DR Azam

Thank you very much for the attachments. May Merciful Allah (SWT) grant you immense blessings in this Holy month Insha-Allah. Ameen.

Dr Azam, just a question please if I may, the file which Dr Arshad Chaudhry sent to you, were you not able to download as PDF?

I received a Quran and DVD's from him with Arabic and English translation, but unfortunately I cannot bring to work, and regretfully I do not have access to WEB so I couldn't view his attachment. That's what I have been looking for as PDF, Arabic Text with English Translation.

Thanks once again for taking the time.

Death in a dream represents the end of a phase or of some stage in your life. Anything your father tells you is the truth because there is no falsehood in the life after death.

Hello Dr Azam

I had a dream last night I was wandering if you could interpretate its meaning to me.

I had dreamt that I was in place not anywhere I have seen before, I didn't see any sky but the ground was sandy or dusty. There were people there, mainly men I think... All of them holding out their palms which had a small flower pod growing from their hands, I think it was their left hands... these were single flower pods, closed up, and green, probably 5 cm in height, all of them had their hands open showing them... Then I heard God telling someone else, but God was talking about me when he said this that, 'If I want I can make a flower grow out from her hand'. I put my left out and I saw my skin peel back from the thumb region of my palm, there was no blood, and from my wrist, like a vein, a thin green stem grew through my wrist, out of the region peeled back and grew into the pod same as the rest, but it carried on growing, taller and taller, probably just below a foot in height with a thick stirdy stem... as it was growing it was blooming beautiful, colourful flowers from the stem... My mother was there and Rasool Allah (SAW) was also there I think, and she was saying to him and others there, 'Look these flowers are strong, they will not break,' and she grabbed one of them and was pulling it in tension to show that it doesn't break or tear and didn't. It was around 4.30am when I was woken up from the dream.

If you could let me know as soon as possible the meaning, it would be of great help to me.

I look forward to hearing from you soon.

Kind regards

Tasawar

Salamalaikum wa Rahmatullah brother thanks for the interpretation. I am absolutely confident that my father is in peace cuz he was a very pious God fearing person. Its not just what I say but its everyone's opinion who knew him. But I will give some sadaqah inshAllah.

Sorry, Jeena - I was so busy yesterday that I didn't quite understand the precise nature of your question. I'm afraid the interpretation of the dreams you mention is severe:

"To see oneself alive in a grave is a sign of imprisonment and great distress." Ibn Sireen, *Dreams and Interpretations* p. 61

I THINK YOU SHOULD GET FOOD, PRAY QURANIC VERSES OVER IT, DEDICATE IT TO THE REWARD OF YOUR FATHER & DISTRIBUTE IT TO THE LOCAL MOSQUE, FAMILY AND FRIENDS. INSHA'ALLAH, THIS ACTION WILL GIVE YOUR DAD PEACE IN THE GRAVE.

Above: 'The True Furqan'

PLEASE DO NOT ignore this, send it to as many muslims as u can.

The new AMERICAN Quran: a dangerous trick A new Quran is being distributed in Kuwait , titled 'The True Furqan'. It is being described as the ayats of the Shaytan and Al-Furqan weekly magazine has found out

that the two American printing companies; 'Omega 2001' and 'Wine Press' are involved in the publishing of 'The True Furqan', a book which has also been titled 'The 21st Century Quran'! It is over 366 pages and is in both the Arabic and English languages... it is being distributed to our children in Kuwait in the private

English schools! The book contains 77 Surats, which include Al-Fatiha, Al-Jana and Al-Injil. Instead of Bismillah, each Surat begins with a longer version of this incorporating the Christian belief of the three spirits.

***And
this so! called Quran opposes many Islamic***

beliefs. in one of its ayats it describes having more than one wife as fornication, divorce being non-permissable and it uses a new system for the sharing out of the will, opposing the current one. It states that Jihad is HARAAM.

This book even goes as far as attacking Allah, Subhanahu wa Tahala!

All this is poisoning our children at approx. \$3.

Brothers and Sisters please make sure you forward this email to as many people as possible so that we can stop this dangerous trick.

Please tell everyone you know and may Allah reward you.

Television with built-in Qur'an!

K.T. Abdurabb, Arab News

DUBAI : A television with built-in Qur'an! LG Electronics has announced the Middle East-wide availability of the **only TV in the world with built-in Qur'an**, to honor the holy month of Ramadan.

LG's latest Time Machine plasma/LCD TV allows viewers to **listen to the Qur'an, search and bookmark passages** - all on the TV screen. The Holy Qur'an incorporated into the plasma/LCD TV includes all of the 114 surahs, allowing users to search for specific verse and bookmark up to 10 favorites with record and stop button on the remote control.

