To

Dear Sir

Aslam Alekum

This refers to my previous mail , i appreciate your reply and effective guidance which i am using /reciting hekals & keys as suggested.

However, I have one another dream for which need your interpretations . I shall be highly grateful.I do ask because i found you my source of inspiration & guidance may Allah send blessings on u.

i am working in the oil company since last many years and presently our Managing Director having not good liking for me therefore i am posted at place which is out my civil engineering profession and no significant assignments to me/ hence my dream pertains to it.

Dream:

" I can see many people sitting around for an occasion and there is no chair vacant to sit but only available vacant seat was besides our Managing Director , so i choose to sit there , after a little while i can hear big respiratory sounds of my managing director with anger when i turned my face to him observed being very angry on me as why i am sitting beside him so relaxingly? keeping in view i changed my sitting behavior to be submissive even than he remained uncomfortable. while sitting there one of lady came and ask me to bring something and later i see my mother asking me about our manging director standing far from there that who is this man in your company? i replied he is our big boss.she said : perhaps he is angry with u and i have requestedhim to be ease with u"

while during the whole episode my MD did not spoke to me neither i had any word with him.

kindly interprate for me as this dream was so vivid and also important for me.

Regards

Tariq Mahesar

Hello

- [Hina Javed](#)

- 

- 15 Feb 2009

To

- me

Salam,

hope ur fine & in a good health.

I guess now you will remember me as I always keep asking you about my dreams.

so yesterday night i dreamt:

I saw i was leaving for hajj, with my mom & youngest sister. my father & some of the relatives were in home.

my father was a lil worried dat we all were going for hajj.

so i saw we left for hajj, and there was very rush and conjested place (as always in hajj)& i was taking care of my mom & youngest sister, i saw many peoples in white dress i dont remember dat dress was ehraam or wat...

i havnt seen anything else like kaaba or any other thing.. i saw only that we all were jus walking nd going somewhere.

then i saw we all reached home back safely after hajj.. i was tired & i hugged my dad as i have returned from hajj.. and all of my relatives.

but I didnt shake hand with my male cousins as i thought it was a bad thing.

then i woke up.

Many Thanks & Regards,

**Its cement is of perfumed Musk.**  
**Its chips are pearls and Yaqoot.**

Its sand is Zafraan.

There are eight doors of Jannah. These are eight grades of Jannat

1. Jannatul Mava
2. Darul Maqaam
3. Darul Salaam
4. Darul Khuld
5. Jannat-ul-Adan
6. Jannat-ul-Naeem
7. Jannat-ul-Kasif
8. Jannat-ul-Firdous

### Food of Jannah

They will eat foods and fruits continuously up to 40 years.

Every bowl will have a new taste.

They will take eructation which will digest the food and there will be perfumed sweating for the digestion of water.

### Place Name

There will be gardens in Jannah.

Every garden will have the length of about 100 year's journey.

The shadow of these gardens will be very dense.

Their plants will be free of thorns.

**Their fruits will be hanging in rows.**

**Jannatul Mava is in the lowest,  
Jannat-ul-Adan is the middle &  
Jannat-ul- Firdous is on the highest.**

**Those who love each other for the sake of Allah will get a pillar of Yaqoot,  
On which there will be seventy thousand (70,000) rooms.  
These will shine for the residents of Jannah as the sun shines for the residents of Duniya.**

**There will be rooms in Jannah in such a way that every room will have seventy thousand (70,000) dinning sheets.**

**On every dinning sheet 70,000 types of foods will be served.

The size of a single grape will be equal to a big pitcher.**

Jannah requests Allah that O, Allah; make his entry into Jannah.  
And if a person makes Du'a for safety from Jahannum three times,  
The Jahannum requests Allah that, O, Allah; save him from Jahannum.

My question is about chatting.

Is chatting haram according to principles of Islam....

I haven't log in to chat rooms for chatting ever in my life....bcuz i hate chat rooms....

n also blocked unknown contacts on ma messengers....

I don't like to waste ma time as i m student so i m also busy in my studies but sometimes once in a week i luv to spend ma time vid ma friends n dats y i sign in on saturday nights for sharing talks etc since i dun have enough time to visit them monthly....

n can i talk to male ....since there is no intentions for him ,no love stories like typical girl friend or boy friend have but can v talk on normal routine if our parents also know about this....

I need ur help in this regard and looking forward for ur reply..!!!

