Shaitaan enters a persons heart through its weaknesses

As mentioned earlier, Shaytan gradually misguides mankind through waswaas but he does not use the same approach for everyone. People differ in their nature, personality and ways of thinking, so what appeals to someone, may not appeal to another. Shaytan may seek to conquer someone by exploiting his love for money, while he may subdue another by his lust for fame, or might delude another by emotion. So, Shaytan has different ways to enter a man's soul and misguide it - these doorways to a person's heart are referred to as, 'weakness of man.'

Ibn Jareer mentioned that Yazid bin Qusayt said, 'The Prophets used to have Masjids outside their cities, and if a Prophet wanted to consult with his Lord about something, he would go out to his place of worship and pray as Allah decreed. Then he would ask Him about whatever was concerning him. Once while a Prophet was in his place of worship, the enemy of Allah - meaning Iblees - came and sat between him and the Qiblah (direction of prayer). The Prophet said, 'I seek refuge with Allah from the accursed Shaytan.' The enemy of Allah said, 'Do you know the one you are seeking refuge from, Here he is!' The Prophet said, 'I seek refuge with Allah from the accursed Shaytan' and he repeated that three times. Then the enemy of Allah said, 'Tell me about anything by which you will be saved from me.' The Prophet twice said, 'No, you tell me about something in which you can overpower the son of Adam.' Each of them was insisting that the other answers first, then the Prophet said, 'Allah says, 'Certainly, you shall have no authority over My servants, except those of the astray who follow you. The enemy of Allah said, 'I heard this before you were even born.' The Prophet said, 'And Allah says, 'And if an evil whisper comes to you from Shaytan then seek refuge with Allah. Verily, He is All-Hearing, All-Knowing.' [(7): 200] By Allah, I never sense that you are near but I seek refuge with Allah from you.' The enemy of Allah said, 'You have spoken the truth. In this way you will be saved from me.' The Prophet said, 'Tell me in what ways you overpower the son of Adam.' He said, 'I seize him at times of anger and times of desire.' [See, Tafseer Ibn Katheer for the verse (15): 42]

Ignorance, Ingratitude,
Argumentativeness, Overstepping the
limits, Carelessness, Pride, Doubt,
Suspicion, Despair, Hopelessness,
Recklessness, Haste, Inappropriate joy,
Self-admiration, Wrong-doings,
Oppression, Negligence, Miserliness,
Stinginess, Covetousness, Going to
extreme hostility in cases of disputes,
Panic, Fear, Rebellion, Tyranny,
Love of wealth
are doorways of Shaytan into a man's
heart.

Imam Ibnul-Qayyim said in Igaathat al-Lahfaam (1/32), 'The Shaytan flows through the son of Adam like blood, until it is as if he becomes part of him, so he finds out what he likes and prefers; once he knows that, he uses it against a person and enters into him through this door. He also passes this information on to his brothers and allies among mankind, so that when they want to achieve their nefarious aims against one another they do so through means of that which people love and desire. Whoever tries to enter through this door will gain entry, and whoever tries to enter through any other way will find that the door is barred to him and he will not get what he wants.'

Imam Ibnul-Qayyim further explained how Shaytan used this trick to mislead our father Adam (alaihi-salaam) by appearing sincere towards him, he said, 'So, the enemy of Allah sensed what our parents liked, and felt that they wanted to live forever in that abode of joy. He knew that he could not reach them in any other way, so he swore to them by Allah that he was one of the sincere ones and said, 'Your Lord did not forbid you this tree save you should become angels or become of the immortals.' And he (Shaytan) swore by Allah to them both (saying), 'Verily, I am one of the sincere well-wishers for you both.' [Soorah al-A'raf (7): 21]

Please feel free to correct anything against Creed & Manhaj of AhlulSunnah. Barakallah. [MMS]

Just sending it again to make sure you will receive it, and also waiting for interpretation.

Salam,

yesterday was 4th day of istikhara,

i saw:

" i was with him (the one for doing isitkhara), we were in car going somewhere out.after sometime i suddenly asked him to stop the car and he stopped. i came out of the car and saw the place it was all greenish, weather was so gud, there were some cages in which there are some animals

like ducklings, ducks, quails and some other and one or two of the birds/animals dead bodies were there also but still it was a gud and calm place. cages were as looking some in old conditions not very clean. actually that place is like a passage there were houses around it. and i was happy to be there and I told him that long time back i used to come with my friends while going to some tution center. and then we both left that place and going somewhere else. while we were sitting in the car, 1 boy having some surah/quran in his hand, started begging. and that guy gave him some money but i objected because he didnt deserve this he could do some other work as he was young and normal. anyways then while sitting in the car he put his wallet in front pocket of his shirt. then i took his wallet from his hand and said some thief would come and took your wallet. so i put it in my purse and i saw I have many gold in my purse (it was bangles and stuff) it was all mine, and i put his wallet in purse and put the purse down near my leg for safety purpose. one more thing..car was ok.. it wasnt so expensive one."

thats it.