The TV also allows viewers to **listen to the Qur'an**, an excellent feature for allowing several people to study and understand the scriptures together. **Amultilingual interface** allows viewers to navigate and **read the text** in Arabic and Farsi. At the top of the screen is a status bar that displays the name of the surah, verse numbers and the time of day.

"As a brand that respects Muslims, LG is committed to ensuring that we offer solutions that meet local needs, and the built-in Qur'an TV comes as a part of this effort," said H.S. Paik, president of LG Electronics Gulf FZE

In addition to its special features for Ramadan, this TV also includes LG's Time Machine technology, which allows viewers to **pause and rewind live TV shows**, and **record shows for later viewing**. The **built in 160 GB hard drive** is large enough to store 40 football matches or 30 full-length movies. LG's Time Machine TV with the built-in Qur'an facility is **available in LCD/PDP 37, 42 and 50-inch sizes**.

Best Time For A Dua....!!!!

Middle of the night:

The Messenger (Peace and Blessing be upon him) said: "The Gates of Heaven are open at midnight, and a caller calls, 'Is there a supplicant that his supplication may be granted? Is there a petitioner that his petition maybe granted? Is there a distressed person so that his distress may be removed?' At that time, no Muslim makes a Dua but that it is answered, except for an adulteress who trades with her body, or a person who gathers his money unlawfully." [Sahih al-Jami' 2968]

At the time of Azan and between it and the Iqamah:

The Messenger (Peace and Blessings Be upon Him) said: "A Dua between Azan and the Iqamat is not refused, so make du'a at that time." [Ibn Khuzaymah, Ibn Hibban]

The Messenger (Peace and Blessing Be upon Him) said: "Two kinds of du'a are not rejected - or rarely are they rejected - du'a at the time of the call for prayer, and du'a at the time of fighting when the warriors are engaged with each other." [Abu Dawud]

On Friday after 'Asr The Messenger (Peace and Blessings Be upon Him) said: "Friday has twelve periods. Among them is a period when no Muslim asks Allah for anything but He grants it to him. Search for that period late after 'Asr." [Sahihal-Jami' 8402]

When it is raining:

The Messenger (Peace and Blessings Be upon Him) said: "Two kinds of du'a are not rejected: du'a at the time of the call for prayer, and du'a during rain." [Abu Dawud]

Being a parent, while fasting and while travelling:

The Messenger (sallallaahu 'alaihi wa sallam) said: "Three types of du'a are undoubtedly granted: a parent's du'a for his children, du'a of a fasting person, and du'a of the traveller." [Abu Dawud]

While Making Sujood:

The Prophet (Peace and Blessings Be upon Him) said: "The servant is closest to his Lord while in sujud, so ask Allah in that time."

Laylatul-Qadr:

Aisha asked the Prophet (Peace and Blessings Be upon Him) What should I say on Laylatil-qadr? And he replied, O Allah, indeed you are a Pardoner, and you love pardon; so pardon me "Allahuma inaka afuun tuhibul afua Fahafu Anni"

In the name of Allah, the Beneficent, the Merciful.

All praise is due to Allah, the Lord of the Worlds.

The Beneficent, the Merciful.

Master of the Day of Judgment.

Thee do we serve and Thee do we beseech for help.

Keep us on the right path.

The path of those upon whom Thou hast bestowed favors. Not (the path) of those upon whom Thy wrath is brought down, nor of those who go astray. [the Holy Quran- Sura # 1, Ayat 1-7] - AMEEN

"Say: we believe in God and in what has been revealed to us, and what was revealed to Abraham, Isma'il: Isaac, Jacob and The Tribes, and in (the Books) given to Moses, Jesus and the Prophets, from their Lord: We make no distinction between one and another, among them, and to God do we bow our will (in Islam)." (Qur'an, Al-Imran 3:84)

"So,verily,with every difficulty,there is relief."-[THE HOLY QURAN,094.005]

"If Allah is your protector,none can overcome you,and if He forsakes you, then who can help you? Trust Allah and have faith in His sovereign power"[Qur'an, Al-Imran, Surah 3:160]

"Faint not nor grieve for you will overcome them if you are(indeed) believers."[Qur'an, Aal -e-imraan-3, Aayat 139]

"And say "O my Lord! I seek refuge with Thee from the suggestions of the Evil Ones.And I seek refuge with Thee O my Lord! lest they should come near me." [Qur'an, AL-MUMENON 023.097-98]

"O ye who believe! Fear Allah and be with those who are true (in word and deed)." [Qur'an, Al-Tauba,009.119]
