**Assalamu Alaikum,**

Just E-mailing to check that whoever requested:

1. Holy Quran Attachment
2. Azafa-E-Rizq Dua for more income
3. Dua for a Palace in Jannat

Received all 3 Attachments.

1. If you didn't receive any or all of them, please accept my apologies and put in your Request again. I have receive dozens of requests, so I may have made a mistake. Also, I have been surprised that I have received a DELIVERY FAILED NOTIFICATION even when an email address is correct, valid and 'live' ! So, it may not have been a mistake by me why you didn't get the item. For the sake of Islam, I' ll try again and again if you indicate you are still awaiting any of these Islamic resources.
2. If you didn't put in a Request before, please do so now and I' ll email the 3 Attachments.
3. Please tell me if the Azafa-e-Rizq Dua has worked. I can tell you that it has worked

for me personally in the last few weeks, Alhamdulillah.

4. Sorry if this message is duplicate; contacts from two of my email addresses unavoidably overlap.

5. If I can send you any other Islamic resource or answer any question, do let me know.

**Wa laikum salam, Rehmana**

**Thanks for signing my Guest Books.**

**I always reply v. quickly to you because, if I left the answer for later, it would get submerged in all the other work and then**

you wouldn't get my response.

You could be write that your dream about marriage was negative:

### Marriage

To see a marriage in your dream, signifies commitment, harmony or transitional period. You are undergoing an important developmental phase in your life. The dream may also represent the unification of formerly separate or opposite aspects of yourself. In particular, it is the union of masculine or feminine aspects of yourself. Consider the qualities and characteristics of the person that you are marrying. These are the qualities that you need to look at incorporating within yourself.

To dream of a proposal of marriage, suggests that some situation will take a turn for the worse.

To dream that you are getting married to your ex, suggests that you have accepted aspects of that relationship and learned from those past mistakes. Alternatively, it means that a current relationship shares some commonality with your previous relationship with your ex.. However, you will not make those same mistakes.
