assalam u alaikum warahmatullah wabaraktuhu,,

thank you for the dua. Alhadulillah its nice, may Allah grant you reward for the effort.

You asked for comments, and i could only say that its nice except that i wish i could read arabic without vowels:-). Actually i can read arabic the way it is written in the quran with vowels. And i love to read dua with the arabic correct pronunciation.

Most of the dua i used in my prayers where the dua that i cut or got from the Quran. They are the dua of the prophets like the dua of zakaria in asking for good offsprings, the dua of solaiman for asking power or position "mulk", the dua of isha for asking "rizki" the many duas of ibrahim for good children, for knowledge, guidance, etc....there are lot of beautiful duas in the quran . I also love the dua of Moses in asking for relief of problems etc. Since its easier for me to memorize and read the arabic quran, that where i source most of my duas.

Many of my duas also are for asking ILM or increasing knowledge specially now that am back to the university taking up master of social policy at the University of Melbourne in australia.

thank you and may Allah grant us comfort in this world and in the hereafter, ameen.

massalama,

maryam

Assalamu Alaikum Wa Rahmatullahi Wa Barakatuh

Welcome to IslamCity

The intention of this egroup is for Muslims all over the world to share their knowledge and discuss issues especially those facing by our ummah.

One of the 99 Names of Allah:

Ar-Rahman

The All-Compassionate

The Most Gracious has imparted this Qur'an unto man. He has created man: He has imparted unto him articulate thought and speech. At His behest the sun and the moon run their appointed courses; before Him prostrate themselves the stars and the trees.

And the skies has He raised high, and has devised for all things a measure, so that you too, O men, might never transgress the measure of what is right: weight, therefore, your deeds with equity, and cut not the measure short! and the earth has He spread out for all living beings, with fruit thereon, and palm trees with sheathed clusters of dates, and grain growing tall on its stalks, and sweet-smelling plants. Which, then, of your Sustainer's powers can you disavow?

Ar-Rahman 55:1-13, tr. Asad

"A learned Christian Scientist who had converted to Islam had once said that it is mostly the most knowledgeable among Christians who convert to Islam while it is the most ignorant Muslims with no knowledge of their own religion who convert to Christianity."

Aslaamulaikum wa rahmatullah my dear brothers and sisters,

It has been brought to my attention that there will be an awful film appearing soon in America which depicts our Beloved Prophet Jesus (May the peace and blessings of Allah be upon him) as a homosexual, jus when we thought these people could not stoop any lower !!

Our beloved prophet was one of the greatest men , and this is just a mockery of his life, we have a responsibility as Muslims to do something about this... so act now, all you have to do is sign your names below ,this email was sent to me by a Christian friend, what are Muslim people doing about this horrendous thing??

Remember Allah SWT is all knowing and all aware, this is our deen that is being attacked we have a responsibility to stop it!!!

Please don't just forward it!! Please copy this message and paste the text in a new e-mail, then add your name to the list and send it to all your friends. When the list you sign reaches 500 names, please send it to: - [homasg@softhome.net](mailto:homasg@softhome.net) And then start again...

IF WE WORK TOGETHER WE CAN DO THIS. Thank You.

Assalamu Alaikum

I have compiled an e-book called '*Prayers in Islam*'. The book has duas in genuine Arabic font, English translation and transliteration and is in full colour. The booklet is available *on request only* to make sure that you only receive what you

wish; this is definitely *not* spam. 210 copies have been distributed so far, and feedback has been encouraging. To receive a free copy, sent as a *Microsoft Word* attachment, please send an e-mail to: [dr\\_umar\\_azam@yahoo.co.uk](mailto:dr_umar_azam@yahoo.co.uk)

Once you receive 'Prayers in Islam', you'll be able to print it out, save it in your 'received' folder, and even send it to your friends and relatives as an attachment too [there is *no copyright!*]. Apologies if you have already requested 'Prayers in Islam' [sifting through 210 e-mail addresses is not easy!].

walaikum sala,  
in fact i heard and read elsewhere in many books/  
articles that  
islam is very practica religion and you have to see  
your niyah first.  
your hart and imman shuld be clean and firm  
the circumstances as one faces due to environment, one  
has to adjust  
it is purity of body and mind both is important rather  
then the rituals, do this first or do this now and do  
this then , how why when , but, if etc. are ALL  
formalities of strict MULLAS .  
but fiqha and good - highly educated scholars are very  
fine in their views.

i am working in an envrionment where there is less  
then one % muslim and we all go once in a week to  
nearby bldg. where namaz salat of friday congregation  
held, in repeat order thrice..

