Salamalaikum wa Rahmatullah brother, hope ramadan mubarak is going good. Brother can u please interprete the following for me?

I did istikhara last night about my marriage to a guy. And I saw my dad. There was nothing shown to me regarding our marriage but I dreamed that my dad was back from the other world or from the grave just to visit us and see us and he is so happy me and my dad we talk alot of things but i dont remember what it was I think it was mostly about him how he is doing and stuff and he is so happy Alhamdulillah. Then its time for him to go back before its dark and my mom says to him to go cuz its getting dark but do come back again tomorrow. So my dad leaves and me, and my 2 brothers sit in my car and then there is another car which is my cusin's husband and he is behind us he is dead too and going back (although in real life he is alive but remeber how i told u i always dream them??) anyways and then behind his car is my dad's car ( a dark red car) so we start driving and just as we start moving suddenly my cusin's husband car go outta track and then the same thing happen to my dad's car. So we suddenly go and run towards my dad and see that there is a big peice of glass that has cutted off his head I take out the glass from his head and my brother and everyone says don't do it but I do it and there is no blood, I can literally see his brains then I dont know what happens and my mom says lets all go today to visit my dad he will be so happy to see us all together. so as we all gather and are going there I cannot explain in words what I saw like it was this sweet-bread (we call it rot) everywhere in the graveyard and as we are walking I am thinking to myself that oh my dad's head has totally healed in such a short time cuz this much time of ours is equal to 70 years of the other world and I think only the scar is there although I havn't even reached there yet and havn't seen anything.

So this is what I dreamed and I don't really know what it means but I am having a very good feeling about him being so happy I am not sure what does the last part depict.

Assalam Alaikum brother Dr. Umar Azam

Thank you for inviting to visit your websites. I visited one last night and found the information about the name of Muhammad (SAW) on Jabal Uhud on satellite photograph and showed it to my sons as well.

I also saw the dream story of a sister. I think such narrations need a little typographical, spelling and grammatical corrections before putting them on larger audience.

Also the highlight colours on being used are rather univiting.

JazakAllah for making all this effort.

A FAKE AMERICAN QURAAAN

Above: 'The True Furqan'

The new AMERICAN Quran:

a dangerous trick A new Quran is being distributed in Kuwait , titled 'The True Furqan'. It is being described as the ayats of the Shaytan and Al-Furqan weekly magazine has found out that the two American printing companies;'Omega 2001' and 'Wine Press' are involved in the publishing of 'The True Furqan', a book which has also been titled 'The 21st Century Quran'! It is over 366 pages and is in both the Arabic and English languages.... it is being distributed to our children in Kuwait in the private

English schools! The book contains 77 Surats, which include Al-Fatiha, Al-Jana and Al-Injil. Instead of Bismillah, each Surat begins with a longer vesion of this incorporating the Christian belief of the three spirits.

And

This so Called Quran opposes many Islamic beliefs. In one of its ayats it describes having more than one wife as

fornication, divorce being

non-permissible and it uses a new system for the sharing out of the will, opposing the current one. It states that Jihad is HARAAM.

This book even goes as far as attacking Allah, Subhanahu wa Tahala!

All this is poisoning our children at approx. \$3.

Brothers and Sisters please make sure you forward this email to as many people as possible so that we can stop this dangerous trick.

Please tell everyone you know and may Allah reward you.

jazak Allah Khair

Sorry, Br - the attachments don't appear to be available free. I think you might need to buy a DVD or other software, from Islamic bookshops, with pre-installed Holy Quran and translations which you can use off-line.

Salaam Dr. Umar,

I would like to ask a copy of the ebook, your compilation. I was so glad to have come across the thread. I have been searching the internet for free resources. I am a muslim from Philippines, and there are no available resources here in our country. I would like to collect resources on islamic prayers, translation, and transliteration, because arabic is not our native language. I also need the arabic text because I will use it to learn and teach arabic to my nieces and nephew. I want to teach younger generation about Islam, because in Philippines educational curriculum, Islamic studies is not included. I would like to spread my compilation to those interested to spread and promote Islam.

I hope that you will be able to assist me. Thank you so much in advance.

Sincerely

Jihada

Thank you so much. I will pass everything I got from my researches and all your help to those in need. I will post these links and tell my friends personally about it and ask them to tell other people as well. This is a big help to countries like philippines where resources are very scant.

Thank you

Sincerely  
Jihada Abdullah