Thank you,
Hina

Iman (Monica) Aparicio Christianity to Islam *Recommended Viewing* Beautiful Story.

This sister became Muslim after her daughter started questioning her about various beliefs such as the trinity and she asked why she had to pray to the cross. So Monica started on her path to find the truth, and alhamdulillah she found Islam. This is a really amazing story about how someone found guidance in Islam. She also talks about her own experience in Arab countries with what she sees as problem, with their lack of understanding about Islam.

Turning Muslim in Texas George W Bush may be backed by Christian fundamentalists but in his home state of Texas , Islam is the latest big draw.

Eric was a Baptist preacher before he became a Muslim 14 years ago. Now he prays five times a day – even in the middle of watching a football game. His wife, Karen, also a convert, is covered from head to toe in the traditional Muslim Clothes. Islam, says Eric, ‘is everything I wanted Christianity to be’. His mother has found it hard to come to terms with her son’s conversion and believes he will return to the Christian faith: ‘Then he will be a *dynamic* preacher.’ Eric says: ‘Maybe some day she’ll embrace Islam.’

Muslim in the Family UK In the current climate, converting to Islam is not an obvious choice or an easy one, either for converts or their families. So, why have 14,000 Brits (and counting) now taken that leap of faith? In *A Muslim in the Family*, Rageh Omaar tries to find out.

For the four converts featured in the documentary, conversion is a positive step - but one that demands sacrifices of them and can cause worry and confusion for those closest to them.

Ultimately, though, it is a hopeful film. At a time when many people talk about "a clash of civilisations" between Islam and the West, converts just might become a living bridge between Islam and the West.

Sister Amy was a student at Birmingham University . This video shows how she has become Muslim and interviews her family as they find out about her changing from Christianity to Islam. Her father and Brother speak about how she has changed positively. That she never used to like going out to clubs or getting drunk, she was always looking for a better way. Her family realise that she is a lot happier now that she has found Islam. Video also shows Amy discussing her previous life, her views on marriage, finding the right hijab and the way Muslims live.

Sister Carolyne in England accepts the truth and becomes Muslim, Love for Islam.

Carolyne decided to become Muslim. *Carolyne says> "if any human being doesnt question why we're here, then... i think there is something wrong in that. One part of me was saying that it might upset people if i did this, it got to the stage in January, three years ago, when i just thought i have to follow this, this is the right way. I like to identify myself as a muslim..... .. I do think i really should be covering my head....."*

May Allah bless him, one of the most important people in 20th Century Politics and American History.

Islam in Nederland (Netherlands !) Video about Revert Muslim women in Holland .

This video focuses on the lives of some Dutch Muslim women and their families. Their life as Muslims in Europe .

MashaAllah, they really love and practise their deen as much as they can. They try their best to make their families be comfortable and understand why they took the decisions that they did to become Muslim and to worship Allah alone. Thanks to sister Hajar for translation.

Sister Crystal Talks about her life Before and After Islam

Sister Crystal Talks about her life Before and After Islam. The sister is from Canada . She was from Christian background, she found many inconsistencies in her Religion. She had always wanted to know more about who her creator was. When she was at college she met Muslims and found what they said was interesting. She had a Muslim boyfriend and had relationship with him. A Christian Arab tried to make her stop

from becoming a Muslim by giving her biased anti-Islam literature. He would even give the literature to her mother. This made the Sister interested, so she went to the Mosque and tried to discover more about ISlam, she found that what the Arab man was telling her was wrong.

Muslim in the Family UK In the current climate, converting to Islam is not an obvious choice or an easy one, either for converts or their families. So, why have 14,000 Brits (and counting) now taken that leap of faith? In A Muslim in the Family, Rageh Omaar tries to find out. For the four converts featured in the documentary, conversion is a positive step - but one that demands sacrifices of them and can cause worry and confusion for those closest to them. Ultimately, though, it is a hopeful film. At a time when many people talk about "a clash of civilisations" between Islam and the West, converts just might become a living bridge between Islam and the West.

English Brother Yusuf Adam Explains Why He Became Muslim!

Yusuf recalls how he spoke to a neighbour about Islam in 1997. She had asked if he had ever read the Quran. At first Yusuf thought this was stupid, but, he decided to read it "just to shut her up", so he could have "an intellectual discussion with her" anyway. It took him six weeks to study the Quran and he was amazed and interested by its beauty and truth. The brother read about the Prophets Abraham, Jesus and others and read about Tawheed, Correct belief monotheistic belief in God. This affected the brother and he became Muslim. Alhamdulillah.