🌹 As Salaam 'Alikum WA rahmatu Allahi WA baraktuh 🌹  
 Brothers & Sisters read all the way to the bottom ... Lets see if Shytaan can stop this one  
 .....:)

**STOP**

**Just remember-Allah is watching  
 you.**

*If we could get arrested for being a **Muslim**,  
 would  
 the police have enough evidence to bring us in?  
 Why is it so hard to tell the truth but yet so easy to tell a lie?*

*Why are we so sleepy in mosque but right when the prayer is over, we  
 suddenly wake up?*

*Why is it so hard to talk about Allah but yet so easy to talk about  
 nasty stuff?*

*Why is it so boring to look at a Islamic Article but yet so easy to look  
 at a nasty one?*

*Why is it so easy to delete a Godly e-mail but yet we forward all of  
 the nasty ones?*

*Why are the mosque's getting smaller, but yet the dance clubs are  
 getting larger?*

*Do you give up? Think about it ....*

**Are you going to forward this, or delete it?**

*Just remember-Allah is watching you.*

*Prayer Wheel, Let's see the devil stop this one! Here's what the wheel is all about. When you receive this, say a prayer for the person that sent it to you....*

*There are no costs, but wonderful rewards....*

*Let's continue praying for one another.*

*As we look at this article we realise how true the Messenger(P.B.U.H) was these signs were prophesized 1400 years ago!!!*

**Take a look.... Now this is scary!!!!**

- \* Camels will no longer be used as a means of transport;*
- \* People will ride on saddles that aren't saddles (cars?)*
  - \* The distance on earth will become short;*
  - \* Horses will not be used in wars;*
- \* Muslims will defeat the Byzantines which will end with the conquest of Constantinople Istanbul);*
- \* The Jews will gather again to live in Bilad Canaan;*
  - \* Very tall buildings will be built;*
  - \* The disappearance of knowledge and the appearance of ignorance, with much killing;*

- \* *Adultery will become widespread, and the drinking of wine will become common;*
- \* *The number of men will decrease and the number of women will increase until there are 50 women to be looked after by one man.*
- \* *Islam will become worn out like clothes are, until no one will know what fasting, prayer, charity and rituals are;*
- \* *Allah will send a disease to fornicators that will have no cure (Aids?);*
- \* *People will begin to believe in the stars and reject AL QADAR (THE DIVINE DECREE OF DESTINY);*
- \* *Men will pass by people's graves and say: "Would that I were in his place"; (large amount of suicidal deaths?)*
- \* *The Euphrates will uncover a mountain of gold for which people will fight over (the river of Alfurat that lies near Syria);*
- \* *Two large groups of people will fight one another, and there will be many casualties; they will both be following the same religion World War II?);*
- \* *Approximately 30 DAJJALS will appear, each one claiming to be the messenger of ALLAH;*
  - \* *Earthquakes will increase;*
  - \* *Time will pass quickly;*
  - \* *Afflictions will appear;*
  - \* *Killing will increase;*
  - \* *Wealth will increase;*
- \* *Women will be wearing clothes but not wearing clothes*

\* THE PROPHET (saw) SAID: "IF MY UMMAH BEARS 15

**TRAITS (QUALITIES), TRIBULATION WILL FOLLOW IT." (DAY OF JUDGEMENT) SOMEONE ASKED, "WHAT ARE THEY O MESSENGER OF ALLAH?" HE (saw) SAID:**

- \* *When any gain is shared out only among the rich, with no benefit to the poor;*
  - \* *When a trust becomes a means of making profit;*
  - \* *When paying ZAKKAT becomes a burden;*
  - \* *When voices are raised in the mosque;*
- \* *When the leader of a people is the worst of them; When people treat a man with respect because what he may do;*
- \* *When much wine is drunk; red wind or the earth swallow them, or to be transformed into animals."*

**\* 'IMRAN IBN HUSAYN SAID: "THE PROPHET (AS) SAID, 'SOME PEOPLE OF THIS UMMAH WILL BE SWALLOWED BY THE EARTH, TRANSFORMED INTO ANIMALS, AND SOME WILL BE BOMBARDED WITH STONES'. ONE OF THE MUSLIMS ASKED, WHEN WILL THAT BE O MESSENGER OF ALLAH?' HE SAID, 'WHEN SINGERS AND MUSICAL INSTRUMENTS WILL BECOME POPULAR, AND MUCH WINE IS DRUNK.'" THE GREATER SIGNS OF THE HOUR** The Quran will disappear in one night, even from the people's hearts, and no Ayyah will be left on earth. (Some groups of old people will be left who will say: "We heard of fathers' saying "LAILLAHA ILLA ALLAH" so we repeat it);

