Subject: Did Delivery of the Holy Quran fail?

Assalamu Alaikum,

Over the twelve months or so I've received lots of Requests for the Holy Quran Attachment and I have always tried to send the Quran punctually. But I've also received dozens of notices from *Yahoo!* informing me that 'Delivery Failed'.

Because I received more than 877 Requests, it's going to be *too complicated* to try to match the 'Delivery Failed' email address to the matching inbox Request. Such a task could take many hours, even days!

So now I'm sending the Holy Quran Attachment to *all* of my Contacts. I await your email confirming receipt and enlightening me as to whether you did get the Quran before too or whether you're one of those who've been waiting for your copy because of the 'Delivery Failed' problem.

Dr Umar

PS Feel free to tell friends/relatives that the Quran Attachment can be delivered to them if they put in a Request to:

softcopyofquran@gmail.com

You can take the following Attachments..... from:

English Translation Attachment <http://dr-umar-azam.weebly.com>

Urdu Translation Attachment..... <http://doctorumarazam.weebly.com>

Wa'salaam Dr Umar

A lot of people were asking if Fanta Apple was indeed haram and I sent your e-mail to all of them. Thanks.

I have another question for you. There seems to be some controversy around the reliability of one of the Halaal authorities, MJC (Muslim Judicial Council). Apparently, they were involved in bribery, specifically with the Rainbow Chicken issue. Is this true? Can the Halaal certificate be bought? Are we eating haram food as a result?

P.S. I did receive the Holy Quran. Do you possibly have a transliteration copy?

AN INTRODUCTION

- Majeda Rahim

-

To

Dr Azam

I would like to introduce myself to you because I feel that you have touched my life in more ways than one and for that I am eternally grateful. Well in a nutshell I work in a credit environment during the day and in the evenings and weekends I work as a qualified counselor and reflexologist and meridian therapist. I live in Johannesburg South Africa. I have three kids (one biological and two acquired from another mother's womb and enveloped in my heart), a beautiful set of parents and two siblings. My husband passed away eight years ago in a fatal robbery

I just wanted to say, it is a gift to develop ways to share perceptions either visual, auditory or otherwise and you are bestowed with that gift. To share them is maybe what being alive is all about. Thank you for a peek into your own special view of reality, it may entice more to look beyond the surface illusions that confront us.

May Allah always grant you happiness as happiness surpasses everything in life.

Allah has used you as an instrument in my life, for that, I thank you

I do apologise if you feel that the above information was unnecessary