People who became Muslim Due to 9/11 (i.e. Researching About Islam):

Jewish And Catholic Women Women Become Muslim After September 11.

AlJazeera Interviews some American New Muslim women who became Muslim after 9/11. Aljazeera and FoxNews both interviewed Angela Colins, an ex-Catholic from sunny California . Safiya, who used to be an American Jew... Lost 8 of her relatives in September 11, however, this did not make her blame Islam for the actions of the perpetrators of September 11. Instead, she loved Islam and became Muslim. Having studied Islam and the Quran both women found out, that it has little to do with the extremist actions of a few lone people..... but it gives true meaning to worshipping God alone and not associating any partners with him. It is God's true message to mankind.

Angela Colins Muslim After September 11 on Fox News

- She Became Muslim After 9/11. She had many of her family members who died on September 11th. She studied Islam and came to find it to be quite different from what other people told her. . and the way the media perceived it to be. She reverted to Islam from her Catholic Faith. Now she is a Muslim teacher. Be sure to check out the Aljazeera interview, which also has an American Jew who turned to Islam after September 11..

New Muslim Reverts This Ramadan! (Allison Poole & Barbara Cartabuke) in New York , post-9/11 CNN Interview:

More And More People are Turning to Islam, especially after 9/11. September 11 has led to the media giving Islam a lot of attention. Although, the media has mostly reported negatively about Muslims and Islam, it has made people research about Islam. This has led to many to find the Truth about Islam and readily accept it as their faith.

CNN states that 1/4 of the 6 Million Muslims in the United States are Revert Muslims (Converts).

Allison Poole was Raised as a Southern Baptist Christian. She became Muslim this Ramadan. Alhamdulillah! Since becoming Muslim, she feels more at peace and finds Islam has made he life much better as she has the right belief in God. Her family is completely behind her decision, but she finds fellow Americans still misunderstand Islam and say bad things.

Barbara Cartabuke is also an American who has found Islam post 911. She was a Catholic who always felt praying to Jesus and reading Hail Mary's was wrong. When she found Islam, it was a breath of fresh air and answered all her questions regarding the reality of her existance and of true belief in God.

Youngest Muslim Reverts in The World. Children in England Turn To Islam.

This video just Shows kids who were interested in Islam. They were attracted to the Mosque and wanted to learn more about the Religion of Islam.

Nobody has gone around to actually tell these kids what to do, it is by their own free choice and they just like going to the Mosque and like Muslim culture.. This documentary tells their story and how the children miss not being able to go to the mosque. This is juxtaposed to the views of their siblings and family..

4 New Muslims from 4 Corners of the World

This is A great Documentary telling the story of Four people who have Reverted to the beautiful and true religion of Islam and how their life has changed for the better. They give accounts of their lives from before Islam and after reverting to Islam.

This is an interesting video for those who want to know more about Islam and what it means to people who follow it.

Brother Rasid from Christianity to Islam Bismillah, Brother Rasheed used to be a Christian and God was always important to him, he grew up and was influenced heavily by the hiphop culture in his teen years and he became materialistic. Alhamdulillah he later found Islam. In This video he talks about his life before Islam and how he became Muslim and why.. Interesting story about how he forgot to pay for an item and whilst on his way back to return the good, was caught for shoplifting. This made him embarrassed as he was from a kind and good family, even though he was innocent. It made him think about God and Islam.

Yusuf Estes Journey to Islam. How he became Muslim.

Brother Yusuf Estes was a Christian Preacher, but Alhamdulillah he found the light of Islam and became a Muslim.

He gives a very interesting little talk here about his life.. Infact, he looked at Arabs and Muslims in a negative light and only knew what the media presented to him.

It was through his interaction with Muslim people and from studying Islam that he came to understand Islam and know that it was definitely the Truth.

He became enlightened with regards to the true belief in God and in Jesus.

Its quite funny too. Islamic information Video.

-----Sister Jan is an English Revert to Islam. She explains why she loves Islam so much. She converted from Christianity, "my friends say you were a Good Christian, why have you sold out?, almost is what they would imply.. my answer to that is well i didnt know about the Prophet (Muhammad) so its been enriching of my faith"

....." It was only in the 1960s (in England), when we (women) could open a bank account without having our husband sign the bank cheque. Islamic Women have always had those rights. If i stick to what the Quran says to me, and what the message is, it is very clear to me, that i have total equality. Just do what it says, and nobody can argue with me on that.".....