- \* **The appearance of the MAHDI;**
- \* **The appearance of the DAJJAL (Anti Christ);**
- \* **The appearance of Ya'juj and Ma'juj(biblical Gog and Magog);**
- \* **Isa (Jesus) will come during the time of Dajjal;**
- \* **The rising of the sun from the west;**
- \* **The destruction of the Ka'ba and the recovery of its treasures;**
- \* **The smoke.**

# Now you have two options here:

- 1- *leave this message to sit here. No curse or whatever may happen to you (Insha-Allah)*
- 2- *Forward this message to a number of people you know and by the grace of Allah you will be blessed for each person you forward this e-mail to.*

**PLEASE FORWARD FORWARD THIS, THIS IS A REWARD.**

**Lesson 31**

**Surah Yaaseen - Part 5**

*Translation*

45. When it is said to them: "Beware of that which is before you and that which is behind you so that that you may receive mercy (they turn away)".

46. Never came to them a sign from the signs of their Lord except that they turned away from it!

47. And when it is said to them: "Spend of that which Allah has provided for you", those who disbelieve say to those who believe: "Shall we feed those whom, if Allah willed, He (himself) would have fed? You are in plain error."

48. And they say: "When will this promise (i.e. resurrection) be fulfilled, if you are truthful?"

49. They await but a single shout, which will seize them while they are disputing.

50. They will not be able to make a bequest nor will they return to their family.

### *Commentary*

#### *Verse 45 - 46*

*When the disbelievers are urged to fear Allah and repent from their old ways they turn a deaf ear. An intelligent person takes a lesson from the results of his past sins and fears the consequences of his future actions. If he continuously reviews his life and prepares for the Hereafter Allah will have mercy on him and ensure a better life in his future.*

*An alternative commentary given of this verse is that man must learn from the punishment meted out to nations of the past that were destroyed due to their disbelief and sin. Man should similarly be fearful of the Hereafter. If he lives within these guiding lines he will be successful.*

*But, people who are steeped in this temporal life turn away from thinking about the Hereafter. Despite all the encouragement and warnings they are too arrogant to listen.*

#### *Verse 47*

*When the disbelievers are urged to spend on the less fortunate they mockingly reply: "If Allah did not give them why should we give them?"*

*Their statement is immersed in arrogance and blasphemy. Their arrogance is due to their shallow thinking that they have been favoured by Allah over the poor. Wealth is not a sign of success. A person may have a newspaper*

*as his blanket and a rock as his pillow but if he fears Allah and practices Islam he is wealthier than the richest billionaire who lives a life of sin. Their blasphemy lies in placing the blame of other's misfortunes onto Allah.*

*Their statement also smacks of hypocrisy. Let alone disbelief in Allah they don't even spend on the poor, an act which is accepted as good by all. However, because this encouragement comes from the believers they choose to reply mockingly. How foolish!*

*Logically, their statement makes no sense. They say that Allah had willed not to give them. But, now it is Allah's will to spend on them. Why do they now refuse?*

*Allah in His wisdom gives the rich and not the poor so that the rich can give the poor and earn reward. Allah gives wealth to people as a test to see if they would part with it. Allah can give everybody if He desires. He gives all the animals. None in the animal kingdom is richer than another. Allah in His wisdom does not give the poor so that they are in need of the resources given to the rich. The rich need the labour and effort of the poor. The world is built on mutual benefit and co-operation. Every person needs others to survive.*

*"You are in open error" can mean one of two things :*

*The disbelievers say to the believers : "Asking us to feed the poor is a foolish command."*

*Allah says to the disbelievers : "By not spending on the poor you are foolish."  
Verse 48 - 50*

*The disbelievers mockingly ask the Muslims when the day of Qiyaamah is going to come if ever because they do not believe in Qiyaamah.*

*Allah does not answer their foolish question but mentions that it will come suddenly. It will be so sudden that it will seize the world while people are out and about on their normal business. An intelligent person prepares for Qiyaamah rather than ask when it will occur.*

### *Lessons*

*People immersed in this material world think that they have the contacts and the means to live in their den of luxury always. Their apparent power to control people and situations gives them a feeling of independence. They subconsciously*

*ignore the reality of death and the accountability of the Hereafter. There is a rising trend today to ignore death and situations that remind of death. For this reason certain people do not visit the sick, they do not go to the graveyard, they do not listen to Islamic lectures on the topic, etc. These are all noteworthy but, people who are immersed in worldly pleasures steer away from reality. They prefer to live in the deceptive artificial world - a world of bright lights, jingles, mansions, entertainment and fun. A capitalist thinks precisely as explained in the Quran. Pay employees as little as possible so that they can never become independent. Subjugate them so that they will always remain employees.*

