Salam

Thank you for your email. I never really believed in using taweez, I've always relied on duas and reading the Qur'an. My Iman and belief have been terribly effected by what happened with me and I don't want to do anything that I have doubts about doing or something I didn't trust in before. I just started a wazifa yesterday and also some duas, INSHALLAH this will help. If you are aware of any good wazifas please let me know. Also would it be possible to get Maqalid As-Samawati wal Ard Dua;

I have read through Practical Islamic Advice, MASHALLAH it's very good. I'm glad it's been posted online for everyone to read.

Thank you once again.

Salam

[aawaz-e-dost] The Quranic Treasures - Pocket-size, short book is an anthology of its selected verses.

## What does the Qur'an have to say?

This should be important to know for all who are concerned with humanity and peace in this world, torn apart by strife, hatred and violence. It should be important whether one believes that the **Qur'an** is the Word of God or not.

**To know what the Qur'an says is important because the Qur'an has made a deep and abiding impact on the course of human civilization and history in many fundamental ways' because it has been inspiring, shaping, governing, and directing countless human lives over the ages, since it first appeared fourteen hundred years ago. And, it still does.**

The **Qur'an**, among all other books believed to be divine, is the only book which itself claims, and is believed by its followers, to be literally the word of God. Those who first heard it from the lips of the prophet Muhammad had absolutely no doubt that, through him, God was speaking to them. It totally transformed them: it quickened their hearts, it reshaped their minds; it made their eyes overflow with tears and their bodies tremble with awe, it changed them into new individuals, as well as a new society and polity; it lead them to be the leaders of making and founders of a rich and flowering civilization.

**However, everyone cannot venture to read the whole of the Qur'an though its length is less than that of the New Testament. Yet**

everyone should have the opportunity to taste the delicious fruits in the garden of the Qur'an.

**The Quranic Treasures** is a small step towards the fulfillment of the enormous task of making the words of the Qur'an heard in our times. **This pocket-size, short book is an anthology of its selected verses, arranged under various topics.** Though an anthology by its very nature has to leave out much precious and important material, these selections, it is hoped will give even the unfamiliar and the uninitiated a good glimpse of the vast treasures of knowledge and wisdom offered in the Qur'an, and will bring them face to face with the light that the Qur'an is.

This short pocket book, it is also hoped may spur and tempt the readers to take up the reading of the whole of the Qur'an. Even the believers may find it a useful companion for keeping in touch with the Quranic Teachings and making them heard in our times.

Office of the Publisher  
Poetry Division  
London, U.K.

28 October 2008

Dear Umar,

As you may know, Noble House is one of the foremost publishers of fiction and nonfiction works by new and established authors today. Our international poetry division has had the honour of publishing thousands of poems over the past twelve years.

Recently, I had the pleasure of reading the poetry that you have had published in the United States. I congratulate you on this grand endeavour, and propose to you that your singular talent and vision deserves appropriate international recognition as well.

For this reason, I have posted this letter to request your permission to include one of your favourite poems in [Favourite Memories](#) - a new poetry edition that is being distributed worldwide by Noble House . . . a collection of poetry that is perhaps unlike any you have ever seen . . . one where each poem is featured on its own page, and one whose quality is reminiscent of the finest 19th century antique poetry books.

Hearken back, if you will, to the days of Emily Dickinson, Alfred Lord Tennyson, Elizabeth Barrett Browning, and William Wordsworth . . . the age of grand bookmaking. Poetry editions were some of the most highly prized volumes because of their intimate attention to detail - quality typography, fine ivory laid paper, and colourful, ornate covers. Umar, for this edition, we've returned to the traditional size, style, and quality of these classic 19th-century antique poetry books. Scheduled for release in Spring 2009, [Favourite Memories](#) will surely become one of your most treasured keepsakes. Your publication in this edition will establish you as an international author and afford you the respect and admiration attendant to such an honour. The International Copyright notice for your poetic artistry will, of course, be in your name, assuring that you will retain worldwide rights to your work of art.

Best of all, [should you decide to obtain a copy of the edition](#) for your personal library, or as a wonderful personalised gift (you are, naturally, under no obligation to purchase a copy - notwithstanding the publication of your work in this edition), as you proudly turn its pages, you'll find it one of the best values on the book market today. At only £22.99 (U.S. \$45.55) for a hardbound, 225-page edition printed in two colours on ivory laid vellum, with a finely crafted and highly detailed cover and a single poem to a page, this edition promises to exceed your expectations, and it will enjoy pride of place in your home. In fact, its quality is guaranteed. If for any reason you are dissatisfied, your money will be completely refunded in U.S. dollars with proper dispatch.

Umar, you may also wish to consider giving the public some insight about you and your artistry for this poetic showcase . . . perhaps the meaning behind your poem, or your own philosophical perspective. Because an entire page in the book is devoted to honouring your poetry, [we can feature this additional material](#) about you and your poetry (up to 100 words) on the verso leaf opposite your poem . . . you will thus have two full pages devoted to you and your artistry.

Umar, may we have permission to publish your work? Regardless of whether you purchase a copy or not, the international public deserves to see more of your artistic talent. You may [Submit Your Poem](#) and biographical information, and give us permission, all within the confines of the next page. And if you are inclined to order a copy of [Favourite Memories](#), you

may also do so at the same time.  
Sincerely,

Nigel Hillary  
Publisher, Poetry Division - Noble House U.K.

P.S. For poets who may wish to obtain supplementary copies for gift-giving, to display, or for merchandising, special case pack discounts are available. Please consult the [submission and order form](#) for further details.

