Salam Alaikum my dear in Islam,

I am the imam of the Holy Mosque of the city of Ouagadougou. I have on hand a large mosque whose construction is not completed since its establishment in April 2007.

We received many help from several believers and we thank Allah that this support continues to grow. These aid received helped us today to arrive at an appropriate stage of construction. Most of these funds was mainly been financed by believers of the community but unfortunately these funding are not sufficient for the finalisation of this mosque. Due to these donations many believers coming from the four corners of the Earth will finally be able to worship Allaah in better conditions and in holiness and cleanliness of their environment.

Reason why I come to you and to many other people who have this willingness to invest in the construction of the great House of ALLAH to support the Muslim community of the city

of Ouagadougou to finalize the construction of this mosque.
This House remains the largest House of Allah since its construction here in Ouagadougou but unfortunately for the financial reasons the majority of our Muslim siblings may not enjoy this mosque.

We send a prayer of blessing to any natural or legal person having the gratitude of provide us support for the implementation of activities that may give life to this great House of God.

Your gift will be received and seen as a way for you to support the values of Islam in order to set an example to others and to prove how your faith has no equal to the vices of this present life.

We ask that you can give to support this building.

A review of this construction tells us that we exactly need a sum of \$ 250,000 for the complete finalisation of this Mosque but it's with the financial donation and with in-kind that we made stinks accomplished half of half the work site for the construction of our mosque. At the end of the construction we propose that the inauguration must be made with the presence of our largest donor and they'll be thank officially by our community

For your donation you can also contact the second imam of the mosque
(imam.ibrahim@gmail.com)

I thank you in advance for your support

Kind regards
Abubacar Salam
