but he used to take life light-heartedly and was perhaps negligent of religion [big, red face, laughing]. You must pray, especially now that it is the Holy Month, that Allah show Mercy on your father.

Your second dream seems to suggest that your cousin & her daughters will play a big part of some kind in your life in the future.

Salamalaikum wa Rahmatullah!

Happy Ramadhan, may Allah SWT make this ramadhan a true blessing for us that it will be the cause of our way to Jannah.

Brother, I want to ask you about dreams I see. My father passed away over 7 months ago & I always dream him but some of those dreams really have such an emotional effect on me as if it happened for real. This morning I dreamed that my father was in this box but it was made of transparent plastic he is laying down in there, I cannot see him but I can see that the cover of the plastic is kinda moistened cuz he sweating in that plastic cascade or box. Then I remember seeing him on his and my mom's bed where im laying down This time the box is like a carton box and it has now started smelling cuz its been long time since he passed away and we havn't burried him. . Then again I see him on the floor in the room he himself is again in the plastic box or covering but his bones are in 3 cartons and the cartons are on top of the plastic covering so I remove the box to see his face and all of a sudden he starts moving as if he is in pain so I quickly try to put the cartons back on top so that he is in peace but I can see his face and he tries to turn to his left side. He comes back to life, then I see him sitting with his face really red and bigger than it was, and he was coming back to life. Me and All my family members are surrounding him. He comes back to life then he starts laughing I can see his teeth all perfect. But im thinking to myself that thanks God we did not burry him till now and im also thinking to myself that sometimes it happens that people come to life but die again after a while, so it might happen to him too. This and other dreams are bugging me please interpret this for me. May Allah SWT give u rewards for it.

Also my other big concern is that I have a cusin my cusins daughters are almost the same age as me. I always always dream them. Like they are all alive and live in the same city where I live but I don't see them in like months and months. Anyways all the time like always always I dream them, or at least one of their family members. Its different dreams all the time . Do u see a reason why Allah SWT is showing me them in my dream all the time like all the time literally. It has been years I dream them and constantly and frequently and always and wondering why.

Thanks a lot for ur help I appreciate it in advance.

Salamalaikum wa Rahmatullah

Mind your language you bloody so and so and so!

I have done no evil alarming people for a current fitna being spread through internet. **Why are you so angry on my below harmless words, are you guilty for what I mentioned below? Are you?**

I suspected you because of your suspicious email address and message,

softcopyofquran@gmail.com

Please note: this is not the same attachment I have been distributing before. It is a new one. I await your requests with pleasure; give me 24 hours to send the Attachment.

you must have come to know that there are some people who are distributing a fabricated book by the name of “The True Furqan” in Kuwait in printed form and even it is available on internet. We all have to be aware of such things and avoid obtaining Softcopy of Quran from all un-authentic sources.

It is a duty for all of us to be careful and investigate / interrogate all such copies being distributed through internet. There is nothing wrong in a security check, isn't it? Don't let your words expose your family background, if I have made a mistake suspecting you - **prove me wrong!** Do send me a copy of your Quran and **I shall be apologizing. I am eagerly awaiting your positive reply.**

I shall request all of you brothers and sisters to be watchful for fake / fabricated copies of Quran which are in circulation through internet.

Dear Mr. Qaseem,

Thanks for the correction, I regret if you felt hurt. Perhaps it was extempore reaction. First mail was never meant to hurt anyone, it was only a word of caution. You know, we can't see who is punching keyboard to push a mail, we have to be careful especially in such matters. Raising an alarm on suspicious

matter was the only motive there.