Re:thanks for replying so soon!!!

- Ayesha Tariq

To

- me

hmmm.....i m glad to see ur reply so soon!

Now i ll proceed my story .....

There is a man in my messenger who is expertise in web development.As i m a student of computer engineering i have added that man for the seek of gaining knowledge but my aim was left behind i gain a little bit about adobe shop software but didn't reach to web development.

Then one day i was talking to him i guessed that he believe in Peer O Fakeer etc i confirmed n he admitted, i guess u know about Peer.

n he told me he wanted to perform Hajj vid his peer sahab at that time i have been to umrah n i suggest him to let ur parents accompany vid U when u left for Hajj as its a big reward for U that u give them opportunity to perform Hajj on ur expense.

Then Allah Almighty has blessed me vid a big owner n within one year of performing ma Umrah i was called out by Ma Great Lord for performing Hajj.

I m very thankful to Him that He bestowed me vid this big honour.

I haven't talked to that man after ma umrah so much bcuz i avoid talking to man but b4 departing for hajj i send message to all ma contacts to forgive me if i ever have hurt ya.....

on that day he said me congrats n realized me that how lucky m i that i m going again to that Holy place.He said pray for me at Roza-e-Rasool.I said not infront of Khana Khabba well he said no infront of Roza-e-Rasool.

He also added that he loves alot vid Holy Prophet(S.A.W.W) n do watever his peer sahab told to him

When i came back he said do ya pray for me infront of Roza-e-Rasool.

I said no....

but I prayed alot for U infront of Baitutllah also in Madina i have prayed for him but wanna add here one thing that v have to ask for our supplications to Allah Ta'la not vid adding refrence of Holy Prophet(S.A.W.W) as he himself ask his supplications direct to Allah Ta'la so v also did same as our Holy Prophet(S.A.W.W) did.n i believe in supplications alot if u r pure n ask for our supplications vid pure heart to Allah Ta'la He ll always listen to us.

Now i started delievering lecture to him about supplications n all stuff that believe in One Allah dun believe in others but he didn't pay any heed towards ma lecture n keep on saying tell me howz ur first sight experience all other talks are foolish then i said these r my personal feelings i m not going to tell it to U...n i quit

he said i have submitted my application as a cleaner for Madina i said y dun u opt Baitullah as a cleaner.....he said ma peer sahab give me

suggestion for Madina.

but the matter is that i want him to learn something good dun opt those works which r included in BIDADAT....

but my teachings were left behind i haven't told him something good nor i have learnt anything from him.

I just give him pray that Allah ll inshallah call ya bcuz i believe in ma prayerz that Allah ll always listen to His mankind.n then i said Allah ll also give u lesson wat is right n wat is wrong.but the matter is still there i never like to chat vid that man nor i share jokes,ma personal talks or his personal life i just wanted to teach him something but time didn't give me opportunity to teach him something n i left all the things he still wanted to talk but i quit ??do u think it is also good or should i prepare my lectures again to teach him something good which is benefical for his life forever....?????

ohh its too long to read sorry if i have wasted ur alot of time.....

well this is my university id so i dun like to use my personal name here.but i have id vid ma personal name on hotmail n gmail.

Looking forward for ur reply n hope to disturb u again n ll discuss something related to dreamssss...

All da best for ur life n keep it up for ur website efforts.

May u give the best to ur readers.

God bless U n Ur family

Fi Am'an Allah

Asalaam Alaikum

thanx for sending me the attatchment SELECTED ISLAMIC CORRESPONDENCE VOLUME 2.

could you please interpret these 2 dreams for me. please.

i was meant to be going to the school prom but i didnt go. but this muslim boy in my class who had gone to the prom really stuck out in the crowd he was wearing an oversized royal blue coat.

i was then sitting at my grandmas house in a room by myself watching tv, wrapped in a blanket. my mum came in with a transparent glass jug containg isbaghool husk mixed with water. i cupped my hands and she poured it into my hands. i then drank it. then my dad walked in with a bottle of milk and poured that into my hands and i drank it. he then said "we have to change your name what do you think of Zulfiqar Rabia Qureshi"

in the other dream i also saw the same muslim boy, it was in one of my lessons, i went over and helped another person in my class , after a bit i saw i was drawing a black mark around 3cm in diameter ontop of his knee and he didnt even notice.

thank you  
jazak allah khair
