Hi,

Thanks for putting on the Quran readings on my Site.

I've looked at the award images you've designed and feel that the smaller one is the better of the two; that's the one I'll choose, but could it be as big as the larger one (but exactly as it is otherwise); regards, Rod.

My name is Yusuf Olalere Adewale, one of the contestant in the last competotion. Honostly, i felt on top of the world when i got the certificate you posted. At this junction, i will like to express my appreciation on the vast priviledge you have given over the question. Again, i say may ALLAH in His infinite marcy continue to rain in youe life and shall increase you in wealth and health(amen).

What has prompted me to quickly mail you is that the cheque you posted have not been cashed. because, here, in Nigeria, most of the banks are not rendering international service. what i mean is that the name i saw on the cheque, ABBEY NATIONAL has no branch here in Lagos, Nigeria. i don't know any other where i can cash the cheque. i guess it would have been better if i have an international account as well an account with bank that does international money transfer, but i don't have any.

please, i will be very grateful if you can use western union money transfer to send the money or i should give you my aunty's account she recently open with United Bank For Africa (UBA) because they what it is called MONEY GRAM.

Sir, i shall be very grateful to receive your reply as soon as possible. Also, 'am still expecting the books you about to post to me.

A message from sam_abc123uk@yahoo.co.uk:
Dear Brother/Sister, Asalamu Alaykum,

I'd like to invite you to join the 'Muslim-Civilisation' group. 'Muslim-Civilisation' is a list which offers members information about the formation of Civilisation under Muslim Patronage. We will deal with diverse subjects including the development of Philosophy, Mathematics and Science to the early development of Art, poetry and Architecture. The information will be provided through a wide selection of sources both on- and off-line and posted to the group by myself, so that all can

share in information about our heritage. The file section of the group will be periodically added to, with articles about famous Muslim scientists and philosophers who developed Human-science to great heights during the 1000-years of the European 'dark-age'. A little known fact that many non-muslim do not appreciate is that the renaissance that Europe under-went in the 16th Century was made possible only through the achievements centuries before by Muslim Philosophers and Scientists. This group was formed out of the desire to set the record straight and to provide information to Muslims that will enable them to engage in dialogue with their non-muslim friends and colleagues about the subject.

If this subject matter interests you or you're simply curious then subscribe to the 'muslim-civilization' group as soon as is convenient. Bear in mind that you will receive no more than one short email a day, plus notices if new files are uploaded to the group website. So you don't have to worry about your Inbox being flooded with dozens of messages daily. Furthermore only I will be posting to the group so if you wish to contribute with information or short pieces you write then you can send them to me and I will find an appropriate opportunity to send it to the group.

I hope you will find the group informative and useful to you.

Best Regards, Wasalam,
Sarmad.

A message from hanna_banana21@yahoo.com:

Assalamu Alaikum/Peace be on you dear friends,

We would like to extend our invitation to join muslim_youth_connection. A group/webresource open to everyone, regardless of religion. We believe you will enjoy being part of the group, reading informative articles, and discussing issues of importance to all youth. Check out our Postings, Files & Photos section; participate in our Poll, and visit our Links to totally Awesome websites. List your special event notices and exchange member contact information(under database). We need you to help us make it a positive place of exchanging information. We hope you will decide to join with us.

The purpose of the group is to be Pro-Youth.

1. Empower Youth - Post articles and links to websites with a positive portrayal of youth and to share stories of youth making a difference.
2. Encourage Youth – Post articles and links to websites showing the trials and temptations of youth and the Islamic solutions. (Peer pressure, Depression, Suicide, Anger, Worries, Stress, Drugs, Alcohol, and Sex)
3. Educate Youth – Post articles and links to websites about Islam to help non-muslims learn the basics and to help muslims better learn their deen.
4. Entertain Youth – Post Islamic stories, original writings of members, humor and links to websites to provide original and thought provoking ideas and also to provide wholesome halal entertainment and fun.

While Muslim Youth Connection is geared towards youth, we have members of all ages from 12 to 30 +. Many parents and grandparents have joined to share the articles posted and website links with their kids and grand kids. Many college students and youth leaders have joined who are active in MSA, MAS, Young Muslim, and MYNA activities. All ages are welcome to join and share and help each other. Prophet Muhammad(saw)said:"A believer with respect to another believer is like one building: one part strengthens the other." al-Bukhaari and Muslim).

We don't send more than 2-3 emails per day, and all emails contain articles/postings of highest quality or original contribution by the members. If you do not like to receive email, or are irregular in checking your emails, yet still want to join the group, there are few other options that you can choose.

One option is No email, another is Daily Recap (it only sends one email per day) and another is Special Notice (it will only email you when we have something important to announce and we would rarely use this feature). We prefer you choose Special Notice instead of no email. This way you will be updated about new features at the group site or important announcements.

We hope that you will decide to join the group.

http://groups.yahoo.com/group/muslim_youth_connection/

Even if you decide not to join, you are always welcome to just come and visit the site. Looking forward to hear back from you. Moderators of muslim_youth_connection: Hanna, Amani, Brit, Dawn, & Maqsd

WA LAIKUM SALAM, EID MUBARAK

'AN APE OR MONKEY REPRESENTS HIS ENEMY WHO IS DEFEATED. THE REASON FOR HIS DEFEAT IS THE FACT THAT ALLAH HAS DEPRIVED HIM OF HIS FAVOURS BECAUSE OF HIS SINS, INFAMY AND WICKEDNESS' IBN SIREE P.150

WA LAIKUM SALAM, NIDA

NOT ALL DREAMS HAVE A SIGNIFICANCE. IN MY VIEW, THE MONKEY COULD REPRESENT SOME ENEMY OR TROUBLE THAT YOU ENCOUNTERED IN YOUR LIFE, BUT YOU DEFEATED IT BY READING DUA [SYMBOLISED BY 'SUMUM BUKMUM.....']

THE LEAVES COMING TOWARDS YOU FROM THE QIBLA SIDE, AND THE RAIN, COULD SYMBOLISE ALLAH'S ASSISTANCE- THAT ALLAH HELPED YOU.

I CAN'T SAY MORE THAN THIS BECAUSE I DON'T KNOW THE DETAILS OF THE PROBLEMS YOU HAVE BEEN HAVING IN LIFE; BUT I DO KNOW THAT YOU HAVE BEEN HAVING PROBLEMS!

I HOPE YOU HAD A HAPPY EID.

IT SEEMS TO ME, SOBIA, THAT YOU ARE BEING GIVEN BEAUTIFUL, RELIGIOUS MESSAGES BECAUSE, PERHAPS, HE WANTS TO MARRY YOU; HE IS SINCERE [WE CAN MARRY UP TO 4 WIVES IN ISLAM]. ONLY HE CAN TELL YOU IF HE WILL MARRY YOU - ASK HIM. ALSO, WOULD YOU AND YOUR PARENTS BE HAPPY IF YOU BECAME HIS SECOND WIFE?