#### Period of Revelation

*The first seven verses of this Surah belong to the earliest period at Makkah. the Muslim **Ummah** almost unanimously agreed that the earliest Revelation to the Holy Prophet (upon whom be peace) consisted of the first five verses of Surah Al-Alaq(XCVI) However, what is established by authentic traditions is that after this first Revelation, no Revelation came down to the Holy Prophet (upon whom be peace) for quite some time. Then, when it was resumed, it started with theme verses of Surah Al- Muddaththir. Imam Zuhri has given the following details of it:*

*"The Holy Messenger of Allah describing the period of **falrat al-wahi**(break in revelation) said: One day when I was passing on the way, I suddenly heard a call from heaven. I raised my head and saw that the same Angel who had visited me in the Cave of Hira was sitting on a throne between heaven and earth. This struck terror in my heart, and reaching home quickly, I said: 'Cover me up, cover me up'. So the people of the house covered me up with a quilt (or blanket). At that time Allah sent down the Revelation: **Ya ayyuhal-Muddaththiru..** From then on revelation became intense and continuous." (Bukhari, Muslim Musnad Ahmad, Ibn Jarir).*

#### Theme and Subject Matter

*As has been explained above, the earliest Revelation to the Holy Prophet (upon whom be peace) consisted of the first five verses of Surah Al-Alaq, in which it had been Said: "Read (O Prophet), in the name of your Lord, Who created: created man from a clot of congealed blood. Read: and your Lord is Most Generous, Who taught knowledge by the pen, taught man what he did not know."*

*This was the first experience of Revelation met with suddenly by the Holy Prophet (upon whom be peace). in this message it was not told what great mission he had been*

*entrusted with and what duties he had to perform in future. He was only initiated into it and then left alone for a time so that the great strain this experience had caused should pass away and he should mentally become prepared to receive the Revelation and perform the prophetic mission in the future. After this intermission when Revelation Was resumed, the first seven verses of this Surah Were revealed: In these he Was for the first time commanded to arise and warn the people of the consequences of the way of life they were following and to proclaim the greatness of God in the world where others were being magnified without any right. Along with that he was given this instruction: The demand of the Unique mission that you have to perform, now is that your life should be pure in every respect and you should carry out the duty of reforming your people sincerely irrespective of any worldly gain. Then, in the last sentence, he was exhorted to endure with patience, for the sake of his Lord, all the hardships and troubles that he might have to face while performing his mission.*

*In the implementation of this Divine Command when the Holy Messenger of Allah began to preach Islam and recite the Qur'anic Surahs revealed successively, the people of Makkah felt alarmed, and it provoked a great storm of opposition and hostility*

*In vv. 8-10 the deniers of Truth have been warned, saying: "You will see the evil result of what you are doing today on the Resurrection Day."*

*In vv. 11-26, without naming Walid bin al-Mughirah, it has been told how Allah had blessed him and how inimical he proved to be to true Faith. In this connection, his mental conflict has been portrayed, telling that, on the one hand, he was fully convinced of the truth of Muhammad (upon whom be Allah's peace and blessings) and the Qur'an, but, on the other, he did not want to risk his leadership and position among his people. Therefore, not only he did not believe himself but after a long-drawn-out conflict with his conscience he also came out with the proposal that in order to restrain the people from believing the Qur'an should be branded as magic. After exposing his evil nature, it has been said: "Notwithstanding such evil inclinations and misdeeds, this person desires that he should be further blessed, whereas he has now become worthy of Hell, and never of further blessings."*

*In vv. 27-48, the dreadfulness of Hell has been depicted and it has been explained as to people of what character and morals really deserve it.*

*In conclusion, it has been explicitly stated: Allah does not stand in need of anybody's faith that He may fulfill his conditions. The Qur'an is an admonition that has been presented before the people openly; now whoever wills may accept it. Allah has a right that the people should fear His disobedience and He alone has the power to forgive the one who adopts piety and an attitude of God consciousness even though one may have committed many acts of disobedience in the past.*

**Lesson form this Ayah:**

- *We have to wake up from Hidden Sleep.*
- *After embracing Islam the first important duty of Muslim to call to the way of Allah.*
- *First to clean our self and then try to clean the Sleeping Men.*
- *And Warn to the Sleeping Man about the Danger of the Day of Judgment.*
- *Don't bestow to get back more.*
- *be patient for the sake of your Lord,*
- *Remember the Gift of Allah*
- *Allah should not add more gift for them whose are unbelievers.*
- *A distressing punishment is waiting for those Men who forget the gifts from Allah.*

*May Allah helps us to get Proper knowledge about islam and also help us to follow that properly.-----Amin.*

*May Allah forgive us for our previous sins-amin.*

*Save it and send it to all of your friends .....*

*N.B- if any mistake ,forgive me , If you have any suggestion can mail me .This just a drop of water from Quran, better to learn yourself.*
