There was a very beautiful light arising from her forehead nose the light was going far and there is a counter (tasbih) in her hand she was reciting some Islamic stuff. I went to her and ask can i sit with you. she replied sit down. I sit with her.

Please tell me interpretation I will be thankful for you.

Bismillah [IslamCity] A copy of Quran Has been sold for more than one million Sterling Pound

- **The Straight Path**

-

- 28 Oct 2007

To

- eGroup For Muslims Around The World

LONDON, England (AP) -- A Quran written in 1203, believed to be the oldest known complete copy, has sold for more than £1 million at an auction.

The earliest-known complete, dated Quran.

The holy book, which had been estimated to sell for up to £350,000 (\$715,000), fetched £1,140,500 (\$2,327,300) at Tuesday's auction in London, Christie's said.

That was a world record auction price for a Quran or any type of Islamic manuscript, the auctioneer said.

A nearly complete, 10th-century kufic Quran, thought to be from North Africa or the near East, sold for £916,500 (\$1.87 million).

Both were offered for sale by the Hispanic Society of America, and were purchased by trade buyers in London, Christie's said.

The record-setting Quran was signed by Yahya bin Muhammad ibn 'Umar, dated 17 Ramadan 599 (June 1203).

It was acquired in Cairo in 1905 by Archer Milton Huntington, who founded the Hispanic Society in New York City in 1904. Huntington, the adopted son of railroad and ship-building magnate Collis P. Huntington, died in 1955.

The calligraphy in the manuscript is gold outlined in thin black lines, and the marginal notes are in silver outlined in red.

The kufic Quran bridges a gap between the earlier style, copied on parchment of horizontal format, and the later style of vertical composition, often on paper, Christie's catalog said.

The kufic script takes its name from Kufah in [Iraq](#), an early center of Islamic scholarship, according to the British Library.

Because the script's vertical strokes were very short but the horizontal strokes elongated, it was written on papers in a landscape format.

Well i have this close guy friend, we used to be close and now things changed ya know, but just the other day i had a a dream that i was at a car accident and i was trying to figure out who it was, and i noticed it was my guy friend and he died in a car accident, so i began to cry and i started yelling that its my fault then all of sudden the quran in his car began to play, and all these light was coming out of his car. not only was it him in the car but so was my liltle brother and his little sister, but basically it was about him. so the quran that was playin made everyone cry because it was so beautiful, even the police officers were crying. then i ended up at his house and his mother opened the door and she was dressed in white and she had a white bird on her shoulder and she wasnt crying at all. and i was the only one in the room who was crying.so i went up to his room and layed down on his bed and jus began to think then all these white birds came in and started to sing, his mother opened the door and told me to go back downstaris and everyone was there and everyne was like its ok its ok Feda dont worry hes gonna be ok. and i saw his two friends and they were also dressed in white and they told me that he is in a better place inshallah and i was wondering why everyone was tellin me to be ok because no one knows that we are friends, but i looked down and noticed that i had a ring on, and im geussing we were engaged. after that all the guests left and it was just me and his mother and his mother asked me to come help her clean his room, so we go and im heling her and then all of a sudden, i find a note it was to me from him, and in the note it was like please dont cry i am in a better place and i will be waiting for you. then alll these birds start flying in and i look to find his mother and she wasnt there. and the dream ended. but i would like to mention that i had this dream twice. then jus yesterday i had antoher dream that me and his mother were walkin in Amman Jordan under a bridge and it was just me and her and then she was telling me a memory she had with her son and right when she was done all these white birds started to fly and they were so low that we were pushed to the ground, but yet when i looked for his mother she wasnt there. I was just wondering what these dreams mean, because they seem to be very powerful, and im just also wondering why me, why am i having these dreams? like how come not his mother or someone closer to him. I have many questions:

Where is my father ?

If He had cancer and was sick and theer was know cure does that make him a shaheed?

Does he see us , does he miss us ,where is he.

Did he know he was gonna pass away ? did Allah give him a sign that this was his last days with us ... because baba fought so hard and when past away that week he was so different it was like he was a different person he was weak and rejected everything . You knwo teh weird thing is that we were always in teh room in the hospital with him and I was the last to leave the room. when we all left the room his ruh went out .

Even that day was differnt the whole quran was getting recited in my head and I dont knwo all the aya's by heart.

I know have many question to ask . One of my issues is that I dont really spk arabic alot so when everyone is trying to expalin stuff its in arabic and i dont get the exact idea.

Please help me understand things better with what happend.

Wa laikum salam, Nisreen

According to the book *Dreams and Interpretations* by IBN SIREEN [R.A.] {see the *Dreams and Interpretations* section on my Site www.dr-umar-azam.co.uk to find out how to buy this book for yourself}, the message of a person who has passed away can never be false. So you should indeed tell your mother that your father loves her dearly. Also, you *will* be getting married next year! Many congratulations from me!

When you visit your father's grave on Fridays, his RUH does indeed come down to see who is praying for him. My own father has passed away. My youngest sister went to visit his grave to pray for him, taking her young son with her. This son exclaimed, 'Hi, Abba!' at the graveside. So obviously he could see the RUH of his grandfather! We shouldn't be scared as we are Muslims and, of course, Allah Most High permits the RUHS to visit Earth as and when necessary; in any case, every sunrise and every sunset, each RUH sees his or her place in either Paradise or Hell from the window in the grave [Hadith].

Assalam Alaikum

Dr. Umar Azam,

Please accept my apology for sending you my comments in a mail. I'm not sure but after leaving my comments (I do not remember with what of my 2 ids) I got for some time mails to

Defrauding me. The kind that request a bank account. So I better prefer to avoid it. However, It's not a complain to you.

Now, about your second web site: I like the format of it a lot. I cannot imagine how much time it took for you to list all the comments. It's amazing. In the comments of the parables in the Holy Quran something feels missing: Your own comments!!! I mean in a whole. Coz I could see some of your answers to few of the comments. May I dare to point something please? according to the dates of the comments the # 1 was the last isn't it?

I would like to know how that "project" is going on?

Sorry for my ignorance, what is as special about dreams to keep on this, it's something that started plenty in your first web site. I just cannot get the importance.

About your first web site: It has more information than the second, a lot about dreams.... My sight get tired for the amount of colour contrast, what do not affect the quality of the information at all. There is a part called: the younger generation of muslims, that is very good help to guide this

group of muslims, only one point on this, why only girls should help with house work? boys and girls should do it, then as the Prophet (PBUH), they will be able to help to keep their own home in order.

By the way, the youngest generation are children and there is very few on line for them. I'm thinking in my own situation. I have a kid (9) and in a country where Catholics and Christian sects are majority in my city there are 5 kids in this situation (the only future muslim kids -inshaallah- in the city) no one of them have both parents being Muslims, so not so strong example to follow, we are converted and also learning, How to teach them and guide them when all material is for teens and adults? Not easy :) even worst our kids speak Spanish, most information is in English and Arabic!!! Wanna know more? there is not imam in this city. May Allah helps and guide us.

May Allah bless you for all your help and efforts.
