Salam

hope u r fine and doing well..

tell me abt these dreams:

i saw some mixed up dream, i was in pakistan, and i was crossing the road, so beside me was all garbage.I wanted to take a side, meanwhile a guy with donkey was also crossing the road, so I just moved a step to let him cross first.

then i crossed the road... i saw my dad, elder sis, bro.. all were trying to find my youngest sister,...
then scene changed.. i saw I crossed the same road ... my youngest sister in white cloth(as kafan), but she looked like she was 4-5 years old(but in real she s 17 yrs)
so i shouted her name... , i also listened my elder sis voice as she was cryin in the loud voice,
I keep shouting her name, then i saw my youngest sister she opened her eyes, but i was continously shouting her name, and loudly praying to allah , please let her wake up... i know You will not do this to us...so my youngest sis opened her eyes but her eyes lookd so bigger in size and a little weird.
then I saw she was closing her eyes again... dream ended.

I woke up... that whole nite i was prayin in my bed... May allah give a long life to all of my family as i got afraid ...

same nite.. i saw another dream...

i saw I was in my cousin's home.. someone told me that my mother's bro has been died....

em jus worried...!

wat is the interpretation for above 2 drearms?

and also when we saw sum1 died in dreams what does it mean? can u tell me in detail, with some islamic references.

Many Thanks & Best Regards,

Hina

Dr. umar,

Thank you very much for your kindness help.

I saw this dream couple of months back, when i was really in depression because of my marriage, when it will be how with whom and all.

i saw that my marriage is going on... i saw my home many guests... i didnt saw myself in red dress (as in pakistan bride dress is of red color usually),

but i saw my mayu day (its kind of ceremony before marriage day).

it was like understood, dat i was gettin married to my friend (as i usually saw him in dreams)

and also i clearly listened dates 6th & 8th August...as these are my marriage dates.

can you please let me knw interpretation.

one more..

i saw this dream twice.. with a long gap.

i saw i am standing in home's balcony... it was raining... i was happy to saw thats it was raining...

then suddenly i saw on sky.... it was nite so sky was dark,,,, suddenly i saw some colors on sky... rain stopped

it was like someone was drawing on sky... the marriage signs... it was v amazing and bright and colorful

i saw it and i started calling everyone at my home..come and see wats dat..

but it was like.. at one end it started ... by the next end it was removing.. so i was the one who could see that...and dreams ended

it was v uncommon ... n nice dream...

many thanks,

Hina

Wa laikum salam

Death means the end of a phase associated with the person you see dying. Your youngest sister could be getting engaged and married and leaving the house i.e. dying because she will no longer live in the parental home. Crying in a dream can actually represent joy! Regarding your uncle, the way he deals with you will change i.e. he may become hostile if friendly or vice-versa. See also the following link:
