I been working very hard during Ramadhan to compile an E-Book entitled 'Prayers In Islam'. This work is more than 500 KB in length and uses genuine Arabic font for the duas. Each dua has an English translation, as well as English transliteration. The Book is in full colour. Members who would like to receive a copy, sent as a Microsoft Word attachment, can e-mail me at: dr_umar_azam@yahoo.co.uk

Of course, once members receive the 'Prayers in Islam', they are then welcome to distribute it to their own friends and relatives (there is no copyright whasoever).

Asalaamu alikum Dr. Umar,

Recently we at YoungMuslims recieved an email about a new e-book that you compiled.

I would like to request a copy of this eBook. What is the book about--is it tips on salaah? A "how-to-pray" guide?

Also, I would like to know if it is ok with you if we place this eBook on our website. Many people visit YoungMuslims every month, and perhaps many of them could benefit from your work.

Jazakullahu khairan.

Salaam and good morning Dr Umar,
I've already done the changes to your site. If you cant see them try clicking the "refresh" button on your browser - maybe the old version of your website is being stored on your computer memory cache. If that still doesnt work try deleting the temporary files connected to the browser. You can do this by opening the browser then selecting: Tools> Internet Options... and in the temporary internet files section click on "Delete Files". Hope it works. If you still have problems seeing the new website please get back in touch with me.

Protect Islam.

Sallamalikum,

It is to our utmost concern and dignity in Islam and the good words of Allah that we seek your support and advise on this issue.

We are here united in Allah and by the principles of Islamic culture to promote Islam and protect our religion by our way of concern. I identify our mission and purpose as a group of Islamic fronts ,our location now is coded but due to concerns ,we are reaching out to our

brothers or help and support towards the general purpose of Islam. So far, as good Muslims looking to do Allah's work.

We have embarked on the building of an Islamic center for our prayers and a business center to support our purpose. Also seeing to other Moslem brothers and preachers. A ground has also been located for our animal market, these sources are intended to generate funds to support, protect our brothers and Islamic religion. Out of your charitable endeavor, we can make our dreams and mission come true.

This is the " Al_Mohammed Foundation" we are operating from the western region of Africa, due to the chase of Al Qaeda's, by the western, we resorted to this location to protect what we believe in, "ALLAH" and Mohamed the messenger.

We are expecting your brotherly reply and support financially, when we get your reply for support, we will relate our location and how your generous financial support will reach us. May Allah be with you.

ISHA ALLAH,
Al_Mohammed.

To

Assalam o alaikum,

Thanks for your reply. I have no problem of being second wife. I really don't

know whether my parents will accept this situation or not..

I m quite for last 3 1/2 years, and just 2 monthsback i told my sister about

his marrige. The reason for my quiteness...is my believe in Allah... I trust

Him blindly, and the second reason ismy dreams. Allah has always given me

some signs through it. But whatnext... i really dont know.

I know this very well that he is stillinterested in marrying me. and always

saying" that he will marry me,otherwise,he'll never marry again". He has

been seperated from his wifequite a long time ago.

The actual problem is... i dont want to hurtanybody... whether in my family

or in his family. I dont know how myparents going to react about his marrige

stuff... but his father isagainst it. He want him to continue with the first

wife. At one momenthe was ready.. infact his sister spoke to my mom also.

regarding ourrelationship, but did not mention about his marrige because i

stoppedhim to do so.... I wanted him to come over and face the situation.

Did Ido anything wrong???

I also told him.. if his parents are not ready sowe should quit our

relationship, because as I said earlier i dont wantto hurt anyone. But it

did'nt worked out.

I knwo my situation is verycritical and I have my self chose this way, I

trust Allah and His NabiKarim (SWS) alot but socially, I m facing problems

because of thisrelationship and some related to this.

I have never discussed anything with anyone except one... she is my twin

sister and she know in and out of me... but there are few things which i have

not mentioned to her...as she is far in pakitan and i m in dubai. I even

dont want to discuss my situation with anyone else... because no one believes

me... they are still suspicious that whether he exists or not.

You are Mashallah very experienced and i look you as a guide. I want you to

tell me anything or something in the light of Quran and Hadith only.

Sorry for taking so much time of yours. Looking forward for your reply.

Allahafiz.

IN THE NAME OF ALLAAH THE MOST KIND THE MOST MERCIFUL

24th Shawwal 1425 Tue 7th Dec. '04 11.30 p.m. (UK)

From Abu Muntasir to dear Dr. Umar,

Assalaam 'alaikum wa rahmatullaahi wa barakaatuhu.

Innal hamdalillaah was-salaat was-salaam 'alaa rasoolillaah.

JazaakumAllaahu khairan for sending me the material
and for your efforts.

You have asked me some questions and I will answer
them briefly in the order given:

a) The work is not really easy to read. The font is
too large, the line feed is not sufficient and all
English text is in block capitals. There is a lot of
Arabic material before the contents section. The
colour highlights are a challenge to the eye too.

b) The work can be useful if standard transliteration
is used as in the academia. The references can be
clearer and some notes on the authenticity of the
material according to hadith scholars are needed.

c) After due improvements as well as checking for
reliability and correctness of the du'a, it can be
shared over the Internet as you are doing.

Once again jazaakumAllaahu khairan for your efforts
and good intentions.

Wassalaam 'alaikum wa rahmatullaah.

Yes you did. I will, per your request, provide feedback; schedule has been tight lately.

WA LAIKUM SALAM, YUSUF. PLEASE GIVE ABOUT 10% OF YOUR MONEY TO BADMUS RAZAQ. THEN HE WILL COLLECT THE MONEYGRAM PAYMENT FOR YOU.

DR UMAR

**According to the bank(uba) they said that the money can not be given to him(mr.badmus)because it (the money)has been send since september.therefore,the sender should RE-send to ease the collection.So, if you sir can help me to either use my sister's name or to exercise patience till i will open a saving account with the bank,United bank for Africa.Moreover, i had intended to give him little from the money.however, he had wasted a lot of time which have open a door for the bank to say it must be RE-send.