Brother -

Insha-Allah, it shall be a form of salat (prayer) to do this noble endeavour.

I have a daughter who works in UK (London) as a nurse.

May Allah bless you for the works you have been doing on da'wah.

As the Prophet (pbuh) said in one hadith: "Seek knowledge even as far as China."

Now with technology, knowledge about Islam is just a website away...

Alhamdulillah, sokor...

Brother -

Yes, Hj Abdul Majid is the name I was given after the hajj. Officially, I have the name Nagasura T. Madale. The word Nagasura is taken from two words: Naga, meaning dragon, my zodiac sign, and ashura, the 8th day of Muharram. My parents put the two words together and got the name, Nagasura. My friends call me Naga or Prof. Naga T. Madale.

Am sorry for the confusion and again, sokran alhamdolillah.

## **Russia Embraces Muslim World**

Siraj Wahab & Samir Al-Saadi | Arab News

**JEDDAH:** Russia renewed its commitment to stronger ties with the Muslim world, vowing respect for religious values and a stronger voice for Islamic nations on the global stage at a forum with Muslim leaders here yesterday.

President of Tatarstan Mintimer Shaimiyev took a friendly dig at all those who have a habit of blaming Muslims for everything that goes wrong in the world.

"Thank God, Islam is not being blamed for the global financial crisis," Shaimiyev said, speaking to reporters on the sidelines of the fourth meeting of the Russia-Islamic World Strategic Vision Group

Tatarstan President Mintimer Shaimiyev shares a light moment with Makkah Gov. Prince Khaled Al-Faisal in Jeddah on Tuesday. (AN photo by Abdullah Bazuhair)

at the Jeddah Conference Palace.

He said Russia has become a natural partner of the Muslim world. "One can say that Russia has clearly defined its strategic path in the Muslim East. It has become a natural partner of the Muslim world," he said.

Shaimiyev, one of the group's Russian co-chairmen, noted the meeting is primarily about "restoring the required level of trust and predictability in our relations, as well as making clear that the aspiration to develop long-term cooperation with the Islamic world is not just a politically expedient issue for Russia ."

Tatarstan is one of the republics of the Russian Federation . Shaimiyev said there is mutual interest in developing cooperation between Russia and Muslim countries.

"One should bear in mind the fact that a strategic partnership with Russia, which seeks a multi-polar world order and does not encroach on values, traditions, authenticity or sovereignty of countries of the Muslim East, is very important for Muslim countries as well," he said.

" Russia always occupied a special place in the Islamic world. In Soviet times, global problems were not solved without Russia . Today, the situation has changed and it is necessary to direct affairs using the intellect rather than weapons as it used to be. Tatars have a proverb: 'The one who is strong will beat one, and the one who is clever will beat a thousand.' Our age is an epoch of rivalry of wits and modern technologies," Shaimiyev added.

"During the years of Perestroika , Russia 's positions in the Islamic world considerably weakened. Now the role of Russia has grown

noticeably ... This will certainly positively affect the influence of the Islamic factor on world politics," Shaimiyev added.

The forum is being organized by the Saudi Foreign Ministry and is specifically discussing Custodian of the Two Holy Mosques King Abdullah's initiative for interfaith and intercultural dialogue.

In an address from Russian President Dmitry Medvedev read by Shaimiyev at the event, Medvedev wholeheartedly supported King Abdullah's initiative.

"Russia, a country with observer status in the Organization of the Islamic Conference, intends to abide firmly to its course to expand active interaction with the Islamic world. In this connection, I think a broad discussion of the initiative to further develop interregional dialogue proposed by King Abdullah is of crucial importance," he said.

"I am also convinced that the implementation of the Russia-proposed idea of forming a consultative council of religions under the UN aegis will help strengthen the moral principles of world politics, facilitate deeper interconfessional communication and, in a broader context, promote the dialogue of civilizations," the Russian president wrote.

"The illusion of the unipolar world is becoming a thing of the past in front of our eyes. This strategic forum can contribute significantly to the search for ways to make the situation in the world healthier and to attain a new level of global partnership," Medvedev wrote. "I am convinced that Russia 's active interaction with the Islamic world will help build a fairer system of international relations, where the factor of force will finally stop playing the role of a universal instrument to settle all emerging problems," he said.

Minister of State for Foreign Affairs Nizar Obaid Madani said: "We highly appreciate Russia 's interest in the development of long-term

and multifaceted cooperation with the Islamic world."

The president of Tatarstan later called on Makkah Gov. Prince Khaled Al-Faisal at the Makkah Governorate on Madinah Road . "You look very much like your late father, King Faisal," Shaimyev told Prince Khaled.

During the course of his discussion with the governor, Shaimiyev reminisced about King Faisal's visit to Russia in the 1960s. He also presented the governor with a CD highlighting that visit.

The Russia-Islamic World Strategic Vision Group was created in 2006 as an advisory body to increase cooperation in all fields between Russia and Islamic countries.

The meeting in Jeddah concludes today.

Dear Dr. Umar,

I had a dream couple of days back and I want your advise on the same:

" I saw in my dream that I have purchased 2 properties (individual house). One from my uncle and other from the third party. Both the properties are within my financial budget and I am extremely happy that I bought both properties"

Dr. Umar,

Please note that since couple of months, I am looking to buy property in India suiting to my budget limit. I am looking at different propeties but nothing materialised yet. So I am always getting worried. I was also very much intrested to buy one of my uncle's property; but he refused to sell. I was very much

intrested because it is from my fore fathers. Moreover, please note I am not in that good terms with my uncle due to family problems.

Please advise on my dream.

Thanks.
